Daniel - Todd Wilson 2015-06-15

The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week study lead participants through books of the Bible and are made up of four basic components: (1) Reflection questions help readers engage the text at a deeper level; (2)

Downloaded from [besquare.me](https://besquare.me) on by guest

“Gospel Glimpses” highlight the gospel of grace throughout the book; (3) “Whole-Bible Connections” show how any given passage connects to the Bible’s overarching story of redemption, culminating in Christ; and (4) “Theological Soundings” identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God’s grace on each and every page of the Bible. The book of Daniel has all the makings of a great story: memorable characters, cliff-hanging moments, and incredible visions. Yet we miss the point if we pay more attention to Daniel’s story than we pay to Daniel’s God. In this helpful study, readers will see how this fascinating biblical book ultimately points to the sovereign Lord of history, who rules over all earthly kingdoms and whose plans cannot be thwarted.

### **The Watchers in Jewish and Christian**

**Traditions** - Angela Kim Harkins 2014-02-01

Leading scholars explore the tradition, rooted in Genesis 6, of “the Watchers,” mysterious heavenly beings who became the focus of rich cosmological and theological speculation in early Judaism. Chapters trace the development of the Watchers through the Enoch literature, Jubilees, and other early Jewish and Christian writings.

The Moody Handbook of Messianic Prophecy - Michael Rydelnik 2019-10-10

The ultimate, all-in-one resource on what the Old Testament says about Jesus As Jesus walked the Emmaeus road, he showed his companions how the whole of Scripture foretold his coming. Yet so often today we're not quite sure how to talk about Jesus in the Old Testament. How do you know what applies to Jesus? And how do you interpret some of the strange prophetic language? Get answers and clarity in this authoritative and reliable guide to messianic prophecy from some of the world's foremost

evangelical Old Testament scholars. In this in-depth, user-friendly one volume resource you get: -essays from scholars on the big ideas and major themes surrounding Messianic prophecy - A clear and careful commentary on every passage in the Old Testament considered Messianic -Insights into the original Hebrew and helpful analysis of theological implications Watch the Scriptures come into full color as you see new meaning in familiar passages and further appreciate God's masterful handiwork in preparing the way for Jesus, the long-awaited Messiah.

**Daniel** - Ernest C. Lucas 2002-09-16

Ernest C. Lucas identifies the central theme of the book of Daniel as the sovereignty of the God of Israel. With even-handedness and clarity, he demonstrates that there is much in Daniel that is readily understandable and applicable, and that there are also theological depths that are rewarding for those willing to wrestle with the issues they raise.

**The Message of Daniel** - Dale Ralph Davis 2013-06-14

From former pastor and professor Dale Ralph Davis, this replacement volume in the Bible Speaks Today Old Testament commentary series offers a reliable exposition of the visionary book of Daniel for pastors and lay commentary readers. Explaining the background to Daniel, he sifts through interpretive issues and then offers

a faithful exposition of the book's message.  
*Darius the Mede* Steven David Anderson  
2014-09-24

A revision of the author's May 2014 Ph.D. dissertation from Dallas Theological Seminary  
**Evangelical Exegetical Commentary: Daniel**  
- J. Paul Tanner 2020-02-05

In this volume from the Evangelical Exegetical Commentary, Paul Tanner argues that the book of Daniel is the Old Testament blueprint of the Bible's overarching eschatological narrative. Tanner examines key aspects of the book of Daniel such as the revelation of Israel's future in relation to gentile kingdoms, God's exaltation of Daniel as a channel through whom he reveals his will and God's sovereign control of the nations under whom Israel is being disciplined. Tanner provides exegetical insight to help readers better understand not only how God worked in Israel's history through Daniel, but how he sovereignly directs all of world history - for all time.

## **Hebrew Syntax** - J Paul Tanner 2020-09-22

This work on Hebrew Syntax is designed as a practical quick-reference manual for students moving from the study of elementary Hebrew grammar to that of Hebrew syntax and exegesis. This manual provides an easily accessible list of syntactical options for verbs, participles, nouns, and clauses. Each syntactical option is carefully illustrated. In addition, three helpful supplements are provided to assist those engaged in the task of exegesis. The first covers the most commonly encountered figures of speech. The second provides a complete list of signs and symbols appearing in the text-critical apparatus of the Hebrew Bible. The third provides a comprehensive list of Latin words and abbreviations appearing in the text-critical apparatus. With this manual in hand, the student has the basic tools in hand necessary for understanding Hebrew syntax and doing serious exegesis in the Hebrew Bible. The author holds a PhD in Hebrew studies from the Univ of Texas at

Austin and has taught Hebrew language and exegetical courses for nearly forty years. He is also the author of the in-depth commentary on the Book of Daniel for the Evangelical Exegetical Commentary series.

**Daniel: Many Visions, One Prophecy** - Steven Ortlepp

## Exodus 19-40: Evangelical Exegetical Commentary - Eugene Carpenter 2017-01-25

In the book of Exodus, the promises to the patriarchs begin to see their fulfillment: Yahweh takes a people for himself and dwells among them. He is not a distant deity, but a God who speaks and acts to deliver his people from oppression. In this two-volume commentary, Eugene Carpenter interacts with the Hebrew text to trace these and other important themes through Exodus. He also discusses how key theological concepts of Exodus continue throughout the Bible and offers suggestions for applying the message of the book to modern-day

readers. About the Evangelical Exegetical Commentary Series: The Evangelical Exegetical Commentary series incorporates the latest in critical biblical scholarship and is written from a distinctly evangelical perspective. Each comprehensive volume combines historical and literary explanations with insights for understanding the text within the Bible's larger story and applying it to everyday life.

*Chronological Aspects of the Life of -Christ*

Harold W. Hoehner 2010-08-10

"Jesus Christ entered into the history of our world. Christianity, therefore, has historical basis. The backbone of history is chronology. Whereas history is a systematic account of events in relation to a nation, institution, science, or art; chronology is a science of time. It seeks to establish and arrange the dates of past events in their proper sequence. Thus chronology serves as a necessary framework upon which the events of history must be fitted. In this book (the author) attempts to establish

certain fixed dates in our Lord's life." - Dr. Harold W. Hoehner. Dr. Hoehner has gathered a vast amount of data, both from Scripture and extrabiblical sources, to support his conclusions concerning key dates in the life of our Lord, among them: - The Date of Christ's Birth - The Commencement of Christ's Ministry - The Duration of Christ's Ministry - The Year of Christ's Crucifixion He carefully documents his position and compares the date available--including a study of Greek words, Roman law, and Jewish customs and prophecy.

[A Defense of Free Grace Theology](#) - Fred Chay  
Ph D 2017-11-06

David R. Anderson, Ph.D. (President, Grace School of Theology) Fred Chay, Ph.D. (Professor of Theology, Grace School of Theology) Joseph Dillow, Th.D. (Retired President, BEE World) J. Paul Tanner, Th.M., Ph.D. (Middle East Director, BEE World) Ken Wilson, M.D. (D. Phil., University of Oxford, Patristics) "The Free Grace movement has been accused by some within the

Reformed tradition of being new or novel and diminishing the gospel. Is that a fair characterization? A Defense of Free Grace Theology is a scholarly yet irenic response to the overextended criticism of Grudem and others of Free Grace theology by five of its leading scholars. The nature of faith and its relationship to assurance is a crucial issue in theology and practice. Here is a work of clarity and charity that not only addresses the concerns of the critics but outlines a robust theology of Salvation solidly built on a biblical foundation. For all of us who are concerned about the gospel, this is a must read." David L. Allen, Ph.D. Dean and Distinguished Professor of Preaching Southwestern Baptist Theological Seminary Today there are many theological issues and arguments concerning a variety of significant theological topics. However, the topic of, and biblical evidence for, soteriology is perhaps the most important issue of the day or for any day. Although evangelicals do agree salvation is by

grace alone through faith alone in Christ alone, they do not always agree on some of the implications and consequences. A Defense of Free Grace Theology is a rejoinder to Dr. Wayne Grudem's critique of Free Grace Theology and a response to other Reformed theologians' articulations and conclusions. The contributors to this book seek to biblically describe and defend a true Grace Theology and answer the deficiencies and criticisms that have been expressed.

The Coming Prince - Robert Anderson  
2007-04-01

He was one of the most popular lay preachers and Christian apologists of his day: Sir Robert Anderson devoutly believed that the Bible was the inerrant word of God, and in this popular 1881 book-a companion to his Daniel in the Critics' Den-he mounts a defense of the prophetic Old Testament Book of Daniel, an early example of apocalyptic philosophy in Christianity. Students of the Bible will

appreciate this historically valuable attempt to set straight the many controversies surrounding Daniel regarding its authorship and even the date of its writing. And anyone interested in the apocalyptic fervor of modern-day fundamentalist Christianity will find this an instructive and enlightening read. While at Scotland Yard, Irish police official and religious scholar SIR ROBERT ANDERSON (1841-1918) helped investigate the Jack the Ripper murders, but he is best remembered for his works of Bible study, including *Forgotten Truths* and *The Silence of God*.

Official Army and Air Force Register - United States. Adjutant-General's Office 1958

**The Cultic Motif in the Book of Daniel** - Winfried Vogel 2010

This unique study of the theology of the book of Daniel examines the cultic motif within the book as it relates to space and time. Numerous references and allusions to cult are investigated

with linguistic, literary, and contextual analyses. The findings are then related to the main theological themes of the book such as judgment, eschatology, kingdom, and worship. It is evident that the idea of cult plays a dominant role in Daniel, and that it demonstrates the intention of the author to present the issue of conflict of two opposing systems of cult and worship. For all who are interested in an exegesis of Daniel that pays dutiful attention to the theology of Daniel, *The Cultic Motif in the Book of Daniel* is a must-read.

**2300 Days of Hell** - Joseph F. Dumond  
2014-09-16

**Dürer and Beyond** - Stijn Alsteens 2012

"This exhibition is the first to offer an extensive overview of the Museum's holdings of early Central European drawings, many of which were acquired in the last two decades. An emphasis on works by later sixteenth- and seventeenth-century artists is balanced by a selection of

German drawings from the fifteenth and earlier sixteenth century, of which some of the most exceptional ones--including works by Albrecht Deurer--entered the Museum with The Robert Lehman Collection in 1975."--Publisher's website.
