Sneaker Century- Amber J. Keyser 2017-01-01

Whether you call them kicks or sneakers, runners or gutties, you probably have a pair of athletic shoes in your closet. The earliest sneakers debuted in the 1800s and weren't much more than a canvas upper and a flexible sole made of a crazy new material rubber. The stuff

might have been new to Americans then, but for thousands of years, the indigenous peoples of the Amazon Basin of South America had been using latex made from the milky sap of hevea trees to protect their feet from rocks, sticks, and biting insects. Once Charles Goodyear figured out how to make the stuff more durable, sneakers were here to stay. Early sneakers were initially designed for elite athletes, but kids and teens quickly adopted them. Some of the first brands included Converse, Brooks, and Saucony. German companies Adidas and Puma started up during World War II. The Nike shoe debuted in the 1970s (with a bit of inspiration from a waffle iron). As fitness crazes took off in the 1980s, people all over the world started buying the shoes for workouts and everyday wear. At about the same time, companies began hiring high-profile athletes and pop stars for big-dollar endorsements, and shoe sales soared into the stratosphere to the tune of billions of dollars

each year. In Sneaker Century, follow sneaker fashions and the larger-than-life personalities behind the best known athletic shoe brands in history. Learn how teen sneakerheads became important style makers and drove the success of NIKE, Inc., and other shoe companies. Look behind the scenes at the labor-intensive process of manufacturing sneakers. Explore the sneaker frontier of the futurerecycled shoes, earth-friendly initiatives, and high-fashion statements. Get ready to speed through the Sneaker Century!

Air Jordan Coloring Book - Created By: KicksArt - 2020-06

This is the Ultimate Air Jordan sneaker coloring book featuring over 20 Hand-Drawn models and drawing guides. Designed by KicksArt to be the perfect Jordan coloring book for sneakerheads & future

footwear designers alike!
BEFORE YOU BUY: ALL of the coloring stencils in this book are available for FREE over at www.KicksArt.com Help yourself and print out as many as you'd like! I recommend looking through the inventory on the site and printing out a few to decide if purchasing this book is necessary or not. I've designed this book for those who'd like a complete Jordan coloring resource made with the same care & love as the hundreds of stencils done on the website. What's included? 1) Hand-drawn illustrations of the Air Jordans 1-23. 2) High and low variants for every Jordan (except models 3, 4, and 10). 3) Drawing guides for each of the Jordan 23 models. 4) The original release year and lead designer name credit. 5) Both large and small coloring stencils available for each sneaker. 6) Swatch spaces to test out color combinations/patterns. 7) The main stat averages Jordan achieved during each season of his career. 8) Blank tester sheet

at the end of the book to trying supplies out. Q: Why are you selling a book of coloring stencils that are already free on your website? A: Because I'm a sneakerhead who would've wanted both options available back when first falling in love with sneakers. I'm proud to now be able to create that option for others! For any questions or comments, reach out to me over at owner@KicksArt.com KicksArt is NOT affiliated with Nike Inc. or Jordan Brand in any way (currently).
