Territorial Spirits - C. Peter Wagner 2012-02-21

The Battle Is Ours! "Our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world" (Eph. 6:12 NIV). For generations when Christians have engaged in spiritual warfare, most of the time they have focused on "satan" as the main opponent. However, C. Peter Wagner has gathered together a number of ministers who teach from personal experience that the "principalities and powers" are more than just satan—there is an entire hierarchy of demons in this world. Often, missionaries and ministers are finding that they have far more success in an area when they first go to war in the spirit and in prayer against the evil power that rules a certain region. C. Peter Wagner has compiled this book of many voices, speaking from Scripture and personal experience, teaching the reality of territorial spirits and the necessity of waging targeted, powerful warfare against them in order to reach the souls these evil powers have held captive for too long. You will learn:· There is an entire hierarchy of demons in this world, many with specific geographic territories.· Once a territorial spirit's power is broken, ministry in that area can be far more effective.· How to go to war against evil spirits to break their power over the people of a region. Christians must take to heart what the Bible teaches about spiritual warfare. Arm yourself with this book!

Many Christians labor under the false notion that because they are saved, past wounds, hurts, and consequences from mistakes are swept away. Using a proven process he has refined through years of successful deliverance ministry, Kraft leads readers step by step to freedom--and ultimately to healing.

We cannot afford to practice a powerless Christianity in a fallen world. In this essential, accessible resource, former evangelical seminary professor and missionary Charles Kraft helps you find your footing in the spiritual battle. Based on a solid biblical foundation and on decades of ministry experience, this book will help you: · Differentiate between myths and truths about spiritual warfare · Recognize the everyday battles taking place around you · Learn what demons really are and what they actually do · Understand the rules for engaging the enemy · Achieve victory in daily battles with the help of the Holy Spirit Don't let fear keep you from engaging the spiritual forces at work around you. Some problems can't be overcome in any other way. "This book is a must-read for anyone looking to engage in spiritual warfare." --Larry Richards, author of The Full Armor of God "Dr. Kraft has removed the veil of mystery that has surrounded deliverance ministry for far too long. With truth and honesty, he has opened the door to the evangelical community and given us the tools to set the captives free."--Tim Howard, president and founder, Wellsprings of Freedom International "For more than thirty years now, Dr. Charles Kraft has been studying and writing about spiritual warfare. In this latest book, Dr. Kraft summarizes his findings and shares from his years of experience his approach to inner healing and deliverance ministries. This book needs to be read by every student studying spiritual formation, by every missiologist engaged in missionary activities and by every pastor and church worker committed to making healthy disciples of the Lord Jesus Christ."--Douglas Hayward, department chair, Graduate Intercultural Studies, Cook School of Intercultural Studies, Biola University "Personally awakened to the spiritual nature of our Christian faith, Charles Kraft calls us to wake up as well. This book pulls back the veil into the unseen world, where there is a battle. This book will quickly become a classic. Charles is steeped in wisdom in the area of spiritual warfare and has dedicated his life to bringing restoration to the church."--Judith MacNutt, M.A., president and co-founder, Christian Healing Ministries "Charles Kraft has taken a topic that is still controversial among some in the body of Christ--spiritual warfare--and boiled it down to something we can all agree on: There is an enemy countering expressions of God's love in the lives of believers and lost souls alike that we must combat."--Jennifer LeClaire, senior editor at Charisma magazine and director of Awakening House of Prayer in Fort Lauderdale "Again, Chuck Kraft has reminded us that 'we are at war with a cruel enemy.' This guide to the warfare reflects Dr. Kraft's passion for God's people to experience the full measure of the Father's love. The Healing Reawakening - Francis MacNutt 2006-09-01

For the first three hundred years of Christian history, healing prayer was fundamental in the life of the church. It even proved the main method of converting the unbelievers of the day. Then began the long slide of healing prayer into near insignificance. Ironically, Christians themselves, by reserving healing prayer for the most "holy," were the ones who almost killed this mission so central to the gospel itself. The mystery of how this happened is described by Francis MacNutt in this fascinating history, which includes his own personal journey. MacNutt sees this loss as tragic and shows how necessary it is for us to rediscover healing prayer and once more embrace it, according to Christ's original mandate--with amazing results! Christian leaders and anyone involved in the healing ministry must read this book.

The man looked the highly educated American squarely in the eye. "There are no small snakes," he declared. Even as the smallest poisonous snake can easily kill the largest and strongest man, to discount dark spiritual forces is not only arrogant, but dangerous. No Small Snakes relates Dalbey's upending journey from scoffer to spiritual warrior, from arrogance to bold humility. Both spiritual memoir and soldier's manual, this book will challenge you to face the spiritual battle at hand today and prepare you to win it - in your heart and in the world.

Deliverance Prayer - Matthew Linn 1981

American Possessions - Sean McCloud 2015

Stories of contemporary exorcisms are largely met with ridicule, or even hostility. Sean McCloud argues, however, that there are important themes to consider within these narratives of seemingly well-adjusted people who attend school, go shopping, watch movies, and also happen to fight demons. American Possessions examines Third Wave spiritual warfare, a late twentieth-, early twenty-first century movement of evangelicals focused on banishing demons from human bodies, material objects, land, regions, political parties, and nation states. While Third Wave beliefs may seem far removed from what many scholars view as mainstream religious practice, McCloud argues that the movement provides an ideal case study for identifying some of the most prominent tropes within the contemporary American religious landscape. Drawing on interviews, television shows, documentaries, websites, and dozens of spiritual warfare handbooks, McCloud examines Third Wave practices such deliverance rituals (a uniquely Protestant form of exorcism), spiritual housekeeping (the removal of demons from everyday objects), and spiritual mapping (searching for the demonic in the physical landscape). Demons, he shows, are the central fact of life in the Third Wave imagination. McCloud provides the first book-length study of this influential movement, highlighting the important ways that it reflects and diverts from the larger, neo-liberal culture from which it originates.

Deliver Us from Evil - Don Basham 2005-05

The idea of demons or demon possession was, to pastor Don Basham, far-fetched. But when members of his congregation started revealing problems that were strangely unresponsive to traditional Christian answers, he was forced to take a closer look. Deliver Us from Evil is the captivating account of Don Basham's journey from disbelief in the existence of demons to acceptance of their reality. This is more than a good detective story and more than the triumphant testimonies of ordinary people released from evil spirits. It is a compendium of Bible teaching on warfare and evil spirits, as well as the biblical conditions for deliverance, how to pray for deliverance, and how to protect oneself against demonic invasion. Deliverance is more than freedom from evil; it is delivery into the freedom to love and serve the Lord.
