American Government, AP Edition* James Wilson 2007-12-04

Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The American Political Dictionary Jack C. Plano 1982

This classic textbook has been a vital supplement in American government classes for 35 years. Much more than a dictionary, the comprehensive information provided for each term qualifies The American Political Dictionary, Tenth Edition, as a reference book. Professor Plano's extensive experience in writing political dictionaries is evident in this scholarly, interpretive, current edition. Appropriate as a supplement in the introductory course in American government. This textbook could also supplement various texts in such courses as Legislative Process, The American Executive, Constitutional Law, and Foreign Policy.

Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Introduction to American Government 6th Edition - 2011

American Government - Neal Tannahill 2011-07-28

Updated in a new 11th edition, American and Texas Government: Policy and Politics introduces the essentials of American government in a way that any student can understand. Known for its extremely student-friendly, jargon-free style, public policy is emphasized throughout to show students the impact that government has on their lives. *State and Local Government 2016-2017* Kevin B. Smith

Keeping the Republic - Christine Barbour 2018-11-23

Keeping the Republic gives students the power to examine the narrative of what's going on in American politics, distinguish fact from fiction and balance from bias, and influence the message through informed citizenship. Keeping the Republic draws students into the study of

American politics, showing them how to think critically about "who gets what, and how" while exploring the twin themes of power and citizenship. Students are pushed to consider how and why institutions and rules determine who wins and who loses in American politics, and to be savvy consumers of political information. The thoroughly updated Eighth Edition considers how a major component of power is who controls the information, how it is assembled into narratives, and whether we come to recognize fact from fiction. Citizens now have unprecedented access to power - the ability to create and share their own narratives - while simultaneously being even more vulnerable to those trying to shape their views. The political landscape of today gives us new ways to keep the republic, and some high-tech ways to lose it. Throughout the text and its features, authors Christine Barbour and Gerald Wright show students how to effectively apply the critical thinking skills they develop to the political information they encounter every day. Students are challenged to deconstruct prevailing narratives and effectively harness the political power of the information age for themselves. Up-to-date with 2018 election results and analysis, as well as the impact of recent Supreme Court rulings, shifting demographics, and emerging and continuing social movements, *Keeping the Republic, Eighth Edition* is a much-needed resource to help students make sense of politics in America today. Carefully condensed from the full version by authors Christine Barbour and Gerald Wright, *Keeping the Republic, Brief Edition* gives your students all the continuity and crucial content, in a more concise, value-oriented package. American Public Policy. Guy Peters
2018-08-02

This updated edition of *American Public Policy* by B. Guy Peters provides a comprehensive yet accessible overview of the policy-making process from procedural approaches and policy instruments to in-depth analysis of specific policy issues. The Eleventh Edition considers how policy has been impacted by recent economic and political developments. Not shying away from the complexity of governmental procedure, Peters ensures that the mechanisms of the policy process are understandable through insightful discussions of topical policy areas.

By the People - James A. Morone 2014-12-15
In a storytelling approach that weaves contemporary examples together with historical context, *By the People* explores the themes and ideas that drive the great debates in American government and politics. It introduces students to big questions like: Who governs? How does our system of government work? What does government do? and Who are we? By challenging students with these questions, the text gets them to think about, engage with, and debate the merits of U.S. government and politics. Ideal for professors who prefer a shorter text, *By the People, Brief Second Edition*, condenses the content of the

comprehensive edition while also preserving its essential insights, organization, and approach.

American Government and Politics Today,

Enhanced Brief - Steffen W. Schmidt

2023-01-02

Issues like COVID-19, Black Lives Matter, police brutality, trade wars and cyberattacks add to the complexity of the U.S. political system.

Schmidt/Shelley/Bardes' AMERICAN GOVERNMENT AND POLITICS TODAY, ENHANCED BRIEF 11th edition helps you make sense of it all while learning to be an informed citizen and active participant in the political process. A colorful design and current political news and analysis make this an ideal resource to explain fundamentals of the U.S. government and its intricate political system and how they impact your life -- now and in the future.

Extremely reader-friendly, the book has been praised for its brevity, balanced coverage and clarity. Digital course solutions MindTap and Infuse are available.

WE THE PEOPLE - THOMAS. PATTERSON
2016

Points of View Readings in American Government and Politics Allan Hammock
2007-12-21

The eleventh edition of *Points of View: Readings in American Government and Politics* provides instructors and students with a manageable and accessible selection of readings that present succinct, thoughtful, and diverse perspectives across a broad range of issues in American Government today. This comprehensive reader features contrasting viewpoints on current political debates and traditional topics of interest in contemporary American Government courses. By providing two opposing positions for each topic, *Points of View* challenges students to examine and appreciate differing perspectives.

American Government - Karen O'Connor
2010-12-28

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Updated in a new 2011 Alternate edition, *American Government: Roots and Reform* provides the historical context students need to understand our government and the most crucial and controversial issues affecting the nation in the 21st century. This

bestselling book has been extensively revised to provide in-depth coverage of President Barack Obama's first two years in office and the 111th Congress, the 2010 congressional elections, continued concerns related to the wars in Iraq and Afghanistan, and domestic concerns related to health care reform and the economy.

We the People - Thomas E. Patterson 2018-09

American Democracy in Context - John Anthony Maltese 2019-11-08

Discover what makes American democracy unique and how its government impacts your life *American Democracy in Context* provides a combined comparative and historical approach to inspire students to better understand American government and become active citizens. Bestselling authors Maltese, Pika, and Shively explain the distinctive features of how Americans practice democracy—how they vote, translate election results into representation of interests, make policy decisions, enforce laws and maintain justice—and how those practices differ from other democracies throughout the world. The emphasis is always on the American political system, but the search for understanding encourages students to examine how the American system has developed over time (historical context) and how it compares with similar practices in other democracies (comparative context). This combined approach motivates students to understand why politics is relevant to their everyday lives and how they can affect changes and make a difference. Hear author John Maltese talk about key features in the book. Watch now! This title is accompanied by a complete teaching and learning package. Contact your SAGE representative to request a demo. Digital Option / Courseware SAGE Vantage is an intuitive digital platform that delivers this text's content and course materials in a learning experience that offers auto-graded assignments and interactive multimedia tools, all carefully designed to ignite student engagement and drive critical thinking. Updated in a new 11th edition, *Government in America: People, Politics, and Policy*, illustrates the impact that government has on the daily lives of each and every American, particularly its effect on students. Designed around the theme that "politics matters," this descriptive text emphasizes public policy — what government actually does. It contains recent political developments and policy on the global economic recession and addresses President Barack Obama's impact on our current government. The brief edition is a streamlined version of this bestseller.

American Government and Politics Today - Steffen W. Schmidt 2001

American Government - Neal R. Tannahill 2001-06

Known for its extremely student-friendly, jargon-free style, the new edition of Neal Tannahill's text introduces the essentials of American government in a way all students can understand. Public policy is emphasized throughout Tannahill's book to show students the impact that government has on their lives. The text also offers an abundance of active learning exercises to involve and engage all types of students in the course material. The Sixth Edition includes a number of exciting new features and is completely updated through Election 2000 and its aftermath.

We the People - Benjamin Ginsberg 2017
Politics is relevant and participation matters.

American Government and Politics Today - Steffen W. Schmidt 2006-01

In 356 engaging pages, with new engaging features and a great low price as part of the Wadsworth Advantage Series, this brief version of the best selling book for American Government, *AMERICAN GOVERNMENT AND POLITICS TODAY: BRIEF EDITION* 2005-2006

helps students experience the excitement that comes from active, informed citizenship. Praised for its balanced and up-to-the-minute coverage, this book focuses on the fundamentals—the constitutional, governmental, political, social, and economic structures and processes that are the core of American government. Coverage of policy and analysis as well as appendices is also included in this brief text.

American Government - Calvin C. Jillson 2021
"How politics in America works today, how it got that way, and how it's likely to change through reform—these are the themes that pervade every chapter of Cal Jillson's highly lauded *American Government: Political Development and Institutional Change*. Even in the midst of current challenges, America's past is present in all aspects of the contemporary political system. Jillson uses political development and the dynamics of change as a thematic tool to help students understand how politics works now—and how institutions, participation, and policies have evolved over time to produce the contemporary political environment. In addition, Jillson helps students think critically about how American democracy might evolve further, focusing in every chapter on reform and further change. New to the 11th Edition Covers the 2020 elections with up-to-press-time data on both Congress and the Presidency. Assesses the impact of "fake news" in various forums and through various lenses—including news consumer biases, the prejudices and screens citizens bring to their consumption of news, and the purposeful manipulation of the news, whether by foreign actors like the Russians or domestic actors who use similar tactics to disrupt domestic political campaigns. Explores the impacts of COVID-19 and the Black Lives Matter Protests have on both government and constituents' responses to their government. Traces the course and impact of the Trump impeachment process including a new discussion of the 25th Amendment. Asks how our constitutional system of limited government, separation of powers, checks and balances, and the rule of law are holding up under the stresses of the Trump administration—including ongoing instability in the cabinet and administration, the unprecedented exercise of executive privilege and "absolute rights," the politicization of the

federal court system, and the threat of "America First" policies to national and international security. Features In a streamlined presentation, Jillson delivers a concise and engaging narrative to help students understand the complexities and importance of American politics. Along the way, several pedagogical features foster critical thinking and analysis: Key learning objectives at the beginning of every chapter focus students on the central learning objectives. "The Constitution Today" chapter opening vignettes illustrate the importance of conflicting views on constitutional principles. Key terms are defined in the margins on the page where they appear help students study important concepts. Colorful figures and charts help students visualize important information. "Let's Compare" boxes analyze how functions of government and political participation work in other countries--now framed by new critical thinking questions. Reformatted "Pro & Con" boxes bring to life a central debate in each chapter and highlight competing perspectives; new discussion questions in each box prompt students to weigh the different arguments and weigh in. End-of-chapter summaries, suggested readings, and web resources help students master the material and guide them to further critical investigation of important concepts and topics"--

The American Democracy - Thomas Patterson
2012-12-13

In today's climate of hyper-partisanship, blurred lines between political news, analysis, and entertainment, and outrageous comments from the chattering classes, who better than Tom Patterson to provide students with the tools and context to make informed judgments and become skilled political thinkers? Patterson's The American Democracy has long been a best seller for American government courses due to its insightful, readable, and balanced portrayal of the American political system. The 11th edition continues this tradition of excellence while also introducing a new emphasis on political thinking at a time when the partisan divide seemingly could not be wider and unbiased political information is often drowned out by other sources. With expertise in the areas of public opinion, the media, and elections among other areas, Tom Patterson is a voice you can trust to help develop your students critical

thinking skills when it comes to politics and political science. As Patterson notes, "Political thinking takes place within the context of a person's political interests and values, which can lead equally thoughtful individuals to reach opposing opinions on the same issue." If you are looking for learning materials to help ensure your students leave your course among those "thoughtful individuals" that will carry the debate forward in measured and informed ways, The American Democracy is the right choice for you.

Essentials of American Government Karen O'Connor 2013-01-16
