Pathways of the Sun - Dean Liprini 2006

A sacred light grid surrounds Table Mountain -- a network of sacred springs, caves, stone giants and geometrically aligned marker-stones. Some have human faces with their eyes aligned to interact with the cardinal directions of the sun, the Solstices and Equinoxes. Who did this and why? What message do they hold for us? Following the pathways of the sun through the

eyes of ancient peoples, we discover the antiquity of the human spirit and the interconnectedness of all things. The book takes one on a colourful journey of rediscovery. It has been designed so that readers (of all ages) can open it at any page and be drawn into the journey through the magical pathway and photographs that weave the book together.
