The Western Esoteric Traditions - Nicholas

Goodrick-Clarke 2008-10-14

Western esotericism has now emerged as an academic study in its own right, combining spirituality with an empirical observation of the natural world while also relating the humanity to the universe through a harmonious celestial order. This introduction to the Western esoteric traditions offers a concise overview of their historical development. Nicholas Goodrick-Clarke explores these traditions, from their roots in Hermeticism,

Neo-Platonism, and Gnosticism in the early Christian era up to their reverberations in today's scientific paradigms. While the study of Western esotericism is usually confined to the history of ideas, Goodrick-Clarke examines the phenomenon much more broadly. He demonstrates that, far from being a strictly intellectual movement, the spread of esotericism owes a great deal to geopolitics and globalization. In Hellenistic culture, for example, the empire of Alexander the Great, which stretched across Egypt and Western Asia to provinces in India, facilitated a mixing of Eastern and Western cultures. As the Greeks absorbed ideas from Egypt, Babylon, Assyria, and Persia, they gave rise to the first esoteric movements. From the late sixteenth to the eighteenth centuries, post-Reformation spirituality found expression in theosophy, Rosicrucianism and Freemasonry. Similarly, in the modern era, dissatisfaction with the hegemony of science in Western culture and a lack

of faith in traditional Christianity led thinkers like Madame Blavatsky to look East for spiritual inspiration. Goodrick-Clarke further examines Modern esoteric thought in the light of new scientific and medical paradigms along with the analytical psychology of Carl Gustav Jung. This book traces the complete history of these movements and is the definitive account of Western esotericism.

The Unfinished Autobiography

of Alice A. Bailey
Bailey 1973

Although her death in December 1949 prevented the completion of this book, enough of the author's life story emerges to show the stages in her journey from Christian evangelism to mastery of the science of esotericism and her work as an author, lecturer and teacher.

The Hidden Histories of Houseplants - Maddie Bailey
2021-11-11

The Hidden Histories of Houseplants explores 20 of the world's most common houseplants. This book isn't just a dry exploration of historical cultivation; the narrative explores the plants' places in social history, science and culture, showcasing the most fascinating elements of each plant's story, be it the exploration as to why *Monstera deliciosa* have holes in their leaves, whether houseplants have the ability to count, or why *Calathea* leaves open during the day and close up at night. Accompanied by stunning illustrations, each text

takes the reader on a journey through time, history and culture, told by the most universally binding objects in our homes from London to Beijing - houseplants.

Rainbow Bridge II - Two Disciples 1994-01-01

"MASTERPIECES OF MEDITATION," to quote the LEADING EDGE REVIEW: "Alice Bailey transcribed a metaphysical teaching directly from the words of an ascended Tibetan Master in her 'blue books.' These can be considered the 'theoretical Physics' of the inner planes...The Two Disciples who wrote the RAINBOW BRIDGE I & II have to be considered the master technologists who have adapted & made practical that immense theory of metaphysics. In these two masterpieces of meditation, they have elucidated a hands-on technique for meditation that is probably the most effective method for purifying the transpersonal vehicles & linking them to the pure light of the Soul that has ever been published. Phase I is the

structure, theory & beginning disciplines that are used to create the proper understanding before the process of bringing in...Soul energy begins. Phase II includes additional exercises...to 'clean away' the cloudy & unnecessary energies that surround the individual...This process is immediately effective..." With over 45,000 copies now in print, RAINBOW BRIDGE continues to be a best seller as well as a classic. To order: Rainbow Bridge Productions, P.O. 76, Port Townsend, WA, 98368.

Treatise on Cosmic Fire -

Alice A. Bailey 1973

This volume deals with the underlying structure of occult teaching for the present era and with those vast cosmic processes reproduced through all areas of life from universe to atom. The book gives an exposition of Solar Fire, the Fire of Mind, since this is the dominant energy to be understood and controlled during this second solar system.

Astral Weeks - Ryan H. Walsh
2018-03-06

A mind-expanding dive into a lost chapter of 1968, featuring the famous and forgotten: Van Morrison, folkie-turned-cult-leader Mel Lyman, Timothy Leary, James Brown, and many more Van Morrison's Astral Weeks is an iconic rock album shrouded in legend, a masterpiece that has touched generations of listeners and influenced everyone from Bruce Springsteen to Martin Scorsese. In his first book, acclaimed musician and journalist Ryan H. Walsh unearths the album's fascinating backstory--along with the untold secrets of the time and place that birthed it: Boston 1968. On the 50th anniversary of that tumultuous year, Walsh's book follows a criss-crossing cast of musicians and visionaries, artists and hippie entrepreneurs, from a young Tufts English professor who walks into a job as a host for TV's wildest show (one episode required two sets, each tuned to a different channel) to the mystically inclined owner

of radio station WBCN, who believed he was the reincarnation of a scientist from Atlantis. Most penetratingly powerful of all is Mel Lyman, the folk-music star who decided he was God, then controlled the lives of his many followers via acid, astrology, and an underground newspaper called Avatar. A mesmerizing group of boldface names pops to life in Astral Weeks: James Brown quells tensions the night after Martin Luther King, Jr. is assassinated; the real-life crimes of the Boston Strangler come to the movie screen via Tony Curtis; Howard Zinn testifies for Avatar in the courtroom. From life-changing concerts and chilling crimes, to acid experiments and film shoots, Astral Weeks is the secret, wild history of a unique time and place. A Treatise on the Seven Rays - Alice a. Bailey 2013-07
2013 Reprint of 1950 Third

Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. Volume One Only. The books of Alice A. Bailey, written in cooperation with a Tibetan teacher between 1919 and 1949, constitute a continuation of the Ageless Wisdom--a body of esoteric teaching handed down from ancient times in a form which is always suitable to each period. Intended to precede and condition the coming era, the Alice A. Bailey writings offer an unparalleled spiritual approach to such subjects as the teaching on Shamballa and the Path of spiritual evolution; the spiritual Hierarchy; the new discipleship and training in meditation as a form of service; the teaching on the seven rays and the new psychology of the soul; the teaching on esoteric astrology; and the new world religion, which emphasizes the common thread of truth linking all the major world faiths. Five volumes have been written under the overall title of "A Treatise on the Seven Rays."

This sequence of books is based on the fact, the nature and the quality of the seven basic streams of energy pervading our solar system, our planet and all that lives and moves within its orbit. Of the specialized subjects presented in these books, two volumes are concerned with esoteric psychology - the first in relation to basic energy patterns and structures; the second particularly applied to the soul and the personality of man and to the working out of the Plan for humanity. Psychology is defined in Webster's Dictionary as "the science of mind," at one time considered a branch of metaphysics. Today we are more inclined to include all the conditioning subjective factors as psychological in nature - mental and emotional impulses and soul contact, to whatever degree it exists. These subjective influences constitute the whole psychological background to a man's attitudes and behaviour, and create the faculty of spiritual response. The "psyche" is, after

all, the human soul, the centre of consciousness. Esoteric psychology begins with a consideration of the human being as a soul, manifesting in the form of a personality, consisting of mental, emotional and etheric/physical substance, and more or less in contact and control, depending on the stage of evolution in the personality consciousness. From the point of view of esoteric psychology, evolution is the evolution of consciousness, by which the imbedded fragment of the soul within the personality progressively identifies its spiritual source and becomes at-one with it. The seven differentiated streams of ray energy play a significant role in this evolutionary process. A blend of five energies in a human being determine his goals, his problems, his available qualities and energy resources, and the correct method by which - according to his dominant ray influence - he may unfold his consciousness and make spiritual progress. In this volume of Esoteric Psychology many of these

distinctive ray qualities and methods are given as quotations, or interpretations, of "The Old Commentary" put into poetic and symbolic words. The seven rays are shown as the Seven Creative Builders, each one imbued with purpose and power, functioning together as a synthesis in occult obedience to the purposes of our Solar Logos. Such a detailed and comprehensive study of the ray energies influencing our planetary life and all kingdoms in nature is of inestimable value to the aspirant consciously preparing himself to become of planetary service as he learns to serve and to unite with his fellowmen.

The Light of the Soul - Alice Bailey 2012-05-14

This volume is an original paraphrase, with commentary, of the Yoga Sutras of Patanjali. The Yoga Sutras are of ancient origin, first reduced to writing by Patanjali, who is considered the founder of the Raja Yoga School. Control of the mind and its illumination by the soul are brought about through the

practice of Raja Yoga.

Death - Alice A. Bailey 1985

With widespread publicity concerning the near death experience, many people are now searching for a deeper understanding of death and the process of dying. Esoteric teachings on the subtle bodies and their interrelationship have much to offer to those pondering on and researching the mystery of death.

Resurrection is the keynote of nature; death is not. Death is only the ante-chamber of resurrection.

A Treatise on White Magic

Alice Bailey 2022-11-13

A Treatise on White Magic is a book by Alice Bailey. It is considered to be among the most important by students of her writings, as it is less abstract than most, and deals with many important subjects of her works in an introductory, even programmatic fashion. Bailey promulgated White Magic as a discipline to serve humanity. It is an esoteric text, which Bailey said was dictated telepathically by the Tibetan Master, Djwal

Khul. It is offered as a "basic textbook" for the Western aspirant to initiation, and is divided into fifteen rules of magic, each one taking the reader further into the mysteries of spirituality. Topics discussed include: how an aspirant can best prepare himself for service, the various ray types of their influences, the relationship between the macrocosm and microcosm, the spiritual, causal, astral and physical realms and their interactions, the spiritual psychology of man, The Hierarchy of Masters, esoteric groups and schools, the spiritual centers (or chakras), the occult concept of the Seven Rays, meditation work and much more. One of the main themes is that of soul control.

The Unlikely Occultist -

Isobel Blackthorn 2021-06-02

Discover the fascinating life of Alice Bailey: a long-forgotten occultist widely regarded as the Mother Of The New Age. Back in 1931, Alice is preparing to give a speech at a Swiss summer school. Soon after, she is put on Hitler's blacklist. What Alice doesn't realize is the enormity of her influence to the world, and the real enemies who are much closer than she thinks. A dynamic and complex figure, Alice Bailey's reach was huge. She was influential among people and organizations of global power, including the United Nations. Yet today she is maligned by fundamentalist Christians, Theosophists, Jews, academics and above all, by conspiracy theorists. Are any of these groups justified in rejecting the unlikely occultist? This is the large print edition of The Unlikely Occultist, with a

larger font / typeface for easier reading.

Glamour: a World Problem -

Alice Bailey 2012-05-15

World Glamour, the sum total of human ignorance, fear and greed, can dissipate through the clear, inclusive thinking of those in whom the soul (Christ) principle is awakening.

Glamour results from a negative emotional focus. The dissipation of glamour depends on 'illuminated thinking'.

Education in the New Age

Alice Bailey 2012-05-14

Education should be a continuous process from birth to death. It is essentially a process leading to reconciliation of the human and divine elements in the constitution of a human being. Right relationship between God and man, spirit and matter, the whole and the part, should be a prime objective of educational techniques.

A Republic of Mind and

Spirit - Catherine L. Albanese
2007-01-01

In the nineteenth and early twentieth centuries, Mexicans and Americans joined together

to transform the U.S.-Mexico borderlands into a crossroads of modern economic development. This book reveals the forgotten story of their ambitious dreams and their ultimate failure to control this fugitive terrain. Focusing on a mining region that spilled across the Arizona-Sonora border, this book shows how entrepreneurs, corporations, and statesmen tried to domesticate nature and society within a transnational context. Efforts to tame a 'wild' frontier were stymied by labour struggles, social conflict, and revolution. Fugitive Landscapes explores the making and unmaking of the U.S.-Mexico border, telling how ordinary people resisted the domination of empires, nations, and corporations to shape transnational history on their own terms. By moving beyond traditional national narratives, it offers new lessons for our own border-crossing age.

The Reappearance of the Christ

- Alice Bailey 2012-03-13

Many religions today expect

the coming of an Avatar or Saviour. The second coming of the Christ, as the world Teacher for the age of Aquarius, is presented in this book as an imminent event, a continuity of divine revelation throughout the ages. The Christ belongs to all mankind, and can be known and understood as, the same great Identity in all the world religions.

Esoteric Astrology - Alice A. Bailey 1975-12-01

The science of esoteric astrology is said to be the basic occult science for the future. It will come into its own as the esoteric or soul factors begin to supersede the exoteric focus of the vast majority of professional and amateur astrologers today. This is the science which deals with those conditioning and governing energies and forces which play through and upon the whole field of space and all that is found within that field. The Ancient Wisdom teaches that Space is an entity. It is with the life of this entity and with the forces and energies, the

impulses and the rhythms, the cycles and the times and seasons, that esoteric astrology deals. Esoteric astrology can be applied by the trained worker in a variety of ways; in medicine, psychology, science, education; to an evaluation of human problems, of the destiny of nations, of a correct interpretation of world affairs, and so on. It is necessary, however, that at this stage the application of esoteric astrology to human life should be recognised as experimental and tentative, so that each individual worker can adjust his thinking and his methods according to his own wrought-out experience. to work depend entirely on a consciousness evolving out of control by the personality into the life of the soul, out of separateness and self-centredness into a realisation of unity, and absorption into a centre of group consciousness. Astrology is described in this book as the science of relationships - the relationship existing between all living organisms within the universe. Not only the qualities

of the ray energies affect these centres of consciousness, but also the quality and energy of the ruling planets and the zodiacal signs. Seen from the exoteric outside, astrology is a vast and most involved and complex subject. From the esoteric inside, while it is still vast, all-inclusive and complex, it is also possible to perceive the thread which unites and the pattern which prevails throughout the whole system. A basic simplicity in the grand design emerges, therefore, which can serve to interpret the whole. study: (1) The Zodiac and the Rays (2) The Nature of Esoteric Astrology (3) The Science of Triangles (4) The Sacred and Non-Sacred Planets (5) Three Major Constellations (6) The Three Crosses (7) The Rays, Constellations and Planets. In addition there is an appendix which summarises and tabulates many of the factors of fundamental importance to the study of esoteric astrology. This is a book for the true occult student. It may appear to be too highly specialised for

some; but every esoteric worker finds eventually that his work requires an understanding of the basic astrological factors which affect all relationships and all forms of life within the ethers of space, so that he may learn how to cooperate intelligently in the evolution of the whole by the right adjustment of the part within that whole; until eventually the many are absorbed into the One. The books of Alice A. Bailey, written in cooperation with a Tibetan teacher between 1919-1949, constitute a continuation of the Ageless Wisdom—a body of esoteric teaching handed down from ancient times in a form which is always suitable to each period. writings offer an unparalleled spiritual approach to such subjects as the teaching on Shamballa and the Path of spiritual evolution; the spiritual Hierarchy; the new discipleship and training in meditation as a form of service; the teaching on the seven rays and the new psychology of the soul; the teaching on esoteric

astrology; and the new world religion, which emphasizes the common thread of truth linking all the major world faiths.

The Seventh Ray - Alice A. Bailey 1995-06

To aid men and women endeavouring to prepare themselves for group service during this transitional era, the Tibetan Master, Djwhal Khul, suggested that a compilation be made of all that he had written with Alice Bailey on the Seventh Ray of Ceremonial Order. This book is the fulfilment of that wish.

Letters on Occult Meditation
Alice Bailey 1926

Telepathy and the Etheric Vehicle - Alice Bailey 1950

The scientific basis for the widely accepted ideal of the brotherhood of man rests on the fact of the interwoven etheric (or energy) structure underlying all forms in all kingdoms within the planet. It is this essential oneness which provides the conditions for intercommunication on all levels of consciousness, and which creates the possibility of

simultaneous impression in many by a stream of Plan - inspired energy.

Alice A. Bailey by Isobel Blackthorn 2022-01-28

"A must-read for any Bailey student, anyone interested in the New Age movement, and for those who wonder, amidst our confused and divided world, where will it all end?" - Steven Chernikeeff, author of *Esoteric Apprentice* From tragic beginnings as an aristocratic orphan to becoming the mother of the New Age spiritual movement, Alice A. Bailey is one of the modern era's most misunderstood occult figures. Bailey's journey is a story of faith, from orthodox Christian beginnings, through a protracted spiritual crisis, to a newfound belief in Theosophy. A mystic and a seeker, a founder of global spiritual organizations, and a surmounter of adversity, Bailey's past is rife with injustices, myths, and misconceptions - including that she was an anti-Semite and a racist with a dark agenda. With

scandals and controversies laid bare, Bailey's extraordinary life is revealed as a powerful, remarkable legacy.

Esoteric Psychology Vol I -

Alice A. Bailey 1972-01-31

Five volumes have been written under the overall title of A Treatise on the Seven Rays, based on the fact, the nature, the quality and the interrelationship of the seven streams of energy pervading our solar system, our planet and all that lives and moves within its orbit. The first two volumes go extensively into the psychological make-up of a human being as the life, quality and appearance of an incarnating, evolving spiritual entity. They also relate the circumstance of a human psychology to world conditions and to future possibilities.

Light of the Soul Alice Bailey 1927-12

The Yoga Sutras are of ancient origin, first reduced to writing by Patanjali, who is considered the founder of the Raja Yoga School. Control of the mind and its illumination by the soul are brought about through the

practice of Raja Yoga. This volume is a paraphrase, with commentary, of the Yoga Sutras of Patanjali.

Topics include: The Ancient Mysteries, Courage, Crisis, Guidance, Joy, Mind, The New Age, Visualisation. *Treatise on White Magic* - Alice A. Bailey 2012

The Seven Rays of Life - Alice A. Bailey 1995

The teaching on the seven rays can enable all true servers to work with greater skill and effectiveness in their chosen field of activity. As Alice Bailey wrote, a study of the rays will mean that "...we shall have a practical method of analysis whereby we can arrive at a right understanding of ourselves as ensouling entities,

and at a wiser comprehension of our fellow men We can then deal more intelligently with ourselves, with our children and with our friends and associates. We shall find ourselves able to co-operate more wisely with the Plan as it is seeking expression at any particular time”.

Problems of Humanity - Alice A Bailey 2011-12-14

Six basic world problems, with many ramifications, continue to present humanity with opportunity for progress. A perspective on these problems is shown in this book. The spiritual factors and subjective causes are related to outer appearances and effects on the world scene.

The Rays and the Initiations - Alice A. Bailey 1993

The first part of this volume contains the Fourteen Rules for Group Initiation, an extension of the teachings given in Initiation, Human and Solar on the Fourteen Rules for Applicants. The second part of the book is concerned with the nine initiations by which the disciple progressively achieves

liberation from the various forms of our planetary life. The possibility of group initiation is a development of the present era. This volume emphasises the growth of the group idea, group service, group responsibility.

From Intellect to Intuition - Alice A. Bailey 1972

The development of the intellect, while necessary, is a means to an end. The intellect should become a means of penetrating into new dimensions of thought and consciousness, and of awakening the intuitive faculty of “pure reason”. Through occult meditation the gap is bridged between the threefold mind and the intuition.

The Consciousness of the Atom - Alice A. Bailey 2021-11-15

The Consciousness of the Atom Alice A. Bailey - Discusses the scientific relation of matter and consciousness as evolution progressively affects the atomic substance of all forms. This book talks about how the atom emerges as a miniature but complete replica of the

energy structure common to all forms of life - cosmic, planetary, human and subhuman.

Esoteric Healing - Alan N. Hopking 2004-10

Esoteric Healing condenses, explains, and presents the teachings on healing by "the Tibetan" in the works of Alice A. Bailey, with an emphasis on training practitioners. Introductory chapters examine the nature of the subject and provide the necessary guidelines for diagnosing, prescribing, and therapeutically utilizing specific energy forms intelligently, yet from an intuitive understanding. The main part of the book studies the healing circuits, known as triangles, arranged on a basis of clinical diagnoses relating to particular systems. Expanded sections describe the use of the sense triangle in healing, and triangles used in more advanced esoteric healing. Individual

chapters deal with the application of these healing energies to oneself and also how to approach cancer and other major planetary influences. Esoteric Healing defined and explained Practical emphasis with many diagrams Reveals a new understanding of disease How to heal from the soul level and work within the subtle bodies Distant healing and self-healing Case histories Group meditation and healing mantrams Paperback: ISBN: 1-57733-110-9, 6x9 Self-hardcover: ISBN: 1-57733-162-1

When the Soul Awakens - Nancy Seifer 2009-09-01
