Docile - K.M. Szpara

2020-03-03

K. M. Szpara's *Docile* is a science fiction parable about love and sex, wealth and debt, abuse and power, a challenging tour de force that at turns seduces and startles. There is no consent under capitalism. To be a *Docile* is to be kept, body and soul, for the uses of the owner of your contract. To be a *Docile* is to forget, to disappear, to hide inside your body from the horrors of your service. To be a *Docile* is to sell yourself to pay your parents' debts and buy your children's

future. Elisha Wilder's family has been ruined by debt, handed down to them from previous generations. His mother never recovered from the *Dociline* she took during her term as a *Docile*, so when Elisha decides to try and erase the family's debt himself, he swears he will never take the drug that took his mother from him. Too bad his contract has been purchased by Alexander Bishop III, whose ultra-rich family is the brains (and money) behind *Dociline* and the entire Office of Debt Resolution. When Elisha refuses *Dociline*, Alex refuses to believe that his family's crowning achievement could have any negative side effects—and is determined to turn Elisha into the perfect *Docile* without it. Content warning: *Docile* contains forthright depictions and discussions of rape and sexual abuse. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Gangster and the Samurai - Katsura 2014-01-27
Fate is a fickle thing, fortune a

double edged sword. "Being born into wealth and privilege may be the dream of most, but a fat, friendless child with no company but his books will find that money brings no real comfort. I was such a child and came quickly to the conclusion that to endure the mundane is not compulsory when one can retreat to one's thoughts and live the life of a samurai. I chose my own path. An existence of honour and adventure which I shared with my beloved fellow warrior, Hyung. Even I, at times, thought him to be a figment of my imagination, so when he appeared as a flesh and blood man in the offices of the Yakuza organisation, the Tatakai-gumi, my world was turned upside down." Kanno Sakamoto is a renaissance man. Homosexual, archer, swordsman, gardener, chef, pianist, gangster and fantasist - here he tells his own story. A dark, often humorous and sometimes challenging tale of love, lust and murder which is not for the faint of heart.
