[Devil in Ohio](#) - Daria Polatin 2017-11-07

"Devil in Ohio kept me up until 3 a.m. with the lights on—in a good way. It's a haunting thriller for readers who like fear, humor, and heart in one package."—Meredith Goldstein, advice columnist and feature reporter for The Boston Globe, author of upcoming YA novel Chemistry Lessons. "Gripping, urgent and addictive, Devil in Ohio balances the dark exploration of cults with a compelling and often humorous take on teen social dynamics. This is the debut you won't want to miss."—Aditi Khorana, author of critically acclaimed The Library of Fates and Mirror in the Sky When fifteen-year-old Jules Mathis comes home from school to find a strange girl sitting in her kitchen, her psychiatrist mother reveals that Mae is one of her patients at the hospital and will be staying with their family for a few days. But soon Mae is

wearing Jules's clothes, sleeping in her bedroom, edging her out of her position on the school paper, and flirting with Jules's crush. And Mae has no intention of leaving. Then things get weird. Jules walks in on a half-dressed Mae, startled to see: a pentagram carved into Mae's back. Jules pieces together clues and discovers that Mae is a survivor of the strange cult that's embedded in a nearby town. And the cult will stop at nothing to get Mae back.

The Wilsonian Century - Frank Ninkovich
1999

For most of this century, American foreign policy was guided by a set of assumptions that were formulated during World War I by President Woodrow Wilson. In this incisive reexamination, Frank Ninkovich argues that the Wilsonian outlook, far from being a crusading, idealistic doctrine, was reactive, practical, and grounded in fear. Wilson and his successors believed it absolutely essential to guard against world war or global domination, with the underlying aim of safeguarding and nurturing political harmony and commercial cooperation among the great powers. As the world entered a period of unprecedented turbulence, Wilsonianism became a "crisis internationalism" dedicated to preserving the benign vision of "normal internationalism" with which the United States entered the twentieth century. In the process of describing Wilson's legacy, Ninkovich reinterprets most of the twentieth century's main foreign policy developments. He views the 1920s, for example, not as an isolationist period but as a reversion to Taft's Dollar Diplomacy. The Cold War, with its faraway military

interventions, illustrates Wilsonian America's preoccupation with achieving a cohesive world opinion and its abandonment of traditional, regional conceptions of national interest. The Wilsonian Century offers a striking alternative to traditional interest-based interpretations of U.S. foreign policy. In revising the usual view of Wilson's contribution, Ninkovich shows the extraordinary degree to which Wilsonian ideas guided American policy through a century of conflict and tension. "[A] succinct but sweeping survey of American foreign relations from Theodore Roosevelt to Bill Clinton. . . . [A] thought-provoking book."—Richard V. Damms, *History* "[W]orthy of sharing shelf space with George F. Kennan, William Appleman Williams, and other major foreign policy theorists."—*Library Journal*

The Bitter Cry of the Children - John Spargo 1906

The Promise of American Life - Herbert David Croly 1914

The Influence of Sea Power Upon History, 1660-1783 - Alfred Thayer Mahan 1918

Today, war is more complicated than it has ever been. When considering military strategy, a commander must be aware of several theaters of war. There's ground strength, air power, naval combat and even cyber warfare. In the late 19th century, however, the true military might of a nation rested primarily on the strength of its navy. In 1890, United States Navy Captain Alfred Thayer Mahan published a book titled "The Influence of Sea Power Upon History." The monumental text addressed the importance of both military and commercial fleets in the success of a nation in war and peacetime. Mahan begins with a discussion of the elements he considers to be the key to a nation's success on the seas. He theorizes that a ground force could not sustain the pressure of a naval blockade. Mahan then applies his principles to wars of the past. He analyzes the use of a navy in various engagements and considers the resulting influence on the outcome of the wars. The book was readily accepted by commanders and tacticians all over the world and his principles and theories were utilized throughout the 20th century. His arguments, along with technological advances, were influential in the strengthening of the United States Navy. Presently, Mahan's work is considered the most important work on naval strategy in history.
The Treason of the Senat David Graham Phillips 2012-07-01

[To Kill a Mockingbird](#) - aBookaDay 2016-07-27

Warning: This is an independent addition to Luckiest Girl Alive, meant to enhance your experience of the original book. If you have not yet bought the original copy, make sure to purchase it before buying this unofficial summary from aBookaDay. Scout gives voice to every social circle in Maycomb through her story, as the little witness who sees all the comings and goings in the town. Together with Jem, she is her father's watcher, inspiring Atticus Finch to commit all his greatest efforts to the Tom Robinson case, so he can show his children what it means to fight a losing battle.

She is the teller of her brother's secrets, letting readers look in on the changing morality and maturation of a young person growing up in a southern town in 1935, giving an insight into what the adults of Maycomb will look like fifteen years later. With her childlike spite and surprising wit, we can trust Scout Finch to tell the whole truth and nothing but. The lessons of *To Kill a Mockingbird* are for Atticus Finch to teach and for us, through his littlest daughter's eyes, to learn. Available on PC, Mac, smart phone, tablet or Kindle device. Unbroken - Laura Hillenbrand 2014-07-29
#1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE • Look for special features inside. Join the Random House Reader's Circle for author chats and more. In boyhood, Louis Zamperini was an incorrigible delinquent. As a teenager, he channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when World War II began, the athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance,

Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. Appearing in paperback for the first time—with twenty arresting new photos and an extensive Q&A with the author—*Unbroken* is an unforgettable testament to the resilience of the human mind, body, and spirit, brought vividly to life by Seabiscuit author Laura Hillenbrand. Hailed as the top nonfiction book of the year by Time magazine • Winner of the Los Angeles Times Book Prize for biography and the Indies Choice Adult Nonfiction Book of the Year award “Extraordinarily moving . . . a powerfully drawn survival epic.”—The Wall Street Journal “[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurby adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring.”—New York “Staggering . . . mesmerizing . . . Hillenbrand’s writing is so ferociously cinematic, the events she describes so incredible, you don’t dare take your eyes off the page.”—People “A meticulous, soaring and beautifully written account of an extraordinary life.”—The Washington Post “Ambitious and powerful . . . a startling narrative and an inspirational book.”—The New York Times Book Review “Magnificent . . . incredible . . . [Hillenbrand] has crafted another masterful blend of sports, history and overcoming terrific odds; this is biography taken to the nth degree, a chronicle of a remarkable life lived through extraordinary times.”—The Dallas Morning News “An astonishing testament to the superhuman power of tenacity.”—Entertainment Weekly “A tale of triumph and redemption . . . astonishingly detailed.”—O: The Oprah Magazine “[A] masterfully told true story . . . nothing less than a marvel.”—Washingtonian “[Hillenbrand tells this] story with cool elegance but at a thrilling sprinter’s pace.”—Time “Hillenbrand [is] one of our best writers of narrative history. You don’t have to be a sports fan or a war-history buff to devour this book—you just have to love great storytelling.”—Rebecca Skloot, author of *The Immortal Life of Henrietta Lacks*

Compares the presidencies and accomplishments of Wilson and Roosevelt

To Kill a Mockingbird - Harper Lee

2014-07-08

Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

U.S. History - P. Scott Corbett 2017-12-19

Published by OpenStax College, *U.S. History* covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. *U.S. History* is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Teaching What Really Happened - James W. Loewen 2018-09-07

“Should be in the hands of every history teacher in the country.”— Howard Zinn James Loewen has revised *Teaching What Really Happened*, the

bestselling, go-to resource for social studies and history teachers wishing to break away from standard textbook retellings of the past. In addition to updating the scholarship and anecdotes throughout, the second edition features a timely new chapter entitled “Truth” that addresses how traditional and social media can distort current events and the historical record. Helping students understand what really happened in the past will empower them to use history as a tool to argue for better policies in the present. Our society needs engaged citizens now more than ever, and this book offers teachers concrete ideas for getting students excited about history while also teaching them to read critically. It will specifically help teachers and students tackle important content areas, including Eurocentrism, the American Indian experience, and slavery. Book Features: An up-to-date assessment of the potential and pitfalls of U.S. and world history education. Information to help teachers expect, and get, good performance from students of all racial, ethnic, and socioeconomic backgrounds. Strategies for incorporating project-oriented self-learning, having students conduct online historical research, and teaching historiography. Ideas from teachers across the country who are empowering students by teaching what really happened. Specific chapters dedicated to five content topics usually taught poorly in today’s schools.

America on the World Stage - Organization of American Historians 2008

A fresh perspective on United States history, emphasizing a global context

American Pageant - David M. Kennedy 2015-01-01

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, “Contending Voices,” offers paired

quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis.

Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1–41); Volume 1: To 1877 (Chapters 1–22); Volume 2: Since 1865 (Chapters 22–41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Handmaid's Tale - Margaret Atwood
2011-09-06

An instant classic and eerily prescient cultural phenomenon, from “the patron saint of feminist dystopian fiction” (New York Times). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate “Handmaids” under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred’s persistent memories of life in the “time before” and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood’s devastating irony, wit, and acute perceptive powers in full force, The Handmaid’s Tale is at once a mordant satire and a dire warning.

A Century of Dishonor - Helen Hunt Jackson
1881

The American Pageant - Thomas Andrew Bailey 1998

USAs historie indtil 1996

The Resettlement Administration - United States. Farm Security Administration 1935

Our Country - Josiah Strong 1885

Out of Many - John Mack Faragher 2012
Out of Many is a coherent narrative of American

history that offers insight into how diverse communities and different regions have shaped America's past. The text reveals the ethnic, geographical and economic diversity of the United States by examining the individual, the community and the state and placing a special focus on the country's regions, particularly the West. The updated edition features new and expanded coverage of a wide variety of topics in addition to MyHistoryLab tools that connect the text to interactive online learning tools to bring U.S. history to life.

American History - 1987

World Civilizations - Peter N. Stearns 2007
With 83 additional outline and four-color maps, World Civilizations: The Global Experience, Fifth Edition, Atlas Edition, helps students with geography, one of the most difficult aspects of World history courses for many. The maps are accompanied by review questions that call on students to identify important geographical areas and think critically about the connection between geography and historical events. The maps are on perforated pages and are organized by chapter so that they can be assigned easily and collected. The primary goal of World Civilizations is to present a truly global history—since the development of agriculture and herding to the present. Using a unique periodization, this book divides the main periods of human history according to changes in the nature and extent of global contacts. This global world history text emphasizes the major stages in the interactions among different peoples and societies, while also assessing the development of major societies. Presenting social and cultural as well as political and economic aspects, the book examines key civilizations in world history. World Civilizations balances this discussion of independent developments in the world's major civilizations with comparative analysis of the results of global contact.

A Lesson Before Dying - Ernest J. Gaines
2004-01-20

NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • A deep and compassionate novel about a young man who returns to 1940s Cajun country to visit a black youth on death row for a crime he didn't commit. Together they come to understand the heroism of resisting. A “majestic,

moving novel ... an instant classic, a book that will be read, discussed and taught beyond the rest of our lives" (Chicago Tribune), from the critically acclaimed author of *A Gathering of Old Men* and *The Autobiography of Miss Jane Pittman*.

Give Me Liberty! An American History -

Foner, Eric 2013-10-15

Clear, concise, integrated, and up-to-date, *Give Me Liberty!* is a proven success with teachers and students. Eric Foner pulls the pieces of the past together into a cohesive picture, using the theme of freedom throughout. The Fourth Edition features stronger coverage of American religion and a reinforced pedagogical program aimed at fostering effective reading and study skills. The Seagull Edition includes the full text of the regular edition in a compact volume, for an affordable price.

The American Yawp - Joseph L. Locke

2019-01-22

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass* *The American Yawp* is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual

voices. *The Yawp* highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, *The American Yawp* incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of *The American Yawp* will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. *The American Yawp* traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, *The American Yawp* gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

[Following the Color Line](#) - Ray Stannard Baker
1908

This volume contains a study on the living conditions for African Americans in the United States in the first decade of the 1900s.
