Things Fall Apart - Chinua Achebe 2008

'Things Fall Apart' tells the story of Okonkwo, an important man in the Igbo tribe in the days when white men were first on the scene. Okonkwo becomes exiled from his tribe, as a result of his pride and his fears, with tragic consequences.

The Caucasian Chalk Circle - Bertolt Brecht 2015-03-16

This Student Edition of Brecht's classic dramatisation of the conflict over possession of a child features an extensive introduction and commentary that includes a plot summary, discussion of the context, themes, characters, style and language as well as questions for further study and notes on words and phrases in the text. It is the perfect edition for students of theatre and literature. Brecht projects an ancient Chinese story onto a realistic setting in Soviet Georgia. In a theme that echoes the Judgment of Solomon, two women argue over the possession of a child; thanks to the unruly judge, Azdak (one of Brecht's most vivid creations) natural justice is done and the peasant Grusha keeps the child she loves, even though she is not its mother. Written in exile in the United States during the Second World War, *The Caucasian Chalk Circle* is a politically-charged, much-revived and complex example of Brecht's epic theatre. This volume contains expert notes on the author's life and work, historical and political background to the play, photographs from stage productions and a glossary of difficult words and phrases. It features the acclaimed translation by James and Tania Stern with W. H. Auden.

Not Yet Uhuru - Oginga Odinga 1995

Firmin - Sam Savage 2011-08-24

In the basement of a Boston bookstore, Firmin is born in a shredded copy of *Finnegans Wake*, nurtured on a diet of *Zane Grey*, *Lady Chatterley's Lover*, and *Jane Eyre* (which tastes a lot like lettuce). While his twelve siblings gnaw these books obliviously, for Firmin the words, thoughts, deeds, and hopes—all the literature he consumes—soon consume him. Emboldened by reading, intoxicated by curiosity, foraging for food, Firmin ventures out of his bookstore sanctuary, carrying with him all the yearnings and failings of humanity itself. It's a lot to ask of a rat—especially when his home is on the verge of annihilation. A novel that is by turns hilarious, tragic, and hopeful, *Firmin* is a masterpiece of literary imagination. For here, a tender soul, a vagabond and philosopher, struggles with mortality and meaning—in a tale for anyone who has ever feasted on a book...and then had to turn the final page. NOTE: This edition does not include illustrations.

The Joys of Motherhood Buchi Emecheta 1994

...a graceful, touching, ironically titled tale. - John Updike A new edition of her classic novel to coincide with the publication of her other works in the African Writers Series. Nnu Ego is a woman devoted to her children, giving them all her energy, all her worldly possessions, indeed, all her life to them -- with the result that she finds herself friendless and alone in middle age. This story of a young mother's struggles in 1950s Lagos is a powerful commentary on polygamy, patriarchy, and women's changing

roles in urban Nigeria.

The Silent Waters - Brittainy C. Cherry 2016-09-27

Moments. Our lives are a collection of moments. Some utterly painful and full of yesterday's hurts. Some beautifully hopeful and full of tomorrow's promises. I've had many moments in my lifetime, moments that changed me, challenged me. Moments that scared me and engulfed me. However, the biggest ones—the most heartbreaking and breathtaking ones—all included him. I was ten years old when I lost my voice. A piece of me was stolen away, and the only person who could truly hear my silence was Brooks Griffin. He was the light during my dark days, the promise of tomorrow, until tragedy found him. Tragedy that eventually drowned him in a sea of memories. This is the story of a boy and girl who loved each other, but didn't love themselves. A story of life and death. Of love and broken promises. Of moments. (Book Three in the Elements Series. Complete Standalone.)

Blossoms of the Savannah - Henry R. ole Kulet 2008

Blossoms of the Savannah is the story of two sisters, Taiyo and Resian, who are on the verge of womanhood and torn between their personal ambitions and the humiliating duty to the Nasila tradition. Relocation to their rural home heralds a cultural alienation born of their refusal to succumb to female genital mutilation and early marriages. In pursuit of the delicate and elusive socio-economic cultural balance in Nasila, Ole. Kaelo, the girls' father is ensnared by a corrupt extortionist. To extricate himself he sends his daughters into a flat-spin labyrinth from which they have to struggle to escape.

The Orsini Bride SWEETBLUNCH 2016-10-03

"I need you to find me a bride." Marco Orsini demanded this from the etiquette teacher, Francesca Marcolini. His grandfather's mandate was simple: Present a bride on the day of his 86th birthday—and thereby secure the continuity of his clan and the massive Orsini empire—or he will be disinherited. But Marco doesn't want just any woman. He wants the perfect woman, and he knew that only Francesca can help him find the perfect bride. She had all the connections to the best women in Italian society after all—She may have even taught them in the ways of the social graces, which intrigues Marco. The two will go to great lengths to find the perfect woman, but how far must they search to find the perfect Orsini bride?

There Was a Country Chinua Achebe 2012-10-11

From the legendary author of *Things Fall Apart* comes a long-awaited memoir about coming of age with a fragile new nation, then watching it torn asunder in a tragic civil war. The defining experience of Chinua Achebe's life was the Nigerian civil war, also known as the Biafran War, of 1967–1970. The conflict was infamous for its savage impact on the Biafran people, Chinua Achebe's people, many of whom were starved to death after the Nigerian government blockaded their borders. By then, Chinua Achebe was already a world-renowned novelist, with a young family to protect. He took the Biafran side in the conflict and served his government as a roving cultural ambassador, from which vantage he absorbed the war's full horror. Immediately after, Achebe took refuge in an academic post in the United States, and for more than forty years he has maintained a considered silence on the events of those terrible years, addressing them only obliquely through his poetry. Now, decades in the making, comes a towering reckoning with one of modern Africa's most fateful events, from a writer whose words and courage have left an enduring stamp on world literature. Achebe masterfully relates his experience, both as he lived it and how he has come to understand it. He begins his story with Nigeria's birth pangs and the story of his own upbringing as a man and as a writer so that we might come to understand the country's promise, which turned to horror when the hot winds of hatred began to stir. To read *There Was a Country* is to be powerfully reminded that artists have a particular obligation, especially during a time of war. All writers, Achebe argues, should be committed writers—they should speak for their history, their beliefs, and their people. Marrying history and memoir, poetry and prose, *There Was a Country* is a distillation of vivid firsthand observation and forty years of research and reflection. Wise, humane, and authoritative, it will stand as definitive and reinforce Achebe's place as one of the most vital literary and moral voices of our age.

The Magnolia Palace - Fiona Davis 2022-01-25

INSTANT NEW YORK TIMES BESTSELLER! Fiona Davis, New York Times bestselling author of *The Lions of Fifth Avenue*, returns with a tantalizing novel about the secrets, betrayal, and murder within one of New York City's most impressive Gilded Age mansions. Eight months since losing her mother in the Spanish flu outbreak of 1919, twenty-one-year-old Lillian Carter's life has completely fallen apart. For the past six years, under the moniker Angelica, Lillian was one of the most sought-after artists' models in New York City, with statues based on her figure gracing landmarks from the Plaza Hotel to the Brooklyn Bridge. But with her mother gone, a grieving Lillian is rudderless and desperate—the work has dried up and a looming scandal has left her entirely without a safe haven. So when she stumbles upon an employment opportunity at the Frick mansion—a building that, ironically, bears her own visage—Lillian jumps at the chance. But the longer she works as a private secretary to the imperious and demanding Helen Frick, the daughter and heiress of industrialist and art patron Henry Clay Frick, the more deeply her life gets intertwined with that of the family—pulling her

into a tangled web of romantic trysts, stolen jewels, and family drama that runs so deep, the stakes just may be life or death. Nearly fifty years later, mod English model Veronica Weber has her own chance to make her career—and with it, earn the money she needs to support her family back home—within the walls of the former Frick residence, now converted into one of New York City's most impressive museums. But when she—along with a charming intern/budding art curator named Joshua—is dismissed from the Vogue shoot taking place at the Frick Collection, she chances upon a series of hidden messages in the museum: messages that will lead her and Joshua on a hunt that could not only solve Veronica's financial woes, but could finally reveal the truth behind a decades-old murder in the infamous Frick family.

Scripted - Maya Rock 2016-02

Reality is deadly when you go off script. Bliss Island seems like an idyllic place to live - especially to the people suffering on the war-torn mainland. What's not so idyllic about Bliss is the fact that the Island is a set, and everyone's life is a performance; they're all stars of a hit reality TV show, *Blissful Days*. Characters on the show think they're better off on Bliss than the mainland, but they're always in danger of being cut if their ratings dip too low. And no one really knows what happens to cut characters. Nettie Starling has never had great ratings, so it seems lucky when a producer offers suggestions to help her improve. But she'll soon have to decide how far she'll go to preserve her ratings ... especially when she learns what could happen to her if she doesn't.

Gender, Language and Discourse - Ann Weatherall 2005-07-05

Is language sexist? Do women and men speak different languages?

Gender, Language and Discourse uniquely examines the contribution that psychological research - in particular, discursive psychology - has made to answering these questions. Until now, books on gender and language have tended to be from the sociolinguistic perspective and have focused on one of two issues - sexism in language or gender differences in speech. This book considers both issues and develops the idea that they shouldn't be viewed as mutually exclusive endeavours but rather as part of the same process - the social construction of gender. Ann Weatherall highlights the fresh insights that a social constructionist approach has made to these debates, and presents recent theoretical developments and empirical work in discursive psychology relevant to gender and language. *Gender, Language and Discourse* provides the most comprehensive and up-to-date discussion of the gender and language field from a psychological perspective. It will be invaluable to students and researchers in social psychology, cultural studies,

education, linguistic anthropology and women's studies.

Betrayal in the City - F. D. Imbuga 1987

Betrayal in the City, first published in 1976 and 1977, was Kenya's national entry to the Second World Black and African Festival of Arts and Culture in Lagos, Nigeria. The play is an incisive, thought-provoking examination of the problems of independence and freedom in post-colonial African states, where a sizeable number of people feel that their future is either blank or bleak. In the words of Mosese, one of the characters: "It was better while we waited. Now we have nothing to look forward to. We have killed our past and are busy killing our future."--
