

Dear Client Tax Goddess

This is likewise one of the factors by obtaining the soft documents of this **dear client tax goddess** by online. You might not require more period to spend to go to the book creation as well as search for them. In some cases, you likewise get not discover the statement dear client tax goddess that you are looking for. It will no question squander the time.

However below, later than you visit this web page, it will be correspondingly enormously simple to get as competently as download guide dear client tax goddess

It will not receive many era as we accustom before. You can pull off it though conduct yourself something else at home and even in your workplace. appropriately easy! So, are you question? Just exercise just what we give under as without difficulty as review **dear client tax goddess** what you considering to read!

The Claudia Seferius Mysteries, Bundle #4 - Marilyn Todd 2015-11-17
In these three historical mysteries, the widow Claudia proves to be a “spunky and independent sleuth” amid the decadent mayhem of Ancient Rome (Publishers Weekly).
Second Act As Saturnalia approaches, widow Claudia Seferius opens her estate to a

traveling troupe of actors. What she doesn’t know is that a murderer hides among them. But the Gravedigger isn’t the only dangerous act in town. Roman investigator Marcus Orbilio needs Claudia to help him find the vicious Saturnalia Rapist—a criminal he thought he’d put to death years ago . . .
Widow’s Pique When the King of Histria invites Claudia to

visit, the widowed wine merchant assumes he wants to talk business. But she soon finds herself a virtual prisoner in a land where brutality is the norm. And where is he? If the king was so desperate to meet, why will no one take her to the palace? And why, when she witnesses a murder, does no one believe her? Stone Cold Claudia was just ten when her father went to war and never returned. Now it's time to uncover the truth about his disappearance. Her search takes her to the forests of Gaul, where Druid Law rules and human sacrifice is still practiced in secret. Claudia notices that several young women have gone missing, and while suspicion falls on a mysterious character who lives in the woods, she isn't convinced. Nor has it escaped her that each victim is an unblemished beauty . . . just like Claudia.

Pre-Incident Indicators of Terrorist Incidents - Brent L. Smith 2011-01

This is a print on demand edition of a hard to find

publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

Here Lies Arthur - Philip Reeve 2015-01-06

A brilliantly inventive re-creation of the King Arthur tale by master storyteller Philip

Reeve. Welcome to the dark side of Camelot. Gwynna is just a girl who is forced to run when her village is attacked and burns to the ground. To her horror, she is discovered, but it is Myrddin the bard, a traveler and spinner of tales, who has found her. He agrees to protect Gwynna if she will agree to be bound in service to him. Gwynna is frightened but intrigued, for this Myrddin serves the young, rough, and powerful Arthur. In the course of their travels, Myrddin transforms Gwynna into the mysterious Lady of the Lake, a boy warrior, and a spy. It is part of a plot to transform Arthur from the leader of a ragtag war-band into King Arthur, the greatest hero of all time. If Gwynna and Myrddin's trickery is discovered, what will become of Gwynna? Worse, what will become of Arthur? Only the endless battling, the mighty belief of men, and the sheer cunning of one remarkable girl will tell.

Los Angeles Magazine -
2003-11

Los Angeles magazine is a

regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

The Goddess You -
2016-11-01

Anahita - Israel Campos
Méndez 2013-02

The Indo-Iranian Anahita is an ancient Persian Goddess, who became a Zoroastrian Yazata (or Angel) and is still part of contemporary Zoroastrianism. Described as a beautiful maiden, who is strong, tall and pure, she is depicted as wearing a mantle embroidered with gold and as holding the

baresma (sacred plant) in her hand. She is the Goddess of all the waters upon the earth, her full title being Aredvi Sura Anahita which means moist, mighty and immaculate (pure), and she travels on her chariot pulled by four horses: Wind, Rain, Cloud and Sleet. Closely associated with the King's investiture she is a Goddess of Sovereignty, thought by some to be the Persian Aphrodite, who also has some remarkable similarities to numerous other ancient goddesses, including Ishtar, Venus, Nana and Isis. Anahita: Ancient Persian Goddess and Zoroastrian Yazata is a collection of papers, art and poetry celebrating this fascinating Goddess from more than 25 esteemed international academics, Zoroastrians, artists and writers. Each in turn share their research and insights leading the reader on a journey of discovery - from the Achaemenid Royal Inscriptions featuring Anahita and Mithra, to the possible relationships between Anahita and the Dame du Lac of Arthurian Legend,

representations of her in Sassanian art, William Morris Hunt through to Anahita as the pre-Christian Virgin Mother of Mithra, as well as her role in purification and purity. Studies of the Sassanian rock reliefs, hot mineral springs, and her water ritual in Mah y na Buddhism, in addition to an examination of the Sassanid stucco discovered in the Barze-qawela in Lorestan province of Iran and women in ancient Elam are all brought together illustrating the significance of Anahita throughout Persian and Middle Eastern history. This book is the most extensive study of the figure of Anahita in recent years, and includes new and never published before research. Anahita: Ancient Persian Goddess and Zoroastrian Yazata is essential reading for all those interested not just in this Goddess and her history, but also all those interested in Persian and Middle Eastern history. Contributors include: Dr. Israel Campos Mendez, Dr. Kaveh Farrokh, Dr. Matteo Compareti, Sheda Vasseghi,

D.M. Murdock, Dr. Sam Kerr, Rahele Koulabadi, Dr. Seyyed Rasool Mousavi Haji, Morteza Ataie, Seyed Mehdi Mousavi Kouhpar, Seyyed Sadrudin Mosavi Jashni, Farhang Khademi Nadooshan, Hassan Nia, Masoud Sabzali, Dr. Masato Tojo, Behzad Mahmoudi, Amir Mansouri, Dr Kamyar Abdi, Dr Gholamreza Karamian, Maryam Zour, Saman Farzin, Babak Aryanpour, Reza MehrAfarin, Akashanath, Shapour Surenpahlav, Ana C. Jones, Katherine Sutherland, and Dr. Payam Nabarz.

Maid - Stephanie Land
2019-01-22
NEW YORK TIMES
BESTSELLER AND
INSPIRATION FOR THE
NETFLIX LIMITED SERIES,
HAILED BY ROLLING STONE
AS "A GREAT ONE." "A single
mother's personal, unflinching
look at America's class divide,
a description of the tightrope
many families walk just to get
by, and a reminder of the
dignity of all work." -
PRESIDENT BARACK OBAMA,
Obama's Summer Reading List

At 28, Stephanie Land's dreams of attending a university and becoming a writer quickly dissolved when a summer fling turned into an unplanned pregnancy. Before long, she found herself a single mother, scraping by as a housekeeper to make ends meet. *Maid* is an emotionally raw, masterful account of Stephanie's years spent in service to upper middle class America as a "nameless ghost" who quietly shared in her clients' triumphs, tragedies, and deepest secrets. Driven to carve out a better life for her family, she cleaned by day and took online classes by night, writing relentlessly as she worked toward earning a college degree. She wrote of the true stories that weren't being told: of living on food stamps and WIC coupons, of government programs that barely provided housing, of aloof government employees who shamed her for receiving what little assistance she did. Above all else, she wrote about pursuing the myth of the American Dream from the

poverty line, all the while slashing through deep-rooted stigmas of the working poor. Maid is Stephanie's story, but it's not hers alone. It is an inspiring testament to the courage, determination, and ultimate strength of the human spirit.

Ladies of the Lake - Caitlin Matthews 1992

This exhilarating exploration provides authentic textual background to a complex mythology about nine of the women in Arthurian legend. In addition, there are guided visualizations for each of the Ladies, which will open pathways to readers on their own personal quest.

Dear Universe - Sarah Prout 2019

From the co-creator of The Manifesting Academy and host of the Journey to Manifesting podcast, 200 mini meditations to help you rise above fear and manifest the life of your dreams

Celtic Visions - Caitlin Matthews 2012-01-01

Through prayers, chants, and practical exercises, Celtic

Visions teaches readers how to tap into their inner spiritual power, enabling them to experience heightened perception and open portals to other realms of existence.

Drawn from ancient Gaelic and Welsh sources, this visionary guide reveals the truth behind the prophetic visions of the druids and seers. It explains their methods for

communicating with the Otherworld through omens and fairy lore and explores the Celtic gift of "second sight"—the ability to perceive both the visible and the invisible aspects of reality.

Programs in Aid of the Poor - Sar A. Levitan 1990

The Elements of the Goddess - Caitlin Matthews 1997

Readers learn about early goddess religions and how the Divine Feminine principle relates to modern life.

Book Doctor - Esther Cohen 2005

Arlette Rosen makes a living helping people write the books they have always dreamed of, but when she finds herself

falling in love with her latest client, tax attorney Harbinger Singh, she begins to finally create a romance story of her own. 25,000 first printing.

The Plague Year - Lawrence Wright 2021-06-08

From the Pulitzer Prize-winning author of *The Looming Tower*, and the pandemic novel *The End of October*: an unprecedented, momentous account of Covid-19—its origins, its wide-ranging repercussions, and the ongoing global fight to contain it "A book of panoramic breadth ... managing to surprise us about even those episodes we ... thought we knew well ... [With] lively exchanges about spike proteins and nonpharmaceutical interventions and disease waves, Wright's storytelling dexterity makes all this come alive." —The New York Times Book Review From the fateful first moments of the outbreak in China to the storming of the U.S. Capitol to the extraordinary vaccine rollout, Lawrence Wright's *The Plague Year* tells the story of Covid-19

in authoritative, galvanizing detail and with the full drama of events on both a global and intimate scale, illuminating the medical, economic, political, and social ramifications of the pandemic. Wright takes us inside the CDC, where a first round of faulty test kits lost America precious time . . . inside the halls of the White House, where Deputy National Security Adviser Matthew Pottinger's early alarm about the virus was met with confounding and drastically costly skepticism . . . into a Covid ward in a Charlottesville hospital, with an idealistic young woman doctor from the town of Little Africa, South Carolina . . . into the precincts of prediction specialists at Goldman Sachs . . . into Broadway's darkened theaters and Austin's struggling music venues . . . inside the human body, diving deep into the science of how the virus and vaccines function—with an eye-opening detour into the history of vaccination and of the modern anti-vaccination movement. And in this full

accounting, Wright makes clear that the medical professionals around the country who've risked their lives to fight the virus reveal and embody an America in all its vulnerability, courage, and potential. In turns steely-eyed, sympathetic, infuriated, unexpectedly comical, and always precise, Lawrence Wright is a formidable guide, slicing through the dense fog of misinformation to give us a 360-degree portrait of the catastrophe we thought we knew.

Income Tax - D. Steven Brewster 1998

Los Angeles Magazine - 1999-07

A Little History of the World

- E. H. Gombrich 2014-10-01
E. H. Gombrich's *Little History of the World*, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the *Little History* brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they

are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

Path to the Soul - Ashok Bedi
2000-09-01

Path to the Soul provides an important evolutionary leap in the rapidly evolving understanding of our psychological and spiritual essence. Drawing from Hindu and Christian spiritual wisdom, biological medicine, psychiatric technique, and over twenty-five years of clinical experience, Dr. Bedi has created a highly effective and integrated treatment approach to

problems associated with both medical and psychiatric illness. He explains the Hindu concepts of maya, karma, and dharma, and builds a bridge between psychological dis-ease and our intrinsic hunger for spiritual union. Each symptom is seen as a crucial whisper from our soul, and if we understand its message, it can lead us to psychological balance. Dr. Bedi guides us through the process of Kundalini diagnosis, showing how the use of life events, medical or psychiatric symptoms, relationship strengths and problems, and life goals and aspirations can help us determine our dominant and auxiliary chakras. Since our chakras are focal points where physical, emotional, developmental, and spiritual forces intersect, they provide a paradigm that usefully links physical, psychological, developmental, and spiritual dimensions. He explains how he has successfully helped many patients correct imbalances by learning to access and

strengthen this energy. Throughout this book there are numerous examples of how Dr. Bedi's patients have discovered what each individual eventually has to recognize; that our fulfillment, satisfaction, wholeness, and harmony can be reawakened when we touch the spark of divine light glowing within.

The Warrior Heart Practice -
HeatherAsh Amara 2020-01-07
“This book is a reflection of a warrior putting into practice all that she has learned, the moment when knowledge turns into wisdom, in order to heal a heart that is not afraid to love.”
— Don Miguel Ruiz Jr, author of *The Mastery of Self & The Five Levels of Attachment* In this continuation of the Warrior Goddess path, author HeatherAsh Amara shares a revolutionary new method to help you reconnect with your sense of authenticity and power. Too often we allow old narratives—about past failures, broken relationships, or

damaging experiences—to define us, depleting our joy, limiting our passion, and whispering the poisonous lie that we are not enough. The Warrior Heart Practice is a revolutionary new method that will help you reevaluate those well-worn narratives and shift your thinking and intentions in a new, empowered way. Based on the four divisions of the heart, the practice leads you forward through the four chambers of experience—Feeling, Story, Truth, Intent—gently questioning your own assumptions along the way, and then back through the chambers in the reverse, so that you emerge armed with a clear understanding of your situation and a new sense of purpose and power. For those who have loved and lived Warrior Goddess Training and readers who are searching for a new freedom, *The Warrior Heart Practice* offers an inner revolution and a new path towards freedom.

Labor Like a Goddess -
Alexandria Moran 2019-10-14

Written by two birth doulas and intuitive healers, this book tells the metaphorical story of a fictional goddess who must walk through 7 Gates of Transformation in order to become a Mother. At the final gate, she must surrender to the ultimate sacrifice—spiritual death—so she can be reborn into motherhood. Each gate perfectly illustrates the 7 emotional, psychological, and often subconscious sacrifices that every laboring woman experiences, whether willingly or not. This book is a guide to help pregnant women understand birth as a divine journey and master how to walk through each gate with empowered sacrifice, purpose, and zeal through tools, rituals, and integrative practices.

Dry Your Smile Robin Morgan
2016-09-13

A former child actor searches for her true self in this novel-within-a-novel from a leader of the international feminist movement. Before she even turned fourteen, Julian Travis made enough money as a TV star to support her mother for

life in an apartment in one of Manhattan's best buildings. But now, Julian is in her midforties and things are not so glamorous or easy. Her mother is slowly dying of Parkinson's, her marriage of twenty years is steadily disintegrating, and money is scarce. Though Julian is a famed feminist spokeswoman and published poet, when she looks into the mirror, she doesn't recognize herself. That and the novel she is writing are giving her a terrible time. *Dry Your Smile* takes readers on a journey into Julian's past—from the precarious circumstances surrounding her birth to the lies and stories her mother wove about her absent father to her childhood diary and dreams, and her subsequent escape into the arms of a revolutionary artist and a bohemian life. In the present, Julian delves into the emotional baggage imparted by her Jewish stage-mom as a means of taking off the many masks she has worn over the years, and begins writing prose through the voice of her

younger self. She also searches for a new future in a lesbian love affair with Iliana, a bisexual photographer and the one person who makes Julian feel beautiful. In the end, however, perhaps what Julian needs most is to separate herself from the expectations and images of others, and truly listen to the woman she has become. A roman à clef of author and poet Robin Morgan's own struggles with what it means to be a female writer in the late twentieth century, *Dry Your Smile* is an intelligent and cathartic addition to any feminist library.

Sophie's World - Jostein Gaarder 2007-03-20

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the

world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

King Arthur and the Goddess of the Land - Caitlín Matthews 2002-10-01

Reveals how the ancient Celtic text of the Mabinogion was the mythical predecessor to the legends of King Arthur. • Revised edition of *Arthur and the Sovereignty of Britain (UK)* that includes the author's latest research and insights. • A comprehensive reader's companion with synopsis of stories and full commentary. • Written by renowned scholar Caitlín Matthews, author of *The Celtic Wisdom Tarot* (15,000 sold). The ancient Celtic stories of the Mabinogion have received universal recognition from scholars as both sources of the Arthurian legend and keys to insights into the ancient magic of the Celtic Otherworld. Now

renowned Celtic scholar Caitlín Matthews, drawing on a full range of medieval texts and ancient Welsh writings, provides a fully revised and updated reader's guide to these rich and far-reaching tales. In *King Arthur and the Goddess of the Land*, Matthews sheds particular light on Sovereignty, the Goddess of the sacred land of Britain, and the spiritual principle of the Divine Feminine. Clearly revealed are the many alternate forms taken by the Goddess of the Land--including her incarnation as Morgan of Avalon, who plays a dominant role in the Arthurian cycle. Also established are links between the legendary characters of the Mabinogion and their counterparts in other living myths of the Western world. Through the marriage of the Celtic kings to the Goddess of the Land, the sacred contract between political rulership and responsibility for the land's well-being is dramatically revealed. In *King Arthur and the Goddess of the Land*, Matthews once again articulates definitively the

continuing relevance of ancient Celtic thought and belief as illustrated in the powerful myths and legends of ancient Britain.

Fire of the Goddess - Katalin Jett Koda 2011-09-08

You are a creator, lover, priestess, and healer—a multifaceted goddess with confidence, spiritual wisdom, and the power to reinvent yourself. Based on a lifetime of deep spiritual study and her firsthand experiences around the world, Katalin Koda offers an innovative way for you to bring the sacred feminine into your everyday life. *Fire of the Goddess* presents nine goddess archetypes that correspond with every woman's inherent gifts and the most important facets of her life: firebearer, initiate, warrior, healer, consort, bodhisattva, priestess, weaver, and crone. For each archetype, you'll connect with its associated goddess—Pele, Artemis, Quan Yin, Isis, and others—through inspiring exercises, the power of myth, and a sacred ceremony. Death Warmed Over - Patti
Larsen 2020-09-11

Would using magic to entice
my client to tell me what she
wanted make me a bad person?
Because, after my third visit to
her rather ostentatious
mansion on the edge of town,
sketching seemingly endless
variations of poses I could have
easily done from photos instead
of live sittings, I was ready to
tell her I was donezo. Charlotte
Easton didn't seem to notice
my growing irritation at yet
another wasted two hours
watching her fiddle and fidget

in the dark blue gown she
chose (from a long line of
clothing already worn and then
discarded), substantial bosom
on the verge of bursting from
the low-cut satin making me
wince as she shifted yet again
on the crushed velvet daybed
she'd decided (after many
other locations had been
sampled and rejected) was
today's selection for my fresh
torment. Listen. I'm a patient
person for the most part. But
sheesh already. Phoebe
Monday's portrait commission
turns to murder when her
client's father turns up dead.
The problem with that
scenario? He's been six feet
under for over a year already
and not even her magic can
figure out what made him rise
from the grave... welcome to
the Phoebe Monday

**The Queer and Transgender
Resilience Workbook** -
Anneliese A. Singh 2018-02-02

How can you build unshakable confidence and resilience in a world still filled with ignorance, inequality, and discrimination? The Queer and Transgender Resilience Workbook will teach you how to challenge internalized negative messages, handle stress, build a community of support, and embrace your true self. Resilience is a key ingredient for psychological health and wellness. It's what gives people the psychological strength to cope with everyday stress, as well as major setbacks. For many people, stressful events may include job loss, financial problems, illness, natural disasters, medical emergencies, divorce, or the death of a loved one. But if you are queer or gender non-conforming, life stresses may also include discrimination in housing and health care, employment barriers, homelessness, family rejection, physical attacks or threats, and general unfair treatment and oppression—all of which lead to overwhelming feelings of hopelessness and

powerlessness. So, how can you gain resilience in a society that is so often toxic and unwelcoming? In this important workbook, you'll discover how to cultivate the key components of resilience: holding a positive view of yourself and your abilities; knowing your worth and cultivating a strong sense of self-esteem; effectively utilizing resources; being assertive and creating a support community; fostering hope and growth within yourself, and finding the strength to help others. Once you know how to tap into your personal resilience, you'll have an unlimited well you can draw from to navigate everyday challenges. By learning to challenge internalized negative messages and remove obstacles from your life, you can build the resilience you need to embrace your truest self in an imperfect world. [Dangerous Men](#) - Geoffrey Becker 1995-10-12

Truth - 1893

Puck - 1882

Theatre Tales - David Clive
2001-04

It is widely believed that if you mention anything to an actor that happened more than twenty years ago, he or she will either laugh or cry. The point being that events in the show business tend to attain a larger than life quality, at least to the participants, either sadder or funnier than they would be if normal people were involved. I have earned a precarious living in various facets of the profession for nearly forty years, while observing, with wonder, these often bizarre moments. It seemed a waste to have them all disappear when I do. Therefore, in the interest of preserving a record of the antics of my fellow workers, from Ethel Merman to Bernard Wu, I dedicate this book. If you enjoy reading it half as much as I enjoyed living it, I will consider the effort eminently

worth while.

The Graceful Guru - Karen Pechilis 2004

This collection of nine essays looks at the phenomenon of the female guru both in its original Indian context, where Hindu women leaders have been unusual but not unknown, and as it has evolved on the American scene.

Achieving Ascension - Sonia Diane Bradford 2017-02-20

Achieving Ascension by Sonia Diane Bradford in conjunction with Veronica J. Cate Sonia Diane Bradford has traveled the world. She has great insight into the spiritual and religious traditions of the lands she has seen. When Bradford began corresponding with Veronica J. Cate her consciousness was opened. Important revelations have been transcribed for the edification and awareness of the reader. These channeled messages from High Cosmic Masters are for the evolution and ascension of humanity. Enjoy the journey.

Reprint.

The Sumerians - Samuel Noah Kramer 2010-09-17

The Sumerians, the pragmatic and gifted people who preceded the Semites in the land first known as Sumer and later as Babylonia, created what was probably the first high civilization in the history of man, spanning the fifth to the second millenniums B.C. This book is an unparalleled compendium of what is known about them. Professor Kramer communicates his enthusiasm for his subject as he outlines the history of the Sumerian civilization and describes their cities, religion, literature, education, scientific achievements, social structure, and psychology. Finally, he considers the legacy of Sumer to the ancient and modern world. "There are few scholars in the world qualified to write such a book, and certainly Kramer is one of them. . . . One

of the most valuable features of this book is the quantity of texts and fragments which are published for the first time in a form available to the general reader. For the layman the book provides a readable and up-to-date introduction to a most fascinating culture. For the specialist it presents a synthesis with which he may not agree but from which he will nonetheless derive stimulation."—American Journal of Archaeology "An uncontested authority on the civilization of Sumer, Professor Kramer writes with grace and urbanity."—Library Journal

Dear Vulnerable - Jada Berteaux 2018-05-15

Dear Vulnerable is a journey of deep self-reflection documented with love for self and other women who are challenged to allow the power of the feminine to be her guide. I am a traveler and each day I journey into healing. I open up my life in service to my vulnerability and to other women who want to regain their feminine balance and begin manifesting their big life

vision. I am committed to rejoicing in my feminine, and I hope that the clearing prayers, calling forth the feminine exercises and radiance brighteners that I share with you will help you to move closer to your balance. "I traveled to the cliff's edge and surveyed the landscape of my life from that vantage point. It was at that lonely bluff where I heard my Creator say, 'Believe, believe, believe.'" - Jada

Unbecoming You - Bernice Angoh 2020-08-11

There comes a time in your life when your very existence becomes a revolution; when all the things you held true start to crumble right before your eyes and you're forced to deal with it the only way there is: to meet yourself fearlessly for the first time through the process of unbecoming.

Tara - Rachael Wooten 2020-04-28

A practical guide for invoking the power and blessings of Tara, the beloved female buddha of Tibet Known as "the female Buddha" in Tibet and India, Tara connects us to the

archetypal Divine

Feminine—an energetic force that exists within us and all around us, and has been available to all humans since our earliest origin. While there are many books on Tara, this practical guide shows us how those of any tradition can directly access her, through clear instruction and authentic Tibetan Buddhist teachings. Jungian analyst, scholar, and spiritual practitioner Dr.

Rachael Wooten combines the ancient Tara tradition with depth psychology to help us connect with each of Tara's manifestations and access her blessings within ourselves and in the external world. In her myriad forms, Tara has the power to protect us from inner and outer negativity, illuminate our self-sabotaging habits, cleanse mental and physical poisons, address emotional trauma, open us to abundance, give us strength and peace, help us fulfill our life purposes, and more. Here, you will explore all 22 manifestations of Tara. Each chapter begins with an epigraph that captures the

spiritual and psychological essence of the emanation, explains her purpose, and teaches you specific visualizations, praises, mantra chants, and other ways of invoking her presence in yourself and the world. "If ever

the voice of wisdom and compassion was needed in the form of an awakened female figure such as Tara," writes Dr. Wooten, "that time is now." This book illuminates the way to her healing, blessings, and aid.
