An Episode of War - Stephen Crane 2009-04-28

Though best known for The Red Badge of Courage, his classic novel of men at war, in his tragically brief life and career Stephen Crane produced a wealth of stories—among them "The Monster," "The Upturned Face," "The Open Boat," and the title story—that stand among the most acclaimed and enduring in the history of American fiction. This superb volume collects stories of unique power and variety in which impressionistic, hallucinatory, and realistic situations alike are brilliantly conveyed through the cold, sometimes brutal irony of Crane's narrative voice.

Riding the Devil - Robin Radlauer-Cramer 2014-10-20

José's story is set in the rich setting of a Southern California Rancho while California was still part of a newly independent Mexico. Eleven-year-old José dreams of being a vaquero, a cowboy. However, he must first conquer his fears by facing the injustices of his era, animal cruelty, wild animals and the vindictive young vaquero, Chaco. José's adventure begins when Patas Locas, a horse with a strong and wild spirit, comes to the Rancho and seems to be "unbreakable" and unrideable. The arrogant Chaco, a young vaquero, is repeatedly thrown from Patas Locas. The stallion refuses to be "broken" in the traditional manner. Frustrated and embarrassed by his lack of success, Chaco lashes out at José. Ashamed, José interprets his feelings of compassion for the animals as cowardice. Like any son, José seeks his father's approval. But José's vaquero father is angered and disappointed when he misunderstands José's behavior and sees his son as weak and fearful. Fifteen-year-old Gogo is considered "the dummy" of the rancho due to his speech impediment and general shyness. He too is bullied by Chaco, teased for his odd speech, and for being so big and awkward. But some people on the Rancho recognize that Gogo has a gift with animals. Unlike Chaco who tries to control "Patas" by force, Gogo is able to calm the wild animal with a gentle touch. José discovers his strength and unleashes his fury when Chaco puts a helpless young horse in the holding pen with a California Grizzly Bear who has been captured for the traditional bull & bear fight. José

risks his own life to free the young filly. Instead of being recognized for his courage, José is falsely accused of mistreating the young horse. The consequences of his actions take José on an adventure he never wanted with results he could only dream of.

The Exclusive Method You Can Use to Learn—Not Just

Memorize—Essential Words A powerful vocabulary expands your world of opportunity. Building your word power will help you write more effectively, communicate clearly, score higher on standardized tests like the SAT, ACT, or GRE, and be more confident and persuasive in everything you do. Using the exclusive Fiske method, you will not just memorize words, but truly learn their meanings and how to use them correctly. This knowledge will stay with you longer and be easier to recall—and it doesn't take any longer than less-effective memorization. How does it work? This book uses a simple three-part system: 1. Patterns: Words aren't arranged randomly or alphabetically, but in similar groups based on meaning and origin that make words easier to remember over time. 2. Deeper Meanings, More Examples: Full explanations—not just brief definitions—of what the words mean, plus multiple examples of the words in sentences. 3. Quick Activities: Frequent short quizzes help you test how much you've learned, while helping your brain internalize their meanings.

Kid the Pirate Washington Irving 2020-08-26

Touching upon the legends surrounding the infamous captain William Kid, Washington Irving's short story deals in feats of adventures, pirates, and buried treasure. The tempestuous life of William Kid and his return "laden with booty" gives vent to the rise of treasure-seekers, chasing wild rumours. Superstition, devilry, and magic intertwine in this short story that forms the backbone of American folklore tales about pirates and hidden, stolen goods. But do not hasten to grab the shovel - the aforesaid treasure is often guarded by the Devil himself. Versatile as the subject matter of his literary oeuvre, the name of Washington Irving still echoes

in the corridors of the American literary canon. Having earned special status as a man of letters in America and Europe alike, Irving's fame stems primarily from his short stories "Rip Van Winkle" and "The Legend of Sleepy Hollow". An avid biographer and historian, his influence can be felt within a vast group of American and British authors such as Nathaniel Hawthorne, E. A. Poe, Charles Dickens, and Sir Walter Scott. *A Psalm of Life* - Henry Wadsworth Longfellow 1891

The Devil and Daniel Webster - Stephen Vincent Benét 1943-10

Tom Tom - Rosemary Sullivan 2010

An honour book and shortlisted title in the CBC Early Childhood book of the Year Awards 2009. Tom Tom is an engaging contemporary story that traces a day in the life of a small boy living in a typical Aboriginal community in the Top End of the Northern Territory. It follows the adventures of Tom Tom as he goes to preschool, eats lunch with Granny Annie in the bottom camp, swims in the Lemonade Springs in the afternoon and spends the night with Granny May and grandfather Jo in the top camp. Rosemary Sullivan's simple text and Dee Huxley's vivid illustrations captures the warmth and security of Tom Tom's world as he moves freely within his community from relative to another. As a pre-school teacher working in remote Aboriginal communities for more than 17 years, Rosemary Sullivan says: 'Tom Tom was inspired by the lives of many indigenous children in the Top End and the importance of family and interconnectedness in Aboriginal life.'

Lunch with Lenin and Other Stories - Deborah Ellis 2008

Presents short stories involving teenagers around the world and how their lives are affected by drugs, including a student in North America buying drugs in school and an Afghan girl harvesting opium.

The World of Words - Margaret Ann Richek 1995-07-01

This text aims to develop vocabulary skills by teaching students three basic strategies: dictionary skills, context clues, and word elements, all

within an approach that links students' general knowledge to vocabulary and helps students see that vocabulary is relevant to their lives. Unifying themes for each chapter are central to the author's approach, as are the carefully paced lessons and exercise sequences. The text includes readings on subjects from across the disciplines and supplies information that is of use to students in their other or future coursework.

Swimming to Antarctica - Lynne Cox 2009-09-09

NATIONAL BESTSELLER • In this extraordinary book, the world's most extraordinary distance swimmer writes about her emotional and spiritual need to swim and about the almost mystical act of swimming itself.

Lynne Cox trained hard from age nine, working with an Olympic coach, swimming five to twelve miles each day in the Pacific. At age eleven, she swam even when hail made the water "like cold tapioca pudding" and was told she would one day swim the English Channel. Four years later—not yet out of high school—she broke the men's and women's world records for the Channel swim. In 1987, she swam the Bering Strait from America to the Soviet Union—a feat that, according to Gorbachev, helped diminish tensions between Russia and the United States. Lynne Cox's relationship with the water is almost mystical: she describes swimming as flying, and remembers swimming at night through flocks of flying fish the size of mockingbirds, remembers being escorted by a pod of dolphins that came to her off New Zealand. She has a photographic memory of her swims. She tells us how she conceived of, planned, and trained for each, and re-creates for us the experience of swimming (almost) unswimmable bodies of water, including her most recent astonishing one-mile swim to Antarctica in thirty-two-degree water without a wet suit. She tells us how, through training and by taking advantage of her naturally plump physique, she is able to create more heat in the water than she loses. Lynne Cox has swum the Mediterranean, the three-mile Strait of Messina, under the ancient

bridges of Kunning Lake, below the old summer palace of the emperor of China in Beijing. Breaking records no longer interests her. She writes about the ways in which these swims instead became vehicles for personal goals, how she sees herself as the lone swimmer among the waves, pitting her courage against the odds, drawn to dangerous places and treacherous waters that, since ancient times, have challenged sailors in ships.

The Devil and Tom Walker - Washington Irving 2017-09-10

The Devil and Tom Walker by Washington Irving Classic Short Horror Stories - The Devil By his interest in popular legends the first of the great American writers shows his sympathy with the Romantic movement, which prevailed in his time in all the countries of Europe. His devil, however, has not been imported from the lands across the Atlantic, but is a part of the superstitions of the New World. The author himself did not believe in "Old Scratch." The real devils for him were the slave-traders and the witch-hunters of Salem fame. It is interesting now to read a contemporary critic of Washington Irving's devil-story: "If Mr. Irving believes in the existence of Tom Walker's master, we can scarcely conceive how he can so earnestly jest about him; at all events, we would counsel him to beware lest his own spells should prove fatal to him" (Eclectic Review, 1825). Few people in those days had the courage to take Old Nick good-naturedly. "Even the clever Madame de Stael," said Goethe, "was greatly scandalized that I kept the devil in such good-humour." The devil appears in many colours, principally, however, in black and red. It is a common belief in Scotland that the devil is a black man, as may also be seen in Robert Louis Stevenson's story "Thrawn Janet." There is no warrant in the biblical tradition for a black devil. Satan, however, appeared as an Ethiopian as far back as the days of the Church Fathers. The black colour presumably is intended to suggest his

place of abode, whereas red denotes the scorching fires of hell. The devil was considered as a sort of eternal Salamander. In the New Testament he is described as a fiery fiend. Red was considered by Oriental nations as a diabolical colour. In Egypt red hair and red animals of all kinds were considered infernal. The Apis was also red-coloured. Satan's red beard recalls the Scandinavian god Donar or Thor, who is of Phoenician origin. Judas was always represented in mediaeval mystery-plays with a red beard; and down to the present day red hair is the mark of a suspicious character. The devil also appears as yellow, and even blue, but never as white or green. The yellow devil is but a shade less bright than his fiery brother. The blue devil is a sulphur-constituted individual. He is the demon of melancholy, and fills us with "the blues." As the spirit of darkness and death, the devil cannot assume the colours of white or green, which are the symbols of light and life. The devil's dragon-tail is, according to Sir Walter Scott, of biblical tradition, coming from a literal interpretation of a figurative expression. A few interesting remarks on the expression "The Devil and Tom Walker" current in certain parts of this country as a caution to usurers will be found in Dr. Blondheim's article "The Devil and Doctor Foster" in *Modern Language Notes* for 1918.

The Masque of the Red Death - Edgar Allan Poe 2020-08-01

"The Masque of the Red Death", originally published as "The Mask of the Red Death: A Fantasy", is an 1842 short story by American writer Edgar Allan Poe. The story follows Prince Prospero's attempts to avoid a dangerous plague, known as the Red Death, by hiding in his abbey. He, along with many other wealthy nobles, hosts a masquerade ball within seven rooms of the abbey, each decorated with a different color. In the midst of their revelry, a mysterious figure disguised as a Red Death victim enters and makes his way through each of the rooms. Prospero dies after confronting this stranger, whose "costume" proves to contain nothing tangible inside it; the guests also die in turn. Poe's story follows many traditions of Gothic fiction and is often analyzed as an allegory about the inevitability of death, though some critics advise against an allegorical reading. Many different interpretations have been presented,

as well as attempts to identify the true nature of the titular disease. The story was first published in May 1842 in *Graham's Magazine* and has since been adapted in many different forms, including a 1964 film starring Vincent Price.

A Knickerbocker's History of New York Washington Irving 2021-01-05
Told from the perspective of a cantankerous man named Deidrick Knickerbocker, *A Knickerbocker's History of New York* depicts a satirical history spanning from the world's creation to the end of the Dutch dynasty. Beginning with the start of time itself, Knickerbocker reveals historical anecdotes, both real and imagined featuring social commentary, fresh perspectives on the past, and conversations with powerful historical figures. With humor and intrigue, *A Knickerbocker's History of New York* tells the tale of the discovery of New York, and explores the first Dutch settlements. While examining those origins, Knickerbocker muses about the ethics of colonization and the immoral treatment of Native Americans, with biting and brutal honesty. Still under the Dutch "rule", 1600 New York acted as one of the breeding grounds for many American Christmas traditions, some of which are still alive today. Under a comical microscope, *A Knickerbocker's History of New York* explores the effect the early Dutch settlements have on American culture, particularly in New York. Originally published in 1809, Washington Irving's *A Knickerbocker's History of New York* earned acclaim for its innovative genre as one of the first American comedic works. With the mix of specific, inside jokes and universal humor, Irving's satire invites laughter from both his original audience and contemporary readers. With prose and wit that has remained fresh and hilarious even two-hundred and eleven years later, Washington Irving's *A Knickerbocker's History of New York* contains a narrative that has earned centuries of influence. While playfully mocking both classic literature and historians, Irving was bold enough to even include a list of people, professions and properties that he intended to make fun of. Though Irving mixes fact with fiction, *A Knickerbocker's History of New York* provides useful insight on the history of Dutch Americans, as well as contributing thoughtful social commentary that finds itself still

applicable to modern society. Now featuring a stunning new cover design and a modern font, this edition of Washington Irving's A Knickerbocker's History of New York is both accessible and entertaining.

The Lottery - Shirley Jackson 2008

A seemingly ordinary village participates in a yearly lottery to determine a sacrificial victim.

The Tiger who Would be King James Thurber 2015

Gorgeously illustrated in a large-format album with two gatefolds and a stunning foldout of a jungle at war, *The Tiger Who Would Be King* is as entertaining as it is wise, as wry as it is passionate. Yoon's humorous images support this beautifully written text with wit and insight, playing up the comic elements, while showing the pathos as well.

The Devil's Teeth - Susan Casey 2006-05-30

A journalist's obsession brings her to a remote island off the California coast, home to the world's most mysterious and fearsome predators--and the strange band of surfer-scientists who follow them Susan Casey was in her living room when she first saw the great white sharks of the Farallon Islands, their dark fins swirling around a small motorboat in a

documentary. These sharks were the alphas among alphas, some longer than twenty feet, and there were too many to count; even more incredible, this congregation was taking place just twenty-seven miles off the coast of San Francisco. In a matter of months, Casey was being hoisted out of the early-winter swells on a crane, up a cliff face to the barren surface of Southeast Farallon Island--dubbed by sailors in the 1850s the "devil's teeth." There she joined Scot Anderson and Peter Pyle, the two biologists who bunk down during shark season each fall in the island's one habitable building, a haunted, 135-year-old house spackled with lichen and gull guano. Two days later, she got her first glimpse of the famous, terrifying jaws up close and she was instantly hooked; her fascination soon yielded to obsession--and an invitation to return for a full season. But as Casey readied herself for the eight-week stint, she had no way of preparing for what she would find among the dangerous, forgotten islands that have banished every campaign for civilization in the past two hundred years. *The Devil's Teeth* is a vivid dispatch from an otherworldly outpost, a story of crossing the boundary between society and an untamed place where humans are neither wanted nor needed.

Rip Van Winkle and The Legend of Sleepy Hollow - Washington Irving 1893

The Devil - Guy De Maupassant 2013-10

Henri René Albert Guy de Maupassant (5 August 1850 - 6 July 1893) was a popular 19th-century French writer, considered one of the fathers of the modern short story and one of the form's finest exponents. A protégé of Flaubert, Maupassant's stories are characterized by their economy of style and efficient, effortless dénouements. Many of the stories are set during the Franco-Prussian War of the 1870s and several describe the futility of war and the innocent civilians who, caught in the conflict, emerge changed. He authored some 300 short stories, six novels, three travel books, and one volume of verse. His first published story "Boule de Suif" ("Ball of Fat", 1880) is often considered his masterpiece. He delighted in clever plotting, and served as a model for Somerset Maugham and O. Henry in this respect. His stories about expensive

jewellery ("The Necklace", "La parure") are imitated with a twist by Maugham ("Mr Know-All", "A String of Beads") and Henry James ("Paste"). Taking his cue from Balzac, Maupassant wrote comfortably in both the high-Realist and fantastic modes; stories and novels such as "L'Héritage" and Bel-Ami aim to recreate Third Republic France in a realistic way, whereas many of the short stories (notably "Le Horla" and "Qui sait?") describe apparently supernatural phenomena. The supernatural in Maupassant, however, is often implicitly a symptom of the protagonists' troubled minds; Maupassant was fascinated by the burgeoning discipline of psychiatry, and attended the public lectures of Jean-Martin Charcot between 1885 and 1886. This interest is reflected in his fiction. Maupassant is notable as the subject of one of Leo Tolstoy's essays on art: The Works of Guy de Maupassant. Friedrich Nietzsche's autobiography mentions him in the following text: "I cannot at all conceive in which century of history one could haul together such inquisitive and at the same time delicate psychologists as one can in contemporary Paris: I can name as a sample - for their number is by no means small, ... or to pick out one of the stronger race, a genuine Latin to whom I am particularly attached, Guy de Maupassant."

Uncle Tom's Cabin Harriet Beecher Stowe 2009-01-01

It is the best known book about American slavery, and was so incendiary upon its first publication in 1852 that it actually ignited the social flames that led to Civil War less than a decade later. What began as a series of sketches for the Cincinnati abolitionist newspaper The National Era scandalized the North, was banned in the South, and ultimately became the bestselling novel of the 19th century. Today, controversy over this melodramatic tale of the dignified slave Tom, the brutal plantation owner Simon Legree, and Stowe's other vividly drawn characters continues, as modern scholars debate the work's newly appreciated feminist undertones and others decry it as the source of enduring stereotypes about African Americans. As one of the most influential books in U.S. history, it deserves to be read by all students of literature and of the American story. American abolitionist and author HARRIET BEECHER STOWE (1811-1896) was born in Connecticut, daughter of a

Congregationalist minister and sister to abolitionist theologian Henry Ward Beecher. She wrote more than two dozen books, both fiction and nonfiction.

The Devil's Dictionary - Ambrose Bierce 1911

Bierce exploits the comic potential of the dictionary format to mock the doublespeak prominent in post-Civil War politics. Using short, pithy entries on a variety of subjects, this "reference book" inverts the meaning of words, skewers popular hypocrisy and showcases Bierce's dark humor. Many of these entries began as newspaper columns Bierce wrote in the 1870s. One hundred years later, it is clear that the America he lampoons is not that different from our own.
