## **Human Resources Management in Canada** - Gary Dessler 1998

*Supporting Play in Early Childhood: Environment, Curriculum Assessment* - Dorothy Justus Sluss  
2014-01-01

Aimed at teachers and future teachers of children from birth through age eight, this book examines the positive effects of play on children's social/emotional, cognitive, and physical development. You will learn how to assess a child's learning through play, making play a more practicable teaching mechanism. You also will learn step-by-step recommendations for establishing a classroom that promotes play and how to develop play-based programs for children in specific age groups: infants and toddlers, preschoolers, kindergarten children, and primary-age children. Incorporating play into the program of special needs children is addressed in each age-specific section and in a separate chapter. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

## **Human Resource Management** - Robert N. Lussier 2017-11-30

## **HRD Audit** - T. V. Rao 2014-08-05

Human capital is an essential component of the market value as well as brand value of every organization. HRD Audit presents the first-ever comprehensive approach to evaluating and re-designing human resource development (HRD) function and interventions, and maximizing their contribution to business goals and human capital formation. A unique feature of the book is the HRD Score Card approach that organizations can use to assess and benchmark their level of HRD and its alignment with business goals. The second edition is thoroughly updated and revised to cater to the needs of current practitioners and students. It aligns the chapters with the HRD Score Card 2500, which itself is based on the first edition of HRD Audit and developments thereafter.

## Management of Human Resources - Gary Dessler 2018-01-26

Note: You are purchasing a standalone product; MyLab Management does not come packaged with this content. Students, if interested in purchasing this title with MyLab Management, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. *Management of Human Resources: The Essentials, Fifth Canadian Edition*, recognizes that human resources are now among the most important organizational assets, and thus brings both human resources and non-human resources readers into a current and comprehensive discussion about human resources today. The term human resources refers to the employee--employer relationship in the workplace. The knowledge, skills, assets, and competencies employees bring to their work help the organization achieve its objectives; these resources provide a source of competitive advantage for organizations in a hyper-competitive, global environment. ## International Human Resource Management - Mustafa F. Özbilgin 2014-03-07

*International Human Resource Management* offers a contemporary and multilayered introduction to international and comparative human resource management for university study. It critically analyses the core issues and emerging trends in the field, with a consistent emphasis on real-world scenarios and concerns. At the macro level, the book examines how IHRM fits within and adapts to the ever-changing environment of international relations and global development. At the firm level, it elucidates the strategic goals served by IHRM and the processes used to achieve them. At the individual level, the analysis extends beyond the traditional focus on expatriates to encompass the various IHRM actors and their motivations. Each chapter features a case study, tutorial activities and discussion questions. The book concludes with three extended case studies, each based on a specific region, to help students consolidate their understanding.

## **Human Resource Management** - Robert L. Mathis 2004

This market-leading text takes a pragmatic approach emphasizing the strategic role of human resources. Comprehensive, research-based coverage includes all major topics identified on the Human Resource Certification Institutes Content Outline. Coverage includes a global chapter, expanded coverage of diversity, new material on performance management, and current hot topics such as self-directed work teams, shamrock organization, broadbanding, competency-based pay systems, job security, violence in the workplace, and how organizational commitment affects production, quality, and service.

## Personnel Management - Gary Dessler 1978

## Human Resource Management - Gary Dessler 2000

*Human Resource Management* provides readers with a complete, comprehensive review of essential personnel management concepts and techniques in a highly readable and understandable form. Coverage emphasizes essential themes throughout the book, including the building of better, faster, more competitive organizations through HRM; practical applications that help all managers deal with their personnel-related

responsibilities; and technology and HR. Specific topics include the strategic role of human resource management; equal opportunity and the law; job analysis; personnel planning and recruiting; employee testing and selection; interviewing candidates; training and developing employees; managing organizational renewal; appraising performance; managing careers and fair treatment; establishing pay plans; pay-for-performance and financial incentives; benefits and services; labor relations and collective bargaining; employee safety and health; managing human resources in an international business; human resources information systems and technology. For practicing Human Resource Managers as well as any business managers who deal with human resource/personnel issues.
