Think and Grow Rich - Napoleon Hill 2020-10-12

Ever wondered how life would be if we could condition our minds to Think and Grow Rich? Author Napoleon Hill claims to have based this book on twenty years of rigorous research on the lives of those who had amassed great wealth and made a fortune. Observing their habits, their ways of working and the principles they followed, Hill put together laws and philosophies that can be practiced in everyday life to achieve all-round success. The narrative is rich with stories and anecdotes, which not only inspire, but also show a way forward to take action. After

all, riches are not just material, but also pertaining to the mind, body and spirit. Having sold more than fifteen million copies across the world, this book remains the most read self-improvement book of all times!

The Millionaire Fastlane - MJ DeMarco  
2011-01-04

10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a

sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

*The Power of Intention, Gift Edition* Wayne W. Dyer, Dr. 2010-10-01

Dr. Wayne W. Dyer has researched intention as a force in the universe that allows the act of creation to take place. This beautiful gift edition of Wayne's international bestseller explores intention—not as something we do—but as an energy we're a part of. We're all intended here through the invisible power of intention—a magnificent field of energy we can access to begin co-creating our lives! Part I deals with the principles of intention, offering true stories and examples showing how to make the connection. Wayne identifies the attributes of the all-creating universal mind of intention as kind, loving, beautiful, expanding, endlessly abundant, and receptive, emphasizing the importance of emulating this source of creativity. In Part II, he

offers an intention guide with specific ways to apply the co-creating principles in daily life. Part III is an exhilarating description of Wayne's vision of an individual connected at all times to the universal mind of intention. "Intention is a force in the universe, and everything and everyone is connected to this invisible force."

**How to Read a Book** - Mortimer J. Adler  
2011-05-10

With half a million copies in print, How to Read a Book is the best and most successful guide to reading comprehension for the general reader, completely rewritten and updated with new material. A CNN Book of the Week: "Explains not just why we should read books, but how we should read them. It's masterfully done."

-Farheed Zakaria Originally published in 1940, this book is a rare phenomenon, a living classic that introduces and elucidates the various levels of reading and how to achieve them—from elementary reading, through systematic skimming and inspectional reading, to speed reading. Readers will learn when and how to "judge a book by its cover," and also how to X-ray it, read critically, and extract the author's message from the text. Also included is instruction in the different techniques that work best for reading particular genres, such as practical books, imaginative literature, plays, poetry, history, science and mathematics, philosophy and social science works. Finally, the authors offer a recommended reading list and supply reading tests you can use measure your own progress in reading skills, comprehension, and speed.

**Frankenstein (Modern English Translation)**  
- Mary Shelley 2019-05

Carefully edited for modern readers to allow for easier reading Obsessed with the secret of creation, Swiss scientist Dr. Victor Frankenstein cobbles together a body he's determined to bring to life. And one fateful night, he does. When the creature opens his eyes, the doctor is repulsed: his vision of perfection is, in fact, a hideous monster. Dr. Frankenstein abandons his creation, but the monster won't be ignored, setting in motion a chain of violence and terror that shadows Victor to his death. Mary Shelley's Frankenstein, a gripping story about the ethics of creation and the consequences of trauma, is one of the most influential Gothic novels in

British literature. It is as relevant today as it is haunting.

**A Short History of England** - G. K. Chesterton

**Dream Big, Think Small** - Jeff Manion  
2017-01-31

How do you build a life of significance? As pastor and writer Jeff Manion shares in *Dream Big, Think Small*, truly great lives are built on the foundation of a holy redundancy--a persistence and determination to move faithfully in the right direction. *Dream Big, Think Small* will provide: The plan for extraordinary living for ordinary life. Big dreams are achievable through steady progress over time. The motivation you need to stick with it for the long haul. The tools necessary for passionate longevity. You can faithfully lead, serve and love others over a lifetime without sacrificing your passion. So many believers want their lives to count, but they are impatient with the slow pace at which goodness grows. Many of us struggle to embrace the faithfulness required to show up day after day after day. In *Dream Big, Think Small* Manion helps to reveal the joy in the small, seemingly inconsequential actions you take every day. Ultimately, you will learn how small persistent steps lead to tremendous and lasting results. Filled with Manion's trademark inspiring stories and insightful biblical teaching, *Dream Big, Think Small* challenges you to explore the spiritual prescription of steady faithfulness. Following the principles of perseverance,

intentionality, and discipline outlined in this book, you will see lasting and astonishing results in your spiritual health, within your marriage and family, in the quality of your work, and in a more authentic ability to honor God with your life.

**Nineteen Eighty-Four** - George Orwell  
2021-01-09

"*Nineteen Eighty-Four: A Novel*", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "*Nineteen Eighty-Four*" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

*Social Intelligence* - Daniel Goleman 2006-09-26  
*Emotional Intelligence* was an international phenomenon, appearing on the New York Times bestseller list for over a year and selling more than five million copies worldwide. Now, once again, Daniel Goleman has written a groundbreaking synthesis of the latest findings in biology and brain science, revealing that we are “wired to connect” and the surprisingly deep impact of our relationships on every aspect of our lives. Far more than we are consciously aware, our daily encounters with parents, spouses, bosses, and even strangers shape our brains and affect cells throughout our bodies—down to the level of our genes—for good or ill. In *Social Intelligence*, Daniel Goleman explores an emerging new science with startling implications for our interpersonal world. Its most fundamental discovery: we are designed for sociability, constantly engaged in a “neural ballet” that connects us brain to brain with those around us. Our reactions to others, and theirs to us, have a far-reaching biological impact, sending out cascades of hormones that regulate everything from our hearts to our immune systems, making good relationships act like vitamins—and bad relationships like poisons. We can “catch” other people’s emotions the way we catch a cold, and the consequences of isolation or relentless social stress can be life-shortening. Goleman explains the surprising accuracy of first impressions, the basis of charisma and emotional power, the complexity of sexual attraction, and how we detect lies. He describes the “dark side” of social intelligence, from narcissism to Machiavellianism and psychopathy. He also reveals our astonishing capacity for “mindsight,” as well as the tragedy of those, like autistic children, whose mindsight is impaired. Is there a way to raise our children to be happy? What is the basis of a nourishing marriage? How can business leaders and teachers inspire the best in those they lead and teach? How can groups divided by prejudice and hatred come to live together in peace? The answers to these questions may not be as elusive as we once thought. And Goleman delivers his most heartening news with powerful conviction: we humans have a built-in bias toward empathy, cooperation, and altruism—provided we develop

the social intelligence to nurture these capacities in ourselves and others.

Chronicle of a Death Foretold - Gabriel García Márquez 2014-10-15

AVAILABLE FOR THE FIRST TIME IN eBook! A man returns to the town where a baffling murder took place 27 years earlier, determined to get to the bottom of the story. Just hours after marrying the beautiful Angela Vicario, everyone agrees, Bayardo San Roman returned his bride in disgrace to her parents. Her distraught family forced her to name her first lover; and her twin brothers announced their intention to murder Santiago Nasar for dishonoring their sister. Yet if everyone knew the murder was going to happen, why did no one intervene to stop it? The more that is learned, the less is understood, and as the story races to its inexplicable conclusion, an entire society--not just a pair of murderers—is put on trial. Gabriel García Márquez was born in Colombia in 1927. He was awarded the Nobel Prize in Literature in 1982. He is the author of many works of fiction and nonfiction, including *One Hundred Years of Solitude*, *Love In The Time Cholera*, *The Autumn Of The Patriarch*, *The General In His Labyrinth*, and *News Of A Kidnapping*. He died in 2014.

Tu momento es ahora - Victor Hugo Manzanilla 2017-07-25

Las cosas buenas no solo le suceden a los demás. El momento ha llegado. Es hora de que el éxito te suceda a ti. Este libro te guiará por un proceso de tres pasos sencillos cuya aplicación garantizan que alcances tus sueños y metas. El éxito es una ciencia y un arte a la vez. Por un lado, son principios que invariablemente te llevarán a acercarte a tus sueños. Por otro, es un arte, un proceso de descubrirte a ti mismo, y encontrar plenitud y significado para tu vida. Necesitas aprender ambos: el arte y la ciencia del éxito. Este libro te llevará por un proceso de tres pasos: 1. Conquistando lo interno: Para tener éxito y lograr tus sueños (conquistar lo externo), primero necesitas conquistar lo interno. Debes aprender a reprogramar tu mente, conectar con tu espíritu y desarrollar tu cuerpo, y así estar listo para la gran aventura de tu vida. El epicentro de la plenitud, el significado y la felicidad se encuentran en este primer paso. Si no conquistas lo interno, nunca te sentirás pleno, sin importar el nivel de éxito que hayas

alcanzado. Todo esto es el arte del éxito. 2. Conectando lo interno con lo externo: Este segundo paso tiene que ver con la definición de la visión para tu vida, tus metas, los hábitos que necesitas desarrollar para transitar el camino correcto. En este segundo paso defines el mapa que precisas para lanzarte a la aventura por tus sueños. 3. Conquistando lo externo: En este tercer y último paso te entrego las herramientas y las habilidades básicas que necesitas para alcanzar el éxito tal y como lo tienes definido. Aquí descubrirás la ciencia del éxito: establecer una estructura integral que puedes seguir para lograr tus metas de manera tangible. ESTE ES EL MOMENTO QUE HAS ESTADO ESPERANDO. TU MOMENTO ES AHORA. I have long waited for this moment... I have seen in my life how great things happen to my family members, coworkers, and friends: promotions, money, opportunities, etc. And sometimes I feel that those opportunities don't come my way at the same level as they do to others. I need to have that time now." I have long waited for this moment... I have seen in my life how great things happen to my family members, coworkers, and friends: promotions, money, opportunities, etc. And sometimes I feel that those opportunities don't come my way at the same level as they do to others. I need to have that time now." This book will guide you on the path to ensuring that your time arrives now. Success will now happen to you. That Success is both a matter of science and of art. On one hand there are the principles that, if applied will bring you closer to your dreams. On the other, it is a process of self-discovery allowing you to find fulfillment and meaning in your life. This book will take you through a three-step process: Conquering the internal, Connecting the internal to the external and Conquering the external

- Robert Louis Stevenson 1922

**Developing the Leader Within You** - John C. Maxwell 2005-08-20

Developing the Leader Within You is Dr. Maxwell's first and most enduring leadership book, having sold more than one million copies. In this Christian Leaders Series edition of this Maxwell classic, you will discover the biblical foundation for leadership that John Maxwell has

used as a pastor and business leader for more than forty years. These same principles and practices are available for everyday leaders in every walk of life. It is a lofty calling to lead a group—a family, a church, a nonprofit, a business—and the timeless principles in this book will bring positive change in your life and in the lives of those around you. You will learn: **The True Definition of Leader.** “Leadership is influence. That’s it. Nothing more; nothing less.” **The Traits of Leadership.** “Leadership is not an exclusive club for those who were ‘born with it.’ The traits that are the raw materials of leadership can be acquired. Link them up with desire, and nothing can keep you from becoming a leader.” **The Difference Between Management and Leadership.** “Making sure the work is done by others is the accomplishment of a manager. Inspiring others to do better work is the accomplishment of a leader.” God has called every believer to influence others, to be salt and light. **Developing the Leader Within You** will equip you to improve your leadership and inspire others.

**Despierta tu héroe interior** - Victor Hugo Manzanilla 2015-07-14

Si recibieras una llamada inesperada para hacer una película sobre tu vida, ¿sería una película cautivadora, llena de riesgo, batalla y victoria? ¿O sería una de esas películas en las que las personas salen del cine antes de que acabe? Todos hemos escuchado sobre grandes historias de héroes famosos, hombres y mujeres que han dejado huella y han marcado la diferencia. Pero... ¿qué hay de tu vida? ¿Puedes hacer de ella una de esas grandes historias? **Despierta tu héroe interior** es un llamado a la aventura, a salir de tu zona de confort para tomar riesgos que te llevarán a cambiar en forma radical la manera en la que estás viviendo tu vida. Basado en la Jornada del Héroe y en principios universales que han sido utilizados por poetas, escritores y directores para crear grandes historias, el autor revela 7 pasos que te llevarán a hacer realidad tus más profundos deseos y construir una historia digna

de contar. Descubrirás que en la vida hay grandes cosas reservadas para ti, si te atreves a intentarlo. Más allá de la rutina del día a día, existe un anhelo dentro de ti que te impulse a entregarlo todo por cumplir un propósito, a sumergirte en tu propia historia, a vivir tu vida con éxito y significado, a despertar tu héroe interior.

**South American Independence** Catherine Davies 2006-01-01

Examining women writers from Brazil, Argentina, Chile, Peru, and Colombia, this book traces the contradictions inherent in revolutionary movements that, while arguing for the rights of all, remained ambivalent, at best, about the place of women. It reveals the complex role of women in shaping the vexed ideologies of independence.

**Thinking, Fast and Slow** Daniel Kahneman 2011-10-25

Major New York Times bestseller Winner of the National Academy of Sciences Best Book Award in 2012 Selected by the New York Times Book Review as one of the ten best books of 2011 A Globe and Mail Best Books of the Year 2011 Title One of The Economist's 2011 Books of the Year One of The Wall Street Journal's Best Nonfiction Books of the Year 2011 2013 Presidential Medal of Freedom Recipient Kahneman's work with Amos Tversky is the subject of Michael Lewis's **The Undoing Project: A Friendship That Changed Our Minds** In the international bestseller, **Thinking, Fast and Slow**, Daniel Kahneman, the renowned psychologist and winner of the Nobel Prize in Economics, takes us on a groundbreaking tour of the mind and explains the two systems that drive the way we think. System 1 is fast, intuitive, and emotional; System 2 is slower, more deliberative, and more logical. The impact of overconfidence on corporate strategies, the difficulties of predicting what will make us happy in the future, the profound effect of cognitive biases on everything from playing the stock market to planning our next vacation—each of these can be understood only by knowing how the two systems shape our judgments and decisions. Engaging the reader in a lively conversation about how we think, Kahneman reveals where we can and cannot trust our intuitions and how we can tap into the benefits of slow thinking. He

offers practical and enlightening insights into how choices are made in both our business and our personal lives—and how we can use different techniques to guard against the mental glitches that often get us into trouble. Winner of the National Academy of Sciences Best Book Award and the Los Angeles Times Book Prize and selected by The New York Times Book Review as one of the ten best books of 2011, *Thinking, Fast and Slow* is destined to be a classic.

Attempting to rescue two worlds from collapse, Thomas Hunter races to stop a virus unleashed by terrorists, as he also commands an army of primitive warriors fighting for their survival.

***The Children of Sanchez*** - Oscar Lewis 2011-11-29

A pioneering work from a visionary anthropologist, *The Children of Sanchez* is hailed around the world as a watershed achievement in the study of poverty—a uniquely intimate investigation, as poignant today as when it was first published. It is the epic story of the Sánchez family, told entirely by its members—Jesus, the 50-year-old patriarch, and his four adult children—as their lives unfold in the Mexico City slum they call home. Weaving together their extraordinary personal narratives, Oscar Lewis creates a sympathetic but ultimately tragic portrait that is at once harrowing and humane, mystifying and moving. An invaluable document, full of verve and pathos, *The Children of Sanchez* reads like the best of fiction, with the added impact that it is all, undeniably, true.

*How to Worship a King* Zach Neese 2015-09  
Worship is more than music. It is the impetus for everything we do as Christians. It is expressed through every action of our lives and helps us become more Christlike. When we learn to worship God through our life, we become better Christians, ministers, musicians, parents, and mechanics. Transform every area of your life through worship. This book unfolds a holistic view of worship so that you can experience peace, joy, and the richness of living in God's presence. Be drawn to the heart of God as you explore answers to important questions such as: What are praise and worship, and what is my part in them? If I'm not a musician or singer, how can I be a worship leader? What does the Bible teach about how we come into the presence of God and how we lead other people into the presence of God?

Thus Spake Zarathustra - Friedrich Wilhelm Nietzsche 2003

Wayne (English, Edison College, Fort Myers) emphasizes the word play in German philosopher Nietzsche's (1844-1900) famous and famously difficult treatise. He also preserves the rough edges that many previous translators have sought to file down. He does not provide notes or an index. Annotation (c)

The House on Mango Street - Sandra Cisneros 2013-04-30

NATIONAL BESTSELLER • A coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. *The House on Mango Street* is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes—sometimes heartbreaking, sometimes deeply joyous—Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers. "Cisneros draws on her rich [Latino] heritage ... and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one."  
—The New York Times Book Review

**Acoustic Properties** - Tom McEnaney

2017-06-15

*Acoustic Properties: Radio, Narrative, and the New Neighborhood of the Americas* discovers the prehistory of wireless culture. It examines both the coevolution of radio and the novel in Argentina, Cuba, and the United States from the early 1930s to the late 1960s, and the various populist political climates in which the emerging medium of radio became the chosen means to produce the voice of the people. Based on original archival research in Buenos Aires, Havana, Paris, and the United States, the book develops a literary media theory that understands sound as a transmedial phenomenon and radio as a transnational medium. Analyzing the construction of new social and political relations in the wake of the United States' 1930s Good Neighbor Policy, *Acoustic Properties* challenges standard narratives of hemispheric influence through new readings of Richard Wright's cinematic work in Argentina, Severo Sarduy's radio plays in France, and novels by John Dos Passos, Manuel Puig, Raymond Chandler, and Carson McCullers. Alongside these writers, the book also explores Che Guevara and Fidel Castro's *Radio Rebelde*, FDR's fireside chats, Félix Caignet's invention of the radionovela in Cuba, Evita Perón's populist melodramas in Argentina, Orson Welles's experimental New Deal radio, Cuban and U.S. "radio wars," and the 1960s African American activist Robert F. Williams's proto-black power *Radio Free Dixie*. From the doldrums of the Great Depression to the tumult of the Cuban Revolution, *Acoustic Properties* illuminates how novelists in the radio age converted writing into a practice of listening, transforming realism as they struggled to channel and shape popular power.

LSD, My Problem Child - Albert Hofmann 2005  
This is the story of LSD told by a concerned yet hopeful father, organic chemist Albert Hofmann. He traces LSD's path from a promising psychiatric research medicine to a recreational drug sparking hysteria and prohibition. We follow Dr. Hofmann's trek across Mexico to discover sacred plants related to LSD, and listen in as he corresponds with other notable figures about his remarkable discovery. Underlying it all is Dr. Hofmann's powerful conclusion that mystical experience may be our planet's best hope for

survival. Whether induced by LSD, meditation, or arising spontaneously, such experiences help us to comprehend the wonder, the mystery of the divine in the microcosm of the atom, in the macrocosm of the spiral nebula, in the seeds of plants, in the body and soul of people. Now, more than sixty years after the birth of Albert Hofmann's problem child, his vision of its true potential is more relevant, and more needed, than ever.

The Varieties of Religious Experience - William James 1982-12-16

Standing at the crossroads of psychology and religion, this catalyzing work applied the scientific method to a field abounding in abstract theory. William James believed that individual religious experiences, rather than the precepts of organized religions, were the backbone of the world's religious life. His discussions of conversion, repentance, mysticism and saintliness, and his observations on actual, personal religious experiences - all support this thesis. In his introduction, Martin E. Marty discusses how James's pluralistic view of religion led to his remarkable tolerance of extreme forms of religious behaviour, his challenging, highly original theories, and his welcome lack of pretension in all of his observations on the individual and the divine.

**Women Who Run with the Wolves** - Clarissa Pinkola Estés 1999-01

New enhanced edition of the original underground classic by Clarissa Pinkola Estés, Ph.D., features rare interview excerpts with this internationally acclaimed Jungian analyst and cantadora (keeper of the old stories). First released three years before the print edition of *Women Who Run With the Wolves* (Ballantine books, 1997) made publishing history (more than 2 million copies sold worldwide), this landmark audio probes the instinctual nature of women through world myths, folktales, and commentary. Through an exploration into the nature of the wild woman archetype, Dr. Estés helps listeners discover and reclaim their passion, creativity, and power.
