The Field - Lynne McTaggart 2009-10-13

“A big, bold, brilliantly crafted page-turner with HUGE ideas that challenge every last view about how the world works. This is both a primer to understand the law of attraction and the essential book of our age.” — Jack Canfield, author of The Success Principles(TM) and featured teacher on The Secret(TM) “One of the most powerful and enlightening books I have ever read. A magnificent job of presenting the hard evidence for what spiritual masters have been telling us for centuries.” — Wayne W. Dyer During the past few years science and medicine have been converging with common sense, confirming a widespread belief that everything—especially the mind and the body—is far more connected than traditional physics ever allowed. The Field establishes a new biological paradigm: it proves that our body extends electromagnetically beyond ourselves and our physical body. It is within this field that we can find a remarkable new way of looking at health, sickness, memory, will, creativity, intuition, the soul, consciousness, and spirituality. The Field helps to bridge the gap that has opened up between mind and matter, between us and the cosmos. Original, well researched, and well documented by distinguished sources, this is the mind/body book for a new millennium.

It's almost a universal law that we'll experience a fall of some kind. Yet these falls or low points provide the energy we need to move away from ego and into a life of meaning and purpose. The Shift doesn't mean that we lose our drive and ambition; it signifies that we become ambitious about something new. We make a commitment to living a life based on experiencing meaning and feeling purposeful, rather than a life based on never-ending demands and false promises that are the trademark of the ego's agenda.

Wisdom of the Ages - Wayne W. Dyer 2009-03-17

National Bestseller This inspiring book by Wayne Dyer, author of the bestselling classics *Your Erroneous Zones* and *Pulling Your Own Strings*, delves into the teachings of intellectuals of our past to mine values and wisdom for the present. "What do our ancestral scholars, whom we consider the wisest and most spiritually advanced, have to say to us today?" asks Dyer. The answer lies in this powerful collection of writings, poems, and sayings by some of the greatest thinkers of the past twenty-five centuries. In succinct original essays, Dyer sets out to explain the meaning and context of each piece of wisdom, and, most important, to explain how we can actively apply these teachings to our modern lives. From sixty ancestral masters - Buddha, Michelangelo, Rumi, Whitman, Jesus, Emily Dickinson, and Emerson, among others - here are treasured passages on a variety of subjects, including solitude, time, and passion. Among the contributions are words on inspiration from Pantanjali, author of the Hindu classic *Yoga Sutras*; teachings about the power of prayer from 13th-century monk St. Francis of Assisi; and thoughts about the importance of action written by Mother Teresa. The voices collected here cut across a wide range of historical eras and cultures, yet they communicate universal truths about the human experience. *Wisdom of the Ages* provides us with a marvelous dual opportunity: to receive guidance from our great ancestors and to recognize our own potential for greatness

Don't Die with Your Music Still in You - Serena J. Dyer 2014-06-16

In 2001, Dr. Wayne Dyer wrote a book called 10 Secrets for Success and Inner Peace, based on the most important principles he wanted his children to live by. Serena Dyer, one of those children, has contemplated these ideas throughout her life. "Don't die with your music still in you" has been the most important principle for Serena: to her, it means that you don't allow yourself to live any life other than the one you were born to live. In this book, Serena sets out to explain what it was like to grow up with spiritual parents. She touches upon all ten of her dad's original secrets, imparting her own experiences with them and detailing how they have affected the way she approaches various situations in life. She shares stories, struggles, and triumphs—and Wayne, in turn, contributes his own perspective. This unique father-daughter collaboration will warm the hearts of all parents . . . and inspire anyone who is looking to find the "music" inside themselves.

No Excuses! - Dr. Wayne W. Dyer 2009-06-15

In his fourth book for children, Dr. Wayne W. Dyer focuses on the topic of excuses and how they can do more harm than we realize. The book demonstrates how excuses go far beyond "my dog ate my homework," and can actually become words that prevent your child from reaching his or her potential. The book follows a boy with a seemingly impossible dream who almost lets excuses ("I'm not smart enough" . . . "It's too hard," and so on) get in his way. He discovers, as will your child, that by following a few simple ideas and eliminating excuses . . . anything is possible!

Being in Balance - Dr. Wayne W. Dyer 2016-07-12

In this inspirational work, beloved best-selling author Dr. Wayne W. Dyer shows you how to restore balance in your life by offering nine principles for realigning your thoughts so that they correspond to your highest desires. Imagine a balance scale with one end weighted down to the ground, and the other end—featuring the objects of your desires—sticking up precariously in the air. This scale is a measurement of your thoughts. To restore the same balance that characterizes everything in our universe, you have to take up the weighty thoughts so that they match up to your desires. The seasons reflect the overall harmony of life. For example, winter passes and the blossoms emerge. This is balanced by a need to have the trees rest, so autumn arrives on time and helps the trees ready themselves for another period of repose. This book is dedicated to the idea that we're a vital component of this creative process and have within ourselves the wherewithal to create all that we want if we recognize and revise out-of-balance thoughts.

A Promise is a Promise "Promise you won't leave me, will you, Mommy?" "Of course not, I would never leave you, darling, I promise. And a promise is a promise!" These were the last words that were exchanged between Kaye O'Bara and her 16-year-old daughter, Edwarda, before the vivacious teenager fell into a diabetic coma on January 3, 1970. For more than 30 years, Edwarda has been in a comatose state - and her mother has kept her promise to never leave her beloved daughter! This dedicated parent, now in her 70s, has kept a vigil by her daughter's bedside for more than a quarter of a century, feeding her every two hours and giving her insulin every four hours around the clock, without fail! The strength, power, and tenacity of Kaye O'Bara's incomparable love has attracted miracles, including the spiritual apparition of the Blessed Mother, who is a frequent "visitor" to the O'Bara home in Miami, Florida. These events have astounded the community and have inspired intense interest from the media, and they

will amaze you - and teach you - as well! This is a phenomenal book about two ordinary people, the miracles that have made their lives extraordinary, and the lessons that you can learn from them. Change Your Thoughts - Change Your Life - Wayne W. Dyer 2008
"This perpetual calendar offers you an opportunity to internalize and directly experience the great wisdom of the Tao Te Ching, a collection of 81 verses authored by Chinese prophet Lao-tzu 25 centuries ago. I've broken down the verses into bite-size pieces so that you can slowly absorb these powerful thoughts and imprint them into your consciousness. "Working with one concept each day of the year, you will come to know the truth behind the ancient Tao observation: When you change the way you look at things, the things you look at change."

Inspiration - Wayne W. Dyer 2009-09

"What I'm offering in this book is the awareness that we can return to a full-time position of inspiration, which is the true meaning of our life." - Dr. Wayne W. Dyer.....INSPIRATION In this groundbreaking book, Dr. Wayne W. Dyer explains how we've chosen to enter this world of particles and form. From our place of origin, in ways that we don't readily comprehend now, we knew what we were coming here to accomplish, and we participated in setting this life process in motion. So why not think along these same lines? Why put the responsibility or blame on any one or any thing that's not a part of us? On Earth we have the capacity of volition - we can choose - so let's assume that we had the same capacity when we resided in the spiritual realm. We chose our physical body, and we chose the parents we needed for the trip. It doesn't seem too great a stretch to move into the idea that we chose this life in concert with our Source. Inspiration can be cultivated and be a driving force throughout life, rather than showing up every now and then and just as mysteriously disappearing, seemingly independent of our desires. Inspiration is for everyone! It isn't reserved for high-profile creative geniuses in the arts and sciences - it's inherent in our Divine birthright. The problem is that as children we're gradually taught to

believe exclusively in the world of phenomena where ego is dominant and inspiration diminished. As you read each chapter in this book, you'll find specific suggestions for living "in-Spirit." From a very personal viewpoint, Wayne offers a blueprint through the world of inspiration - your ultimate calling.

The Invisible Force - Wayne W. Dyer 2009-09-17

THE INVISIBLE FORCE Dr. Wayne W. Dyer has put together this little book in order to convey the fact that intention is a field of energy that flows invisibly beyond the reach of our normal, everyday habitual patterns. It's a force that we all have within us, and we have the power to draw it into our lives by being the energy we want to attract. Use the uplifting material within these pages to bring the power of intention into your life for many years to come, and experience the world in a new and exciting way!

The Knowing - Saje Dyer 2021-05-11

The daughters of beloved teacher Wayne Dyer share their ever-evolving understanding of their father's timeless teachings. "This book is our song for our father and for everyone, because we're all born with a Knowing—an inner compass, the quiet urgings of our soul that guide us. It is through giving love, offering kindness, and paying attention that we can return to our Knowing." —Saje Dyer and Serena Dyer Pisoni To millions of readers around the world, Dr. Wayne Dyer was the beloved "Father of Motivation"—but to Serena, Saje, and their six siblings, he was simply "Dad." When he died suddenly in 2015, the sisters were blindsided by grief and felt unprepared to navigate life's challenges and conflicts without his guidance. The experience launched them on an adventure from loss to understanding as they came to realize and metabolize their father's teachings with a new urgency, intimacy, and power as they applied them to their lives. As their journey unfolded, they realized their father's wisdom—"The Knowing"—was embedded in their DNA ... as it is for all of us. "We didn't discover The Knowing," write the authors. "We simply returned to it." In The Knowing, Saje and Serena share how they recommitted to the teachings of their father and, in doing so, created their own evolution of his principles that they teach today.

They share the 11 lessons that cracked them open and sparked their own spiritual journey, including: • Parented in Pure Love—the joys, surprises, and gifts of growing up in the Dyer family • How the Soul Remembers—how to become a host for miracles instead of a hostage to circumstance • Take Your Shoes Off—bringing stillness to the mind to open your heart to guidance • The Geometry of Forgiveness—change your life and the lives around you with a simple prayer • Especially Love—how to always return to love, kindness, and receptivity

The Knowing is a book for seekers young and old, for fans of Wayne Dyer's work and newcomers alike. Here is a profound and loving guide to lead you back—in crisis, in joy, or in this present moment—to the wellspring of wisdom that always dwells within.

Letting Go - David R. Hawkins, M.D., Ph.D. 2014-01-15

Letting Go describes a simple and effective means by which to let go of the obstacles to Enlightenment and become free of negativity. During the many decades of the author's clinical psychiatric practice, the primary aim was to seek the most effective ways to relieve human suffering in all of its many forms. The inner mechanism of surrender was found to be of great practical benefit and is described in this book. Dr Hawkins's previous books focused on advanced states of awareness and Enlightenment. Over the years, thousands of students had asked for a practical technique by which to remove the inner blocks to happiness, love, joy, success, health and, ultimately, Enlightenment. This book provides a mechanism for letting go of those blocks. The mechanism of surrender that Dr Hawkins describes can be done in the midst of everyday life. The book is equally useful for all dimensions of human life: physical health, creativity, financial success, emotional healing, vocational fulfillment, relationships, sexuality and spiritual growth. It is an invaluable resource for all professionals who work in the areas of mental health, psychology, medicine, self-help, addiction recovery and spiritual development.

I Can See Clearly Now Wayne W. Dyer, Dr. 2014-02-25

For many years, Dr. Wayne W. Dyer's fans have wondered when he would write a memoir. Well, after four decades as a teacher of self-

empowerment and the best-selling author of more than 40 books, Wayne has finally done just that! However, he has written it in a way that only he can—with a remarkable take-home message for his longtime followers and new readers alike—and the result is an exciting new twist on the old format. Rather than a plain old memoir, Wayne has gathered together quantum-moment recollections. In this revealing and engaging book, Wayne shares dozens of events from his life, from the time he was a little boy in Detroit up to present day. In unflinching detail, he relates his vivid impressions of encountering many forks in the road, taking readers with him into these formative experiences. Yet then he views the events from his current perspective, noting what lessons he ultimately learned, as well as how he has made the resulting wisdom available to millions via his lifelong dedication to service. As a reader, you will feel as if you are right there with Wayne, perusing his personal photo album and hearing about his family, his time in the service, how he writes his best-selling books, and so much more. In the process, you'll be inspired to look back at your own life to see how everything you have experienced has led you to where you are right now. Wayne has discovered that there are no accidents. Although we may not be aware of who or what is "moving the checkers," life has a purpose, and each step of our journey has something to teach us. As he says, "I wasn't aware of all of the future implications that these early experiences were to offer me. Now, from a position of being able to see much more clearly, I know that every single encounter, every challenge, and every situation are all spectacular threads in the tapestry that represents and defines my life, and I am deeply grateful for all of it." *I Can See Clearly Now* is an intimate look at an amazing teacher, but it also holds the key for seekers on a personal path of enlightenment. Wayne offers up his own life as an example of how we can all recognize the hand of the Divine steering our individual courses, helping us accomplish the mission we came here to fulfill.

The Power of Intention - Wayne W. Dyer 2009-09

"Intention is a force in the universe, and everything and everyone is connected to this invisible force." Intention is generally viewed as a pit-bull kind of determination, propelling one to succeed at all costs by never

giving up on an inner picture. In this view, an attitude that combines hard work with an indefatigable drive toward excellence is the way to succeed. However, intention is viewed very differently in this book. Dr. Wayne W. Dyer has researched intention as a force in the universe that allows the act of creation to take place. This book explores intention-not as something you do-but as an energy you're a part of. We're all intended here through the invisible power of intention. This is the first book to look at intention as a field of energy you can access to begin co-creating your life! Part I deals with the principles of intention, offering true stories and examples showing how to make the connection. Dr. Dyer identifies the attributes of the all-creating universal mind of intention as creative, kind, loving, beautiful, expanding, endlessly abundant, and receptive, explaining the importance of emulating this source of creativity. In Part II, Dr. Dyer offers an intention guide with specific ways to apply the co-creating principles in daily life. SELF-HELP & PERSONAL DEVELOPMENT. Inspiration is for everyone! It isn't reserved for high-profile creative geniuses in the arts and sciences - it's our Divine birthright. In *Living an Inspired Life* (previously published under the title *Inspiration*), Dr Wayne W Dyer explains how to connect to the knowledge and understanding that we had in the spirit realm before we chose to incarnate in physical form. From this all knowing place of spirit, we choose our physical body, our parents and the nature of the life we would lead on the earth. We made these choices co-creatively with the Source and now here on earth if we can reconnect to that Source energy it can transform our lives. Living our lives inspired by Source energy is a powerful antidote to the feelings of emptiness that disconnection from our soul creates. As you read each chapter in this

book, you'll find specific suggestions for living 'in-Spirit'.

Getting in the Gap - Dr. Wayne W. Dyer 2021-08-10

Why Meditate? The practice of meditation takes us on a fabulous journey into the gap between our thoughts, where all the advantages of a more peaceful, stress-free, healthy, and fatigue-free life are available—but they're merely side benefits. The paramount reason for daily meditation is to get into the gap between our thoughts and make conscious contact with the creative energy of life itself. In this uplifting book, Dr. Wayne W. Dyer explains the soul-nourishing meditation technique for making conscious contact with God, which the ancient masters have told us about. You have all the potential to be an instrument of the highest good for all concerned and to be a literal miracle worker in your own life. No person, government entity, or religious group can legitimately claim to do this for you. "In fact," says Dr. Dyer, "I agree with Carl Jung, who said that one of the main functions of formalized religion is to protect people against a direct experience of God." (Dr. Dyer helps you have this direct experience by leading you through the meditation technique in the accompanying audio download.) When you master getting into the gap, stay there for prolonged segments of meditation, and experience what you bring back into the world, you'll truly know the answer to the question: "Why meditate?"

Memories of Heaven - Wayne Dyer 2015-12-15

Nineteenth-century British poet William Wordsworth expressed the idea that we gradually lose our intimate knowledge of heaven as we grow up, observing that "our birth is but a sleep and a forgetting" of our previous heavenly existence. Dr. Wayne W. Dyer and co-author Dee Garnes had

often talked about how the ones who know the most about God are those who have just recently been wrapped in the arms of the Divine, our infants and toddlers. In fact, Dee had an interaction with her own young son that convinced her of this. Curious about this phenomenon, Wayne and Dee decided to issue an invitation to parents all over the world to share their experiences. The overwhelming response they received prompted them to put together this book, which includes the most interesting and illuminating of these stories in which very young children speak about their remembrances before they were born. It seems that infants and toddlers often arrive here with memories of their lifetimes in the spirit world and frequently provide evidence of this to their immediate families. They tell of dialogues with God, give evidence that they themselves had a hand in picking their own parents, speak about long-deceased family members they knew while in the dimension of Spirit, verify past-life recollections, and speak eloquently and accurately of a kind of Divine love that exists beyond this physical realm--and even of times when telepathic communication took place, as well as the ability to decide just when they would come here to Earth. This fascinating book encourages parents and grandparents to take a much more active role in communicating with their new arrivals . . . and to realize that there is far more to this earthly experience than what we perceive with our five senses.

"By contemplating and applying the precious knowledge in these pages, you will learn to make everything in your life easier . . . Relationships. Jobs. Family. Creativity. Happiness. And maybe even doing something more game-changing than you've ever thought possible." - Dave Asprey
Why do some people thrive while others just get by? What's their secret to peak performance and maximum happiness? Some call it the zest, the gusto, or the extra edge in life. The ancient Indian spiritual tradition Vedanta calls it prana, or life force. We can call it vital force. By any name, it's the fundamental fuel that activates and optimizes all physical, emotional, and cognitive functions, including consciousness, perception, thinking, judgment, and memory. In modern life, we have forgotten the

golden key-the higher our energy, the better our performance in everything we do. Energy naturally impacts mind-set and moves us toward greater happiness, success, and self-awareness. This book gives you back your power with simple tools to take hold of the limitless energy of life itself-more swiftly and easily than you ever thought possible. Rajshree Patel is a former federal prosecutor who discovered Vedanta by accident and went on to become an internationally renowned teacher of its deep wisdom and dynamic practice. In these pages, she reveals: • What vital force is, how it influences every single aspect of your life, how to enhance it-and how your mind, the biggest energy hog, can drain it; • Tools to dial down the chatter of your racing mind and resolve your personal energy crisis; • Why traditional mindfulness meditation may not be your best path to inner peace; • Easy biohacking techniques, from breath work to meditation to movement, that reduce stress and maximize joy; and • Ancient secrets to fuel your purpose and performance in every aspect of your life. The Power of Vital Force is a practical pathway to the unlimited source of energy and intelligence that exists beyond the thinking and reasoning mind.
