**Human Resource
Management: Text & Cases,
2nd Edition** - Sharon Pande &

Swapnalekha Basak
In a constantly evolving
service-led Indian economy,
human resources have become
the cornerstone of an
organization's success. The
management of human

capability has become an art that has to be understood and mastered to run a successful enterprise. Human Resource Management: Text and Cases, 2e, explains the basic concepts of this discipline and presents cases that provide an insight into the challenges faced by HR professionals on a day-to-day basis. Going beyond the coverage of a traditional textbook, this book focuses on applied aspects of HRM, which capture the evolving challenges in the field. The authors have used their extensive real-world work experience in talent acquisition, and human resource development and retention to provide lucid explanation of all major concepts of human resource management. Replete with examples and cases, this title is a complete guide for all MBA students and HR practitioners.

KEY FEATURES • Extensive coverage of HR best practices and innovations • Sample 'ready-to-use formats' of relevant documents • Thought-provoking chapter opening cases to set the context for

learning in the text ahead • Application cases to showcase real-world implementation of concepts • PowerPoint slides and Question Bank for teachers
