World History Shorts 2 - Kristina M. Swann 2006-01-01

Includes 30 one-page "shorts" about key events in world history, reproducible activity sheets, map, graph, and chart activities, extension activities, and assessments.

Illustrated American Crossword Puzzles - John F. Chabot 2002-01

This is a reproducible book of crossword puzzles about the United States. The book is divided into ten thematic units. Topics for the units are state names (2 units), state capitals (2 units), presidents (2 units), symbols, landmarks, events and famous people. Each unit has nine puzzles. The students are first given a sentence with the vocabulary word in it. These same sentences, with the vocabulary word removed and replaced by a blank, become the clues used in the crossword puzzles. After studying the written clues a visual clue is introduced.

America from Apple Pie to Ziegfeld Follies - Kirk Schriefer 1996

America From Apple Pie to Ziegfeld Follies is a four book series of reproducible low level ESL/EFL/Literacy reading and discussion texts. Each unit examines an element of the American experience that will genuinely interest and inform not only immigrants to the United States but also learners abroad who want to know more about the people, history, geography and culture of this great nation. Although the passages are limited to an elementary level of language difficulty, their style remains vivid and authentic. Readers will be inspired by the courage of Harriet Tubman, awed by the beauty of the Grand Canyon, fascinated by the work of the F.B.I., and shocked by the events surrounding Watergate.

The Civil War Crossword - Jennifer L. Gross 2004-04-01

Civil War History Crossword Puzzles - Grab a Pencil Press 2013-01-01

Three million Americans fought during the Civil War. Six hundred thousand were killed or wounded. Learn about the war that tore a nation in two, the events leading up to it, the generals who fought it, and the country that will never forget it. Twelve puzzles are dedicated to the people and places that defined our nation's most costly war.

The American Revolution for Kids - Janis Herbert 2002-09-01

Heroes, traitors, and great thinkers come to life in this activity book, and the concepts of freedom and democracy are celebrated in true accounts of the distinguished officers, wise delegates, rugged riflemen,

and hardworking farm wives and children who created the new nation. This collection tells the story of the Revolution, from the hated Stamp Act and the Boston Tea Party to the British surrender at Yorktown and the creation of the United States Constitution. All American students are required to study the Revolution and the Constitution, and these 21 activities make it fun and memorable. Kids create a fringed hunting shirt and a tricorne hat and reenact the Battle of Cowpens. They will learn how to make their voices heard in &"I Protest&" and how Congress works in &"There Ought to Be a Law.&" A final selection including the Declaration of Independence, a glossary, biographies, and pertinent Web sites makes this book a valuable resource for both students and teachers.

The First Conspiracy - Brad Meltzer 2019-01-08

Taking place during the most critical period of our nation's birth, The First Conspiracy tells a remarkable and previously untold piece of American history that not only reveals George Washington's character, but also illuminates the origins of America's counterintelligence movement that led to the modern day CIA. In 1776, an elite group of soldiers were handpicked to serve as George Washington's bodyguards. Washington trusted them; relied on them. But unbeknownst to Washington, some of them were part of a treasonous plan. In the months leading up to the Revolutionary War, these traitorous soldiers, along with the Governor of New York, William Tryon, and Mayor David Mathews, launched a deadly plot against the most important member of the military: George Washington himself. This is the story of the secret plot and how it was revealed. It is a story of leaders, liars, counterfeiters, and jailhouse confessors. It also shows just how hard the battle was for George Washington and how close America was to losing the Revolutionary War. In this historical page-turner, New York Times bestselling author Brad Meltzer teams up with American history writer and documentary television producer, Josh Mensch to unravel the shocking true story behind what has previously been a footnote in the pages of history. Drawing on extensive research, Meltzer and Mensch capture in riveting detail how George Washington not only defeated the most powerful military force in the world, but also uncovered the secret plot against him in the tumultuous days leading up to July 4, 1776. Praise for The First Conspiracy: "This is American history at its finest, a gripping story of spies, killers, counterfeiters, traitors?and a mysterious prostitute who may or may not have even existed. Anyone with an interest in American history will love this book." —Douglas Preston, #1 bestselling author of The Lost City of the Monkey God "A wonderful book about leadership?and it shows why George Washington and his moral lessons are just as vital today. What a book. You'll love it." —President George H.W. Bush "This is an important book: a fascinating largely unknown chapter of our hazardous beginning, a reminder of why counterintelligence matters, and a great read." —President Bill Clinton

What Is the Declaration of Independence? Michael C. Harris 2016-05-10

Step back in time to the birth of the United States of America and meet the real-life rebels who made this country free! On a hot summer day near Philadelphia in 1776, Thomas Jefferson sat at his desk and wrote furiously until early the next morning. He was drafting the Declaration of Independence, a document that would sever this country's ties with Britain and announce a new nation—The United States of America. Colonists were willing to risk their lives for freedom, and the Declaration of Independence made that official. Discover the true story of one of the most radical and uplifting documents in history and follow the action that fueled the Revolutionary War.

Correcting Reading Problems in the Classroom Bernard Smith 1972

Independence Lost - Kathleen DuVal 2016-04-12

A rising-star historian offers a significant new global perspective on the Revolutionary War with the story of the conflict as seen through the eyes of the outsiders of colonial society Winner of the Journal of the American Revolution Book of the Year Award • Winner of the Society of the Cincinnati in the State of New Jersey History Prize • Finalist for the George Washington Book Prize Over the last decade, award-winning historian Kathleen DuVal has revitalized the study of early America's marginalized voices. Now, in Independence Lost, she recounts an untold story as rich and significant as that of the Founding Fathers: the history of the Revolutionary Era as experienced by slaves, American Indians, women, and British loyalists living on Florida's Gulf Coast. While citizens of the thirteen rebelling colonies came to blows with the British Empire over tariffs and parliamentary representation, the situation on the rest of the continent was even more fraught. In the Gulf of Mexico, Spanish forces clashed with Britain's strained army to carve up the Gulf Coast, as both sides competed for allegiances with the powerful Chickasaw, Choctaw, and Creek nations who inhabited the region. Meanwhile, African American slaves had little control over their own lives, but some individuals found opportunities to expand their freedoms during the war. Independence Lost reveals that individual motives counted as much as the ideals of liberty and freedom the Founders espoused: Independence had a personal as well as national meaning, and the choices made by people living outside the colonies were of critical importance to the war's outcome. DuVal introduces us to the Mobile slave Petit Jean, who organized militias to fight the British at sea; the Chickasaw diplomat Payamataha, who worked to keep his people out of war; New Orleans merchant Oliver Pollock and his wife, Margaret O'Brien Pollock, who risked their own wealth to organize funds and garner Spanish support for the American Revolution; the half-Scottish-Creek leader Alexander McGillivray, who fought to protect indigenous interests from European imperial encroachment; the Cajun refugee Amand Broussard, who spent a lifetime in conflict with the British; and Scottish loyalists James and Isabella Bruce, whose work on behalf of the British Empire placed them in grave danger. Their lives illuminate the fateful events that took place along the Gulf of Mexico and, in the process, changed the history of North America itself. Adding new depth and moral complexity, Kathleen DuVal reinvigorates the story of the American Revolution. Independence Lost is a bold work that fully establishes the reputation of a historian who is already regarded as one of her generation's best. Praise for Independence Lost "[An] astonishing story . . . Independence Lost will knock your socks off. To read [this book] is to see that the task of recovering the entire American Revolution has barely begun."—The New York Times Book Review "A richly documented and compelling account."—The Wall Street Journal "A remarkable, necessary—and entirely new—book about the American Revolution."—The Daily Beast "A completely new take on the American Revolution, rife with pathos, double-dealing, and intrigue."—Elizabeth A. Fenn, Pulitzer Prize-winning author of Encounters at the Heart of the World

Founding Brothers - Joseph J. Ellis 2002-02-05

PULITZER PRIZE WINNER • NATIONAL BESTSELLER • A landmark work of history explores how a group of greatly gifted but deeply flawed individuals—Hamilton, Burr, Jefferson, Franklin, Washington, Adams, and Madison—confronted the overwhelming challenges before them to set the course for our nation. “A splendid book—humane, learned, written with flair and radiant with a calm intelligence and wit.” —The New York Times Book Review The United States was more a fragile hope than a reality in 1790. During the decade that followed, the Founding Fathers—re-examined here as Founding Brothers—combined the ideals of the Declaration of Independence with the content of the Constitution to create the practical workings of our government. Through an analysis of six fascinating episodes—Hamilton and Burr's deadly duel, Washington's precedent-setting Farewell Address, Adams' administration and political partnership with his wife, the debate about where to place the capital, Franklin's attempt to force Congress to confront the issue of slavery and Madison's attempts to block him, and Jefferson and Adams' famous correspondence—Founding Brothers brings to life the vital issues and personalities from the most important decade in our nation's history.

Common Sense - Thomas Paine 2015-06-30

Throughout history, some books have changed the world. They have transformed the way we see ourselves—and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives—and destroyed them. Now, Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization, and helped make us who we are. Penguin's Great Ideas series features twelve groundbreaking works by some of history's most prodigious thinkers, and each volume is beautifully packaged with a unique type-drive design that highlights the bookmaker's art. Offering great literature in great packages at great prices, this series is ideal for those readers who want to explore and savor the Great Ideas that have shaped the world.

Published anonymously in 1776, six months before the Declaration of Independence, Thomas Paine's *Common Sense* was a radical and impassioned call for America to free itself from British rule and set up an independent republican government. Savagely attacking hereditary kingship and aristocratic institutions, Paine urged a new beginning for his adopted country in which personal freedom and social equality would be upheld and economic and cultural progress encouraged. His pamphlet was the first to speak directly to a mass audience—it went through fifty-six editions within a year of publication—and its assertive and often caustic style both embodied the democratic spirit he advocated, and converted thousands of citizens to the cause of American independence.
