Bosnian Refugees in America - Reed Coughlan 2005-10-04

In April of 1992, war began in Bosnia. Sarajevo, site of the 1984 Winter Olympics, and, we were told, one of the most beautiful cities in the world, became a city under siege. For all of the people of Bosnia, life shifted in unimaginable ways in a matter of hours, days, or weeks. An immediate exodus began from Bosnia, and people who had never anticipated leaving their country became refugees, dependent upon a world system of resettlement for displaced persons. This book relates the experiences of a hundred Bosnian families who came to Utica, a town in upstate New York. Bosnians in Utica came here as refugees - ginning in 1993, having fled from the wars of succession in the former Yugoslavia. Our study evolved over several years as a result of our interests in the war in Bosnia and the massive flow of refugees that it precipitated. We began work on the project in the late 1990s as we set out to learn about the war and to explore refugee experiences of displacement, transit, and resettlement. Our intent is to portray the experience of Bosnian refugees in one American city and to capture, in their words, in as much detail as possible their adjustment to a new community and a new culture.

Waiting for Elijah - Safet Hadži Muhamedović 2018-04-25

Waiting for Elijah is an intimate portrait of time-reckoning, syncretism, and proximity in one of the world's most polarized landscapes, the Bosnian Field of Gacko. Centered on the shared harvest feast of Elijah's Day, the once eagerly awaited pinnacle of the annual cycle, the book shows how the fractured postwar landscape beckoned the return of communal life that entails such waiting. This seemingly paradoxical situation—waiting to wait—becomes a starting point for a broader discussion on the complexity of time set between cosmology, nationalism, and embodied memories of proximity.

Remembering the Bosnian Genocide - 2016

Bosnia the Good - Rusmir Mahmutcehajic 2000

"The author argues for the history and reality of a Bosnia-Herzegovina based upon a model of 'unity in diversity'. He shows that ethnic and religious cultures co-existed in Bosnia for centuries and that Croatian and Serbian leaders determined to enact their own nationalist programs are to be blamed for the conflicts that devastated a nation. He points out the decisive moment when the international community accepted the Serb/Croat argument that ancient ethnic hatreds were endemic to Bosnia and that ethnic segregation became not only acceptable but desirable. He examines the reasons why Western liberal democracies have regarded with sympathy the struggles of Serbia and Croatia for national recognition, while viewing Bosnia's multicultural society with suspicion."--BOOK JACKET.
