## **Play Baseball the Ripken**

**Way** - Cal Ripken, Jr.

2005-01-25

Every year, hundreds of thousands of children play "Cal Ripken Baseball" in the largest division of Babe Ruth League, Inc. Play Baseball the Ripken Way is the ultimate guide to playing the game, by one of the sport's living legends. Baseball is America's national pastime, but that doesn't mean we're all born naturals. Kids of all ages (and their parents) are eager to

improve specific skills, and now they can learn from one of the most respected baseball families in history. Cal and Bill Ripken have written a thoroughly illustrated instructional book that clearly explains proper baseball fundamentals—hitting, fielding, baserunning, pitching, and much more. Based on the teachings of the late Cal Ripken, Sr., a player, coach, manager, and scout in the Baltimore Orioles system for

thirty-seven years, Play Baseball the Ripken Way shows players just what they need to do to be their best while maintaining a sense of fun and accomplishment with every new lesson. The Ripken Way consists of the following principles: \*Keep It Simple: Teaching that is too complicated is difficult to remember and can result in frustration. \*Explain Why: A teacher who cannot explain why is not truly teaching. Lessons that make sense will stick with players. \*Celebrate the Individual: No two players are alike, so why treat them as if they are? \*Make It Fun: The game gets serious enough quickly enough on its own. Drills and instruction should be structured so that players can enjoy themselves while learning. The book also includes tips for parents and coaches, practice workouts, and drills for players of every level.

High Points - Aaron Coe 2020-03-13

High Points tells the story of a Bob Peddin, a chubby, unspectacular, 40-something family guy, who believes he discovers a social media connection between mothers who have disappeared and his old high school friend's quest to summit the high point of each of the 50 states. Is he imagining things? Or is his old friend killing women all over the country? Bob envies his former high school classmate, Jake Mallory, who climbs mountains and lives life like a college sophomore for all to see on social media. Bob, whose rare excitement comes mostly from arguing with Little League umpires, weeds through Facebook's whining, bragging and duck-face selfies to live vicariously through

people like Jake - until his chilling discovery pulls him into the middle of the action. With no one willing to listen and police beginning to suspect Bob himself of murder, he must choose between the safety of his suburban cul de sac or a high-altitude confrontation.

**Sirius** - Jay B. Holberg

2007-02-22

This book tells two stories. The first and most obvious is why the star known as Sirius has been regarded as an important fixture of the night sky by many civilizations and cultures since the beginnings of history. A second, but related, narrative is the prominent part that Sirius has played in how we came to achieve our current scientific understanding of the nature and fate of the stars. This is the first book to integrate the cultural history of Sirius with modern astrophysics in a way which provides a realistic view of how science progresses over time.

**Baltimore Sports** - Daniel A. Nathan 2016-08-01

To read a sample chapter, visit [www.uapress.com](http://www.uapress.com). Baltimore is

the birthplace of Francis Scott Key's "The Star-Spangled Banner," the incomparable Babe Ruth, and the gold medalist Michael Phelps. It's a one-of-a-kind town with singular stories, well-publicized challenges, and also a rich sporting history. Baltimore Sports: Stories from Charm City chronicles the many ways that sports are an integral part of Baltimore's history and identity and part of what makes the city unique, interesting, and, for some people, loveable. Wide ranging and eclectic, the essays included here cover not only the Orioles and the Ravens, but also lesser-known Baltimore athletes and teams. Toots Barger, known as the "Queen of the Duckpins," makes an appearance. So do the Dunbar Poets, considered by some to be the greatest high-school basketball team ever. Bringing together the work of both historians and journalists, including Michael Olesker, former Baltimore Sun columnist, and Rafael Alvarez, who was named Baltimore's

Best Writer by Baltimore Magazine in 2014, Baltimore Sports illuminates Charm City through this fascinating exploration of its teams, fans, and athletes.

**Doodled to Death** - C. B. Wilson 2022-10-06

A lost diamond, a century old betrayal and a murdered treasure hunter can't possibly derail a Barkview female aviator's induction into the National Aviation Hall of Fame. But, recent evidence paints Skye Barklay as a murderer. A hundred years after the fact, who would frame her? Cat Wright has her own family issues. When her sister is accused of murder, Cat discovers that someone doesn't want the elusive Douglas Diamond found. Armed with Skye Barklay's diary, Cat learns that the roaring twenties weren't as prosperous or carefree as advertised. In fact, Barkview's five founding families have some skeletons. Question is just how far will someone go today to keep those secrets. Can Cat and her Golden Doodle partner solve a

hundred year old murder and clear Skye before the killer buries the evidence forever?

*Professor Baseball* - Edwin Amenta 2008-09-15

It happens every summer: packs of beer-bellied men with gloves and aluminum bats, putting their middle-aged bodies to the test on the softball diamond. For some, this yearly ritual is driven by a

simple desire to enjoy a good ballgame; for others, it's a way to forge friendships—and rivalries. But for one short, wild-haired, bespectacled professor, playing softball in New York's Central Park means a whole lot more. It's one last chance to heal the nagging wounds of Little League trauma before the rust of decline and the relentless responsibilities of fatherhood set in. Professor Baseball is the coming-of-middle-age story of New York University professor and Little League benchwarmer Edwin Amenta. As rookie manager of the Performing Arts Softball League's doormat Sharkeys, he reverses softball's usual brawn-over-brains formula. He coaxes his skeptical teammates to follow his sabermetric and sociological approach, based equally on Bill James and Max Weber, which in the heady days of early success he dubs "Eddy Ball." But Amenta soon learns that his teammates' attachments to favorite positions and time-honored (if ineffective) strategies are hard

to break—especially when the team begins losing. And though he rejects the baseball-as-life metaphor, life keeps intruding on his softball season. Amenta here comes to grips with the humiliation of assisted reproduction, suffers mysterious ailments, and finds himself lingering at the sponsor's bar, while his partner, a beautiful but baseball-challenged professor, second-guesses his book in the making. Can he turn his team—and his life—around? Packed with colorful personalities, dramatic games, and the bustle of New York life, Professor Baseball will charm anyone who has ever root, root, rooted for the underdog.

Sex & Drugs & Rock n Bowl  
This is serious business. Newly promoted Chief Homicide Detective Jack Diamonds first case is to solve the death of the towns most famous resident, professional bowler Biff Bower. Bowers body was found standing upright on the eve of his annual Memorial Day weekend bowling tournament. An illegal, grueling 72-hour winner-take-all marathon tournament. Detective Diamonds previous experience is of a 20-year veteran beat cop, whose duties were consisted of berating jaywalkers and checking parking meters. Promoted out of necessity and working with a skeleton crew, Diamond must do most of the legwork himself along with Lydia, Biff Bowers, mysterious, young personal biographer. Lydia was also the last known person to have seen Bower alive. Through Lydia,

Diamond gets to know Maddys Place. A home for wayward girls that Bower frequented often during his turbulent youth. He gets to know the influences that he had on it, as well. Within Bower's fifty-year career and the people who shared his life may lie the clues that led to his demise.

**Upstate** - Kalisha Buckhanon  
2007-04-01

"Baby, the first thing I need to know from you is do you believe I killed my father?" So begins *Upstate*, a powerful story told through letters between seventeen-year-old Antonio and his sixteen-year-old girlfriend, Natasha, set in the 1990's in New York. Antonio and Natasha's world is turned upside down, and their young love is put to the test, when Antonio finds himself in jail, accused of a shocking crime. Antonio fights to stay alive on the inside, while on the outside, Natasha faces choices that will change her life. Over the course of a decade, they share a desperate correspondence. Often, they have only each other to turn to

as life takes them down separate paths and leaves them wondering if they will ever find their way back together. Startling, real, and filled with raw emotion, *Upstate* is an unforgettable coming-of-age story with a message of undeniable hope. Brilliant and profoundly felt, it is destined to speak to a new generation of readers.

**Baseball** - Dorothy Seymour Mills 1991-05-30

In *Baseball: The People's Game*, Dorothy Seymour Mills and Harold Seymour produce an authoritative, multi-volume chronicle of America's national pastime. The first two volumes of this study - *The Early Years* and *The Golden Age* - won universal acclaim. The *New York Times* wrote that they "will grip every American who has invested part of his youth and dreams in the sport," while *The Boston Globe* called them "irresistible." Now, in *The People's Game*, the authors offer the first book devoted entirely to the history of the game outside of the professional leagues, revealing how, from its early beginnings up to World War II, baseball truly became the great American pastime. They explore the bond between baseball and boys through the decades, the game's place in institutions from colleges to prisons to the armed forces, the rise of women's baseball that coincided with nineteenth century feminism, and the struggles of black players and clubs from the later years of

slavery up to the Second World War. Whether discussing the birth of softball or the origins of the seventh inning stretch, the Seymours enrich their extensive research with fascinating details and entertaining anecdotes as well as a wealth of baseball experience. The People's Game brings to life the central role of baseball for generations of Americans. Note: On August 2, 2010, Oxford University Press made public that it would credit Dorothy Seymour Mills as co-author of the three baseball histories previously "authored" solely by her late husband, Harold Seymour. The Seymours collaborated on *Baseball: The Early Years* (1960), *Baseball: The Golden Age* (1971) and *Baseball: The People's Game* (1991). *Shepherded to Death* C. B. Wilson 2022-05-31

A stolen diamond, a murdered jewel thief and a sabotaged pickleball tournament can't possibly have anything in common. But, every event leads back to newly-elected Mayor Charlotte Barklay's Founders' Day celebration. Who would want to sabotage a Barkview tradition? Cat Wright can think of a few folks, including the former mayor. When the evidence leads Cat to a colorful gypsy fortune teller and a prophecy starts portending events; Cat can't help but wonder if a real king is hiding in this quaint seaside community. Can Cat and her German Shepherd partner protect their pack from secrets that could change history as we know it?

**Diamonds from the Dugout** - Mark Newman 2017-10

What hit meant the most to you and why? It was a simple question of nine words, a magical number in baseball, and it led award-winning

sportswriter Mark Newman on an eight-year journey that would bring about surprising stories and empowering life lessons from the minds of the most fabled Major League hitters in our time. Charming tales of heroic moments are delivered in a very different and captivating way, as unique as the men who made them happen right before our eyes. It all started with the beloved Hall of Fame third baseman Brooks Robinson, whose eager response was a much-needed lesson in humility as well as inducement to ask it again. From one legend to the next, the answers were unexpected, introspective, telling, and most of all inspiring. Diamonds from the Dugout is a collection of motivational lessons on achieving success in life, organized through stories shared by such greats as Derek Jeter, Stan Musial, Ken Griffey Jr., Pete Rose, Carl Yastrzemski, Wade Boggs, Frank Thomas, Mike Piazza, Cal Ripken Jr., George Brett, Johnny Bench, Brooks and Frank Robinson, Rickey

Henderson, Tony Gwynn, Albert Pujols, Mike Schmidt, Carlton Fisk, Joe Morgan, Tony Perez, Jim Palmer, Robin Yount, Andre Dawson, Lou Brock, Ozzie Smith, Roberto Clemente (via wife Vera), Dave Winfield, Ferguson Jenkins, Joe Carter, Steve Garvey, Ralph Kiner, Roberto Alomar, Bo Jackson, Dale Murphy, Darryl Strawberry, Don Mattingly and more than 100 of our favorites of all-time.

Diamond - Peter J. Hadreas  
1986

In Place of the Flawed

Diamond offers a survey and comparative study of Merleau-Ponty's philosophy. In Peter Hadreas' view, Merleau-Ponty is influenced primarily by Husserl, Sartre and Heidegger. But the sources of Merleau-Ponty's thought cannot be circumscribed by an intellectual narrative- which depicts his thought as an inheritance from celebrated intellectual forebears. Hadreas shows how Merleau-Ponty's thought differs from Husserl's, Sartre's and Heidegger's. The issues Hadreas discusses include Merleau-Ponty's revision of Gestalt psychology, his theory of the body-subject, and his posthumously published doctrines of the flesh- and the chiasm. These last two issues, in particular, are contrasted with issues in Heidegger's later philosophy."
