American Headway - Liz Soars 2002-11-01

American Headway is a multilevel series for adults and young adults who want to use American English both accurately and fluently. Grammar and vocabulary are taught and explained thoroughly, and all four language skills are developed systematically. American Headway combines the best of traditional methods with more recent approaches to make the learning of English stimulating, motivating, and effective. American Headway 3 builds on the firm grammatical, lexical, and functional foundation laid in American Headway 1 and 2. Students broaden and deepen their understanding of English and extend their abilities to use it. Both fluency and accuracy are given equal attention at this intermediate level. Key features - Integrated skills work, where all four skills are developed in context - Universal topics selected from a wide variety of material - In-depth treatment of grammar, with clear presentations, self-check exercises in the Grammar Spot, and detailed explanations in the Grammar Reference followed by extensive practice activities - Systematic vocabulary syllabus, including dictionary training and work on systems such as collocation - Pronunciation work, which is integrated at appropriate points - Everyday English section, which practices functional language and social situations

New Headway: Elementary Workbook with Key - John Soars 2012

The world's best-selling English course - a perfectly-balanced syllabus with a strong grammar focus, and full support at all six levels. Headway's trusted methodology combines solid grammar and practice, vocabulary development, and integrated skills with communicative role-plays and personalization. Authentic material from a variety of sources enables students to see new language in context, and a range of comprehension tasks, language and vocabulary exercises, and extension activities practise the four skills. "Everyday English" and "Spoken grammar" sections practise real-world speaking skills, and a writing section for each unit at the back of the book provides models for students to analyse and imitate.
