**Werewolf Castle** - Tracy Falbe 2019-10-17

Thal has found refuge from werewolf hunters and assassins at the castle of his father, Sarputeen. Although the mountain fortress on the eastern fringe of the Holy Roman Empire shields him for the moment, he knows the peace can't last. His father counsels war against his old rival who sent servants to murder Thal. But first, Thal must increase his power and that means making a pack. To obtain men to make werewolves, Sarputeen calls in an old debt from the local duke. The thought of giving others the werewolf magic troubles Thal. He knows that they will be forever bound to him as obedient killers. They will never have normal lives again. Despite his qualms, he is troubled most by the supernatural fext who can heal from all wounds. This foul assassin serves the sorcerer Tekax, and Thal cannot dare to battle them without more werewolves at his side.

**Mediterranean Spain** - Steve Pickard

The second edition of this well-received title from the Royal Cruising Club Pilotage Foundation covers the entire Mediterranean mainland coast of Spain from Gibraltar to the French border. This is the only detailed pilot for the Spanish Mediterranean coast running up from Gibraltar to the border with France. It covers a varied cruising area that includes the mountain-backed Costas del and Sol and Blanca, the expansive lagoon of the Mar Menor, the low-lying Ebro delta and the rugged Costa Brava. In between are several great cities including Malaga, Valencia, Tarragona and Barcelona, the Catalan capital. The volume opens with Gibraltar and La Línea. With Imray charts for the same coast, Mediterranean Spain provides all the data necessary for anyone based in Spain, transitting to and from areas further East or the Balearics, or just exploring this rich and varied coast and its hinterland. The coverage has been revised with the text updated, new plans added and other plan updates based on the latest information. This edition has been enhanced by the addition of over 100 aerial photographs showing coastline and harbour approaches.
