American History - Alan Brinkley 2006-08-30

Highly respected for its impeccable scholarship and elegant writing style, Alan Brinkley's American History provides students and instructors with a reliable, comprehensive account of the American past in which no single approach or theme predominates. From its first edition, this text has included a scrupulous account of American political and diplomatic history. Today, the book explores areas of history such as social, cultural, urban, racial and ethnic history, the history of the West and South, environmental history, the history of women and gender, and American history in a global context. The twelfth edition of this text includes the McGraw-Hill's hit Primary Source Investigator (PSI) cd-rom, with hundreds of sources and a program that walks students through how to write a paper using those sources as evidence.

The Daily Show (The Book) - Chris Smith 2016-11-22

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Connections - Edward H. Judge 2011

Readers learn about the connections among world societies - from regional to global. *Connections: A World History* is a reader-centered text that focuses on connections within and among world societies. Concise, engaging chapters and a clear narrative make the often overwhelming amount of information in world history accessible to a wide range of readers. A uniquely comprehensive and consistent map program is combined with strong pedagogical support for increased understandability. The authors' focus on connections offers a useful and compelling framework for understanding how and why peoples and societies change over time. Note: MyHistoryLab does not come automatically packaged with this text. To purchase MyHistoryLab, please visit www.MyHistoryLab.com or use ISBN: 9780205216529.

Print in Motion - Carl F. Kaestle 2009

History of the Book in America: Volume 4: Print in Motion: The Expansion of Publishing and Reading in the United States, 1880-1940

American History - Alan Brinkley 2007-02

Private Lives/public Moments: Before 1492 to 1877 - Dominick Cavallo 2009-07-30

A collection of secondary sources that examine the history of the United States by connecting the private lives of its people to the public issues

that have had a major impact on the nation's destiny. The text examines much of what we call "history" as the product of conflict or concord (or some combination of the two) between private aspirations, frustrations, and values on the one side, and public issues, events and policies on the other.

Machine Habitus - Massimo Airoidi 2021-12-13

We commonly think of society as made of and by humans, but with the proliferation of machine learning and AI technologies, this is clearly no longer the case. Billions of automated systems tacitly contribute to the social construction of reality by drawing algorithmic distinctions between the visible and the invisible, the relevant and the irrelevant, the likely and the unlikely - on and beyond platforms. Drawing on the work of Pierre Bourdieu, this book develops an original sociology of algorithms as social agents, actively participating in social life. Through a wide range of examples, Massimo Airoidi shows how society shapes algorithmic code, and how this culture in the code guides the practical behaviour of the code in the culture, shaping society in turn. The 'machine habitus' is the generative mechanism at work throughout myriads of feedback loops linking humans with artificial social agents, in the context of digital infrastructures and pre-digital social structures. *Machine Habitus* will be of great interest to students and scholars in sociology, media and cultural studies, science and technology studies and information technology, and to anyone interested in the growing role of algorithms and AI in our social and cultural life.

Stone Song - Win Blevins 2006-04-04

A Spur Award-winning retelling of the Battle of the Big Horn finds Lakota Sioux leader Crazy Horse endeavoring to reconcile his own beliefs with the wisdom of his tribe and leading his people into a conflict against General Custer and the U.S. Army. Reprint. 15,000 first printing.

Confessions of an Economic Hit Man - John Perkins 2004-11-09

Perkins, a former chief economist at a Boston strategic-consulting firm, confesses he was an "economic hit man" for 10 years, helping U.S. intelligence agencies and multinationals cajole and blackmail foreign leaders into serving U.S. foreign policy and awarding lucrative contracts to American business.

A People's History of the United States - Howard Zinn 2016-02-01

A classic since its original landmark publication in 1980, Howard Zinn's *A People's History of the United States* is the first scholarly work to tell America's story from the bottom up-from the point of view of, and in the words of, America's women, factory workers, African Americans, Native Americans, working poor, and immigrant labourers. From Columbus to the Revolution to slavery and the Civil War-from World War II to the election of George W. Bush and the "War on Terror"-*A People's History of the United States* is an important and necessary contribution to a complete and balanced understanding of American history.

Lies My Teacher Told Me - James W. Loewen 2008

Criticizes the way history is presented in current textbooks, and suggests a more accurate approach to teaching American history.

Building the American Republic, Volume 1 - Harry L. Watson 2018-01-18

"Building the American Republic tells the story of United States with remarkable grace and skill, its fast moving narrative making the nation's struggles and accomplishments new and compelling. Weaving together stories of abroad range of Americans. Volume 1 starts at sea and ends on the field. Beginning with the earliest Americans and the arrival of strangers on the eastern shore, it then moves through colonial society to the fight for independence and the construction of a federal republic. Vol 2 opens as America struggles to regain its footing, reeling from a presidential assassination and facing massive economic growth, rapid demographic change, and combusive politics.

American History, Volume 2 - Thomas S. Kidd 2019-04-01

American History volume 2 gives a wide overview of America's history from the end of the Civil War era, to the political and cultural struggles of contemporary times. Thomas S. Kidd employs lessons learned from his

own scholarly expertise and history classes to weave together a compelling narrative of the defeats and triumphs that have defined the American national experience. Unlike many textbooks of modern American history, religion and faith remain central aspects of the book's coverage, through present-day America. It gives detailed treatment of episodes such as America's military conflicts, the Civil Rights movement, and the culture wars of the past half-century. Professor Kidd also considers the development of America's obsession with entertainment, from the rise of the first movies, to the social media age. American History volume 2 will help students wrestle with the political and cultural changes that have dramatically transformed contemporary American life

Law in American History - G. Edward White 2012-02-20

G. Edward White, a leading legal historian, presents *Law in American History*, a two-volume, comprehensive narrative history of American law from the colonial period to the present. In this first volume, White explores the key turning points in roughly the first half of the American legal system, from the development of order in the colonies, to the signing of the Constitution, to the dissolution of the Union just before the Civil War. Thought-provoking and artfully written, *Law in American History*, Vol. 1 is an essential text for both students of law and general readers alike.

America is the True Old World - Amunhotep Chavis El-Bey 2019-11

The book, "America is the True Old World," is destined to rewrite the history books, because this book demonstrates that the Americas is the Far East, the land of the Bible, and the oldest landmass. This Book discusses the discovery of Mu, Atlantis found, Hyperborea, Ancient India, and Ancient Sumer.

American History: Connecting with the Past - Alan Brinkley 2014-10-08

The latest iteration of Alan Brinkley's American History, a comprehensive U.S. History program, transforms the learning experience through proven, adaptive technology helping students better grasp the issues of the past while providing instructors greater insight on student performance. Known for its clear, single voice and balanced scholarship, Brinkley asks students to think historically about the many forces shaping and re-shaping our dynamic history. 0073513296

Historical Moments: The Civil War through the 20th century - Jim R. McClellan 2000-01

Each chapter in this unique compilation, designed to be informative and thought-provoking, offers an examination of incidents from The Civil War through the 20th Century, important to the development of the American Nation. It features a mix of primary and secondary source materials on approximately 30 selected "moments" in American history. Designed for use in introductory courses in American history, the incidents it covers were chosen both for their historical significance and to present a wide variety of human endeavors. Given the range of topics presented, there should be subjects of special interest to every student, regardless of major.

Thinking Through the Past - John Hollitz 2014-01-01

This reader for the U.S. history survey course gives students the opportunity to apply critical thinking skills to the examination of historical sources, providing pedagogy and background information to help them draw substantive conclusions. The careful organization and the context provided in each chapter make the material accessible for students, thereby assisting instructors in engaging their students in analysis and discussion. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The American Yawp - Joseph L. Locke 2019-01-22

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass* The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and

boardrooms. The fully peer-reviewed edition of *The American Yawp* will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, *The American Yawp* gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

American History, Volume 1 - Thomas S. Kidd 2019-04-01

American History volume 1 surveys the broad sweep of American history from the first Native American societies to the end of the Reconstruction period, following the Civil War. Drawing on a deep range of research and years of classroom teaching experience, Thomas S. Kidd offers students an engaging overview of the first half of American history. The volume features illuminating stories of people from well-known presidents and generals, to lesser-known men and women who struggled under slavery and other forms of oppression to make their place in American life. The role of Christianity in America is central in this book. Americans' faith sometimes inspired awakenings and the search for an equitable society, but at other times it justified violence and inequality. Students will come away from American History volume 1 better prepared to grapple with the challenges presented by the history of America's founding, the problem of slavery, and our nation's political tradition.

Primary History Kingdom of Benin - Fidelia Nimmons 2013-08-27

Primary History Kingdom of Benin (Not to be confused with former Dahomey) has been written to support teachers to meet the requirements of the new National Curriculum Framework for history at Key Stage 2: a non-European society that provides contrasts with British history. It covers all historical aspects of the great kingdom which was at its height between the 14th and 16 centuries. This book is divided into three sections. The first section covers study of palace life; the second section covers growing up experiences of the kingdom's children and of ordinary people. The third section provides numerous and varied historical enquiries activities to improve pupils' knowledge and understanding of historical facts of the great kingdom and help to develop their enquiries skills. This section includes comparison of medieval British and Benin kings. This book incorporates historical sources including African oral traditions of storytelling, wood and terracotta sculptures and reading and analysis of the Benin bronze plaques through which the kings and elders of the kingdom chose to record their history. To keep up with technological advancement and opportunities, a dedicated website has been set up to provide further activities and up to date knowledge and information on the kingdom. A virtual classroom has also been created through which the author can clarify and provide additional support to teachers and pupils as necessary. Details of these websites are below. There are many more resources on the website including videos and photographs with cross curricular activities including ideas for developing writing and word work through drama and role play. This method of learning makes this unit an exciting topic for pupils to study. The kingdom, founded around 40Bc was at its height between the 14th and 16th century when it conquered neighbouring countries on the West African Coast and traded far afield with Europeans and traders from the East. It was sacked by the British in 1897 though the crown was restored in 1914, the king's authority and influence was highly diminished. However, the people's traditions and customs continue to this day. Fidelia Nimmons has a track record of achieving outstanding results with a variety of learners and has written many teaching and learning support books to this aim. Give Me Liberty! An American History - Eric Foner 2016-09-15

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool.

American History in a Box - Julie Roy Jeffrey 2000-07-01

Designed to give a personal view of American history, this title offers written documents, visual materials, material culture artifacts, and maps. In each box, there are 12 tabbed folders, and each folder contains loose facsimiles for students to explore. It also includes a four-page pamphlet that describes the issues and themes of the folders.

Portrait of America - Stephen B. Oates 2010-08-04

PORTRAIT OF AMERICA is an anthology of essays written by some of America's most eminent historians. The collection maintains a loose biographical focus. The essays in this secondary-source reader humanize American history by portraying it as a story of real people with whom students can easily identify. More than 25 percent of the essays in the Tenth Edition are new, many from books that have been nationally and internationally recognized for their insight, accuracy, and timeliness, ensuring that the readings continue to be provocative and trustworthy. Each selection is preceded by an introduction for context, and a helpful glossary identifies important individuals, events, and concepts. Study questions follow each selection, prompting students to make comparisons between the readings.

African American History - Jake Henderson 2015-08-23

Reading Through History is pleased to present African American History: Volume One. This is a collaborative effort by two Oklahoma classroom teachers with over thirty years of teaching experience at the secondary level. It includes 159 pages of student activities related to the major figures and events of African American history from the Middle Passage up to Jackie Robinson's breakthrough in Major League Baseball. The workbook is divided into eight complete units. This is the go-to resource for any teacher in need of information or student reading activities in a U.S. History class, or African American Studies. This resource manual is sure to be a perfect fit for any classroom, whether it be elementary school, middle school, or high school. There are 37 reading lessons in all, and each has several pages of student activities to accompany the reading, including multiple choice questions, guided reading activities, vocabulary exercises, and student response essay questions. Topics include slavery, Harriet Tubman, the Underground Railroad, the Abolitionist Movement, Frederick Douglass, Sojourner Truth, the Emancipation Proclamation, the 13th-15th Amendments, Buffalo Soldiers, Jim Crow Laws, the Harlem Renaissance and many more!

Encyclopedia of Latin American History and Culture: Abad to Casa - Barbara A. Tenenbaum 1996

Strives to organize knowledge of the region. It contains nearly 5,300 separate articles. Most topics appear in English alphabetical order.

American History Connecting with the Past Alan Brinkley 2012

Connecting California - George Gastil 2019-01-04

Connecting California is an innovative reader that illuminates the direct historical connections between the state of California and the United States. Featuring a selection of key documents, essays, and images from the past, the book illustrates California's cultural, political, and economic importance to the development of early and modern America. Literary and transnational themes are explored to create a comprehensive yet reader-friendly learning experience for students. The text progresses chronologically and includes an expansive array of source types designed to appeal to learners of all backgrounds and interests, with topics like food, dress, music, sports, and architecture included alongside more traditional subject matter. The second edition features streamlined information to make the text more accessible and approachable, as well as additional primary documents, and discussion around, California Indians, Spanish-to-Mexican rule, and the Fifteenth Amendment, which granted California voting rights to African Americans and Asian Americans. Appropriate for all levels of U.S. history study, Connecting California offers students a wide spectrum of resources that embody the unique eras, demographics, and geographies of both California and American history.

Brinkley, American History: Connecting with the Past AP Edition ©2015 15e, Student Edition Alan Brinkley 2014-10-07

The new AP* Edition of Alan Brinkley's American History © 2015 fully addresses the newly enhanced AP United States History Curriculum, providing students with guidance and support to master key concepts and themes, develop historical thinking skills, and succeed on the new AP U.S. History Exam. --

The Unfinished Nation - Alan Brinkley 1997

"In *The Unfinished Nation*, Alan Brinkley provides a clear and intelligent account of the American past that strikes a balance between the new diversity in scholarship and the narrative unity that any general history must have. He makes clear that one can incorporate the rich and varied experiences of America's many cultures into a coherent and compelling story and at the same time retain a sense of what ties Americans together as members of a perpetually troubled but remarkably successful nation"--Description from amazon.com.

Connecting with History Companion Reader, Volume 1 - Sonya Romens 2014-06-13

This Companion Reader is a bridge between a textbook and living books. It contains simple articles about cultures, places and events from history in more depth than is found in most textbooks, stories to illustrate themes contained in the *Connecting with History* units, and short historical stories written in a friendly, conversational style about real people and events.

These Truths: A History of the United States - Jill Lepore 2018-09-18

New York Times Bestseller In the most ambitious one-volume American history in decades, award-winning historian and New Yorker writer Jill Lepore offers a magisterial account of the origins and rise of a divided nation, an urgently needed reckoning with the beauty and tragedy of American history. Written in elegiac prose, Lepore's groundbreaking investigation places truth itself—a devotion to facts, proof, and evidence—at the center of the nation's history. The American experiment rests on three ideas—"these truths," Jefferson called them—political equality, natural rights, and the sovereignty of the people. And it rests, too, on a fearless dedication to inquiry, Lepore argues, because self-government depends on it. But has the nation, and democracy itself, delivered on that promise? *These Truths* tells this uniquely American story, beginning in 1492, asking whether the course of events over more than five centuries has proven the nation's truths, or belied them. To answer that question, Lepore traces the intertwined histories of American politics, law, journalism, and technology, from the colonial town meeting to the nineteenth-century party machine, from talk radio to twenty-first-century Internet polls, from Magna Carta to the Patriot Act, from the printing press to Facebook News. Along the way, Lepore's sovereign chronicle is filled with arresting sketches of both well-known and lesser-known Americans, from a parade of presidents and a rogues' gallery of political mischief makers to the intrepid leaders of protest movements, including Frederick Douglass, the famed abolitionist orator; William Jennings Bryan, the three-time presidential candidate and ultimately tragic populist; Pauli Murray, the visionary civil rights strategist; and Phyllis Schlafly, the uncredited architect of modern conservatism. Americans are descended from slaves and slave owners, from conquerors and the conquered, from immigrants and from people who have fought to end immigration. "A nation born in contradiction will fight forever over the meaning of its history," Lepore writes, but engaging in that struggle by studying the past is part of the work of citizenship. "The past is an inheritance, a gift and a burden," *These Truths* observes. "It can't be shirked. There's nothing for it but to get to know it."

A Companion to the History of the Book - Simon Eliot 2011-08-24

A COMPANION TO THE HISTORY OF THE BOOK A COMPANION TO THE HISTORY OF THE BOOK Edited by Simon Eliot and Jonathan Rose "As a stimulating overview of the multidimensional present state of the field, the Companion has no peer." Choice "If you want to understand how cultures come into being, endure, and change, then you need to come to terms with the rich and often surprising history Of the book ... Eliot and Rose have done a fine job. Their volume can be heartily recommended. " Adrian Johns, *Technology and Culture* From the early Sumerian clay tablet through to the emergence of the electronic text, this Companion provides a continuous and coherent account of the history of the book. A team of expert contributors draws on the latest research in order to offer a cogent, transcontinental narrative. Many of them use illustrative examples and case studies of well-known texts, conveying the excitement surrounding this rapidly developing field. The Companion is organized around four distinct approaches to the history of

the book. First, it introduces the variety of methods used by book historians and allied specialists, from the long-established discipline of bibliography to newer IT-based approaches. Next, it provides a broad chronological survey of the forms and content of texts. The third section situates the book in the context of text culture as a whole, while the final section addresses broader issues, such as literacy, copyright, and the future of the book. Contributors to this volume: Michael Albin, Martin Andrews, Rob Banham, Megan L Benton, Michelle P. Brown, Marie-Francoise Cachin, Hortensia Calvo, Charles Chadwyck-Healey, M. T. Clanchy, Stephen Colclough, Patricia Crain, J. S. Edgren, Simon Eliot, John Feather, David Finkelstein, David Greetham, Robert A. Gross, Deana Heath, Lotte Hellinga, T. H. Howard-Hill, Peter Kornicki, Beth Luey, Paul Luna, Russell L. Martin III, Jean-Yves Mollier, Angus Phillips, Eleanor Robson, Cornelia Roemer, Jonathan Rose, Emile G. L. Schrijver, David J. Shaw, Graham Shaw, Claire Squires, Rietje van Vliet, James Wald, Rowan Watson, Alexis Weedon, Adriaan van der Weel, Wayne A. Wiegand, Eva Hemmungs Wirtén.

American Military History, Volume II - 2010

From the Publisher: This latest edition of an official U.S. Government military history classic provides an authoritative historical survey of the organization and accomplishments of the United States Army. This scholarly yet readable book is designed to inculcate an awareness of our nation's military past and to demonstrate that the study of military history is an essential ingredient in leadership development. It is also an essential addition to any personal military history library.

American History - 1987

U. S. History P. Scott Corbett 2017-12-19

Published by OpenStax College, *U.S. History* covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and

students alike. *U.S. History* is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

America Firsthand, Volume I - Anthony Marcus 2011-12-05

This distinctive, class-tested primary source reader tells America's story through the words and other creative expressions of the ordinary and extraordinary Americans who shaped it. Now featuring the contributions of new co-author John M. Giggie, an award-winning teacher and scholar from the University of Alabama, *America Firsthand* offers a remarkable range of first-person perspectives that bring the past vividly to life — from an African American minister's message of racial liberation, to the prison notes of suffragists, to a writer's recollections of Sputnik. "Points of View" sections provide varied vantage points on important topics, and "Visual Portfolios" draw students into interpreting the visual record. This carefully crafted, ready-to-go collection saves instructors time and effort in finding consistently engaging and informative sources.

American History - Alan Brinkley 2011-06-01

Alan Brinkley's *American History* sets the standard for balance of perspective and the exploration of ongoing historical questions. In this AP edition, we are pleased to announce a number of firsts for *American History*: a new primary-source feature that makes connections between the present and the past; a new pedagogy program that helps students to comprehend and think critically about content; and a groundbreaking set of digital tools, powered by Connect; that create a unique learning environment. The result is greater course success. Connect to the stories, connect to the experience, connect to success in history. - Back cover.
