**The Millionaire Fastlane** - MJ DeMarco 2011-01-04

10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

**Love Yourself, Heal Your Life Workbook** - Louise Hay 1995-03-07

The Love Yourself, Heal Your Life Workbook directly applies Louise's techniques of self-love and positive thinking to a wide range of topics that affect us all on a daily basis, including: health, fears and phobias, sex, self-esteem, money and prosperity, friendship, addictive behavior, work, and intimacy. As Louise says, "These exercises will give you new information about yourself. You will be able to make new choices. If you are willing, then you can definitely create the kind of life you say you want."

**Other People's Money** - Michael A. Lechter 2010-09-15

*Antes de renunciar a tu empleo* Robert T. Kiyosaki 2012-01-18

Un libro con consejos indispensables para trazar el plan ideal para un negocio. De Robert T. Kiyosaki, autor de Padre Rico, Padre Pobre, el libro #1 de finanzas personales y bestseller de The New York Times por más de seis años; y de los bestsellers Niño rico, niño listo, Segunda oportunidad, entre otros. 10 lecciones que todo emprendedor debe saber para construir un negocio multimillonario. Una de las claves para alcanzar el éxito empresarial es tomar la decisión correcta en el momento oportuno. Sin embargo, resulta aún más importante el aprendizaje que obtenemos de nuestros errores cuando tomamos decisiones equivocadas. "El trabajo del empresario consiste en cometer errores. El trabajo del empleado consiste en no cometer errores", dice el autor de este libro. Robert T. Kiyosaki, empresario desde los nueve años, atravesó por muchos momentos críticos en su vida y en su carrera de hombre de negocios. Dichos tropiezos sólo lo impulsaron a iniciar nuevos negocios que le trajeron más éxito y más dinero. En Antes de renunciar a tu empleo Kiyosaki nos comparte sus éxitos, sus errores y las lecciones que ha aprendido. Habla de los puntos que debes cuidar antes de dar el gran paso de empleado a empresario, así como estrategias para recuperarte de un fracaso financiero. Cada capítulo corresponde a una lección y está acompañado de las excelentes reflexiones de Sharon Lechter a manera de resumen.

*Whale Done!* - Kenneth Blanchard 2003-02-03

A compendium of straightforward techniques on how to accentuate the positive and redirect the negative, increasing productivity at work and at home. What do your people at work and your spouse and kids at home have in common with a five-ton killer whale? Probably a whole lot more than you think, according to top business consultant and mega-bestselling author Ken Blanchard and his coauthors from SeaWorld. In this moving and inspirational new book, Blanchard explains that both whales and people perform better when you accentuate the positive. He shows how using the techniques of animal trainers -- specifically those responsible for the killer whales of SeaWorld -- can supercharge your effectiveness at work and at home. When gruff business manager and family man Wes Kingsley visited SeaWorld, he marveled at the ability of the trainers to get these huge killer whales, among the most feared predators in the ocean, to perform amazing acrobatic leaps and dives. Later, talking to the chief trainer, he learned their techniques of building trust, accentuating the positive, and redirecting negative behavior -- all of which make these extraordinary performances possible. Kingsley took a hard look at his own often accusatory management style and recognized how some of his shortcomings as a manager, spouse, and father actually diminish trust and damage relationships. He began to see the difference between "GOTcha" (catching people doing things wrong) and "Whale Done!" (catching people doing things right). In Whale Done!, Ken Blanchard shows how

to make accentuating the positive and redirecting the negative the best tools to increase productivity, instead of creating situations that demoralize people. These techniques are remarkably easy to master and can be applied equally well at home, allowing readers to become better parents and more committed spouses in their happier and more successful personal lives.

*The 21 Indispensable Qualities of a Leader* - John C. Maxwell 2007-09-16

"The 21 Indispensable Qualities of a Leader gets straight to the heart of leadership issues. Maxwell once again touches on the process of developing the art of leadership by giving the reader practical tools and insights into developing the qualities found in great leaders." - Kenneth Blanchard, Coauthor of *The One Minute Manager*® "Dr. John Maxwell is the authority on leadership today. His innovative yet timeless principles on how to effectively lead others have personally impacted my life and my business. This is a must-read for any organization that wants to succeed in the new millennium." -Peter Lowe, President of Peter Lowe International and Peter Lowe's SUCCESS Seminars "My dear friend John Maxwell has proven his ability to lead leaders. I anticipate learning even more from his new book." -Max Lucado, Author of *Just Like Jesus*

*The Whole-Brain Child* - Daniel J. Siegel 2011-10-04

NEW YORK TIMES BESTSELLER • More than 1 million copies in print! • The authors of *No-Drama Discipline* and *The Yes Brain* explain the new science of how a child's brain is wired and how it matures in this pioneering, practical book. "Simple, smart, and effective solutions to your child's struggles."—Harvey Karp, M.D. In this pioneering, practical book, Daniel J. Siegel, neuropsychiatrist and author of the bestselling *Mindsight*, and parenting expert Tina Payne Bryson offer a revolutionary approach to child rearing with twelve key strategies that foster healthy brain development, leading to calmer, happier children. The authors explain—and make accessible—the new science of how a child's brain is wired and how it matures. The "upstairs brain," which makes decisions and balances emotions, is under construction until the mid-twenties. And especially in young children, the right brain and its emotions tend to rule over the logic of the left brain. No wonder kids throw tantrums, fight, or sulk in silence. By applying these discoveries to everyday parenting, you can turn any outburst, argument, or fear into a chance to integrate your child's brain and foster vital growth. Complete with age-appropriate strategies for dealing with day-to-day struggles and illustrations that will help you explain these concepts to your child, *The Whole-Brain Child* shows you how to cultivate healthy emotional and intellectual development so that your children can lead balanced, meaningful, and connected lives. "[A] useful child-rearing resource for the entire family . . . The authors include a fair amount of brain science, but they present it for both adult and child audiences."—Kirkus Reviews "Strategies for getting a youngster to chill out [with] compassion."—The Washington Post "This erudite, tender, and funny book is filled with fresh ideas based on the latest neuroscience research. I urge all parents who want kind, happy, and emotionally healthy kids to read *The Whole-Brain Child*. This is my new baby gift."—Mary Pipher, Ph.D., author of *Reviving Ophelia* and *The Shelter of Each Other* "Gives parents and teachers ideas to get all parts of a healthy child's brain working together."—Parent to Parent

*The Business School* - Robert T. Kiyosaki 2015

*Nineteen Eighty-Four* - George Orwell 2021-01-09

"*Nineteen Eighty-Four: A Novel*", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "*Nineteen Eighty-Four*" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

*Brave New World* - Aldous Huxley 2011-07-01

Ranked as one of the 100 best English-language novels of the 20th century by the Modern Library, *Brave New World* is one of the first truly dystopian novels. The title's fantastic world is derived from Huxley's understanding of history and current events—including the aftermath of the Russian Revolution and World War I—and its depiction of the conflict between progress and the human spirit still resonates today.

*He Came to Set the Captives Free* - Rebecca Brown 1992-07-01

For seventeen years, Elaine served her master, Satan, with total commitment. Then she met Dr. Rebecca Brown, who served her master, Jesus Christ, with equal commitment. Elaine, one of the top witches in the U.S., clashed with Dr. Brown, who stood against her alone. In the titanic life-and-death struggle that followed, Dr. Brown nearly lost her life. Elaine, finding a power and love greater than anything Satan could give her, left Satan and totally committed her life to Jesus Christ. This is an honest, in-depth account of Satan's activities today. You'll see how to: Recognize and combat the many satanists who regularly infiltrate and destroy Christian churches. Recognize and combat satanic attacks. Recognize those serving Satan, and bring them to Jesus Christ.

*The Voice of Your Soul* - Lain Garcia Calvo 2018-02-08

*Narcoland* - Anabel Hernandez 2013-09-10

The product of five years' investigative reporting, the subject of intense national controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernández, *Narcoland* has been a publishing and political sensation in Mexico. The definitive history of the drug cartels, *Narcoland* takes readers to the front lines of the "war on drugs," which has so far cost more than 60,000 lives in just six years. Hernández explains in riveting detail how Mexico became a base for the mega-cartels of Latin America and one of the most violent places on the planet. At every turn, Hernández names names - not just the narcos, but also the politicians, functionaries, judges and entrepreneurs who have collaborated with them. In doing so, she reveals the mind-boggling depth of corruption in Mexico's government and business elite. Hernández became a journalist after her father was kidnapped and killed and the police refused to investigate without a bribe. She gained national prominence in 2001 with her exposure of excess and misconduct at the presidential palace, and previous books have focused on criminality at the summit of power, under presidents Vicente Fox and Felipe Calderón. In awarding Hernández the 2012 Golden Pen of Freedom, the World Association of Newspapers and News Publishers noted, "Mexico has become one of the most dangerous countries in the world for journalists, with violence and impunity remaining major challenges in terms of press freedom. In making this award, we recognize the strong stance Ms. Hernández has taken, at great personal risk, against drug cartels."

*If You Want to be Rich & Happy, Don't Go to School?* - Robert T. Kiyosaki 1994-09-01

Kiyosaki shows how to reverse the effects of negative programming one receives in school, replacing them with new habits that will set individuals and their children up for financial and emotional success. "Robert Kiyosaki's work in education is powerful, profound, and life-changing."--Anthony Robbins, author of "Unlimited Power" and "Awaken the Giant Within."

Thinking, Fast and Slow Daniel Kahneman 2011-10-25

Major New York Times bestseller Winner of the National Academy of Sciences Best Book Award in 2012 Selected by the New York Times Book Review as one of the ten best books of 2011 A Globe and Mail Best Books of the Year 2011 Title One of The Economist's 2011 Books of the Year One of The Wall Street Journal's Best Nonfiction Books of the Year 2011 2013 Presidential Medal of Freedom Recipient Kahneman's work with Amos Tversky is the subject of Michael Lewis's The Undoing Project: A Friendship That Changed Our Minds In the international bestseller, *Thinking, Fast and Slow*, Daniel Kahneman, the renowned psychologist and winner of the Nobel Prize in Economics, takes us on a groundbreaking tour of the mind and explains the two systems that drive the way we think. System 1 is fast, intuitive, and emotional; System 2 is slower, more deliberative, and more logical. The impact of overconfidence on corporate strategies, the difficulties of predicting what will make us happy in the future, the profound effect of cognitive biases on everything from playing the stock market to planning our next vacation—each of these can be understood only by knowing how the two systems shape our judgments and decisions. Engaging the reader in a lively conversation about how we think, Kahneman reveals where we can and cannot trust our intuitions and how we can tap into the benefits of slow thinking. He offers practical and enlightening insights into how choices are made in both our business and our personal lives—and how we

can use different techniques to guard against the mental glitches that often get us into trouble. Winner of the National Academy of Sciences Best Book Award and the Los Angeles Times Book Prize and selected by The New York Times Book Review as one of the ten best books of 2011, Thinking, Fast and Slow is destined to be a classic.

Loving What Is - Byron Katie 2002-05-07

Out of nowhere, like a cool breeze in a marketplace crowded with advice, comes Byron Katie and "The Work." In the midst of a normal life, Katie became increasingly depressed, and over a ten-year period sank further into rage, despair, and thoughts of suicide. Then one morning, she woke up in a state of absolute joy, filled with the realization of how her own suffering had ended. The freedom of that realization has

never left her, and now in Loving What Is you can discover the same freedom through The Work. The Work is simply four questions that, when applied to a specific problem, enable you to see what is troubling you in an entirely different light. As Katie says, "It's not the problem that causes our suffering; it's our thinking about the problem." Contrary to popular belief, trying to let go of a painful thought never works; instead, once we have done The Work, the thought lets go of us. At that point, we can truly love what is, just as it is. Loving What Is will show you step-by-step, through clear and vivid examples, exactly how to use this revolutionary process for yourself. You'll see people do The Work with Katie on a broad range of human problems, from a wife ready to leave her husband because he wants more sex, to a Manhattan worker paralyzed by fear of terrorism, to a woman suffering over a death in her family. Many people have discovered The Work's power to solve problems; in addition, they say that through The Work they experience a sense of lasting peace and find the clarity and energy to act, even in situations that had previously seemed impossible. If you continue to do The Work, you may discover, as many people have, that the questioning flows into every aspect of your life, effortlessly undoing the stressful thoughts that keep you from experiencing peace. Loving What Is offers everything you need to learn and live this remarkable process, and to find happiness as what Katie calls "a lover of reality."

Rich Dad, Poor Dad - Robert T. Kiyosaki 2016-04-27

Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

Why We Want You to Be Rich - Donald Trump 2007-10

**Delivering Happiness** - Tony Hsieh 2010-06-07

#1 NEW YORK TIMES AND WALL STREET JOURNAL BESTSELLER Pay brand-new employees \$2,000 to quit Make customer service the responsibility of the entire company-not just a department Focus on company culture as the #1 priority Apply research from the science of happiness to running a business Help employees grow-both personally and professionally Seek to change the world Oh, and make money too . . . Sound crazy? It's all standard operating procedure at Zappos, the online retailer that's doing over \$1 billion in gross merchandise sales annually. After debuting as the highest-ranking newcomer in Fortune magazine's annual "Best Companies to Work For" list in 2009, Zappos was acquired by Amazon in a deal valued at over \$1.2 billion on the day of closing. In DELIVERING HAPPINESS, Zappos CEO Tony Hsieh shares the different lessons he has learned in business and life, from starting a worm farm to running a pizza business, through LinkExchange, Zappos, and more. Fast-paced and down-to-earth, DELIVERING HAPPINESS shows how a very different kind of corporate culture is a powerful model for achieving success-and how by concentrating on the happiness of those around you, you can dramatically increase your own. [Don't Waste Your Life \(Redesign\)](#) - John Piper 2018-03-31

"If you live gladly to make others glad in God, your life will be hard, your risks will be high, and your joy will be full." —from the Introduction The American Dream beckons people to spend their lives on trivial diversions, slipping through life caught up with seeking success, comfort, and pleasure above all else. But God designed people for far more than this. In this best-selling book, John Piper makes a passionate plea to the next generation to avoid the dangers of a wasted life, calling us to take risks and make sacrifices that matter for eternity—with a single, soul-satisfying passion for the glory of God that seeks to make much of him in every sphere of our lives.
