Reflecting extensive investigative work undertaken in 2016 by Human Rights Watch staff, in close partnership with domestic human rights activists, the annual World Report is an invaluable resource for journalists, diplomats, and citizens, and is a must-read for anyone interested in the fight to protect human rights in every corner of the globe.

Livre Des Sans-foyer - Edith Wharton 1916

The Book of the Homeless includes poems, essays, original art and musical scores by such notables of the time as Henry James, W.B. Yeats, Joseph Conrad, Thomas Hardy, Igor Stravinsky, Jean Cocteau, George Santayana and Paul Claudel, as well as other artists, musicians, writers and poets. Edith Wharton edited the text as a fundraiser for her WWI French charities, The Children of Flanders Relief Committee and The American Hostels for Refugees. The introduction, written by Theodore Roosevelt, stated, "We owe to Mrs. Wharton all the assistance we can give. We owe this assistance to the good name of America, and above all for the cause of humanity we owe it to the children, the women and the old men who have suffered such dreadful wrong for absolutely no fault of

theirs." Wharton's charitable work was so passionate and successful, she was made a Chevalier de l'Ordre National de la Légion d'honneur in 1916 for her efforts.

Youth Employment in Sub-Saharan Africa Deon Filmer 2014-01-24
This book focuses on how to improve the quality of jobs and meet the aspirations of youth in Sub-Saharan Africa. It finds that a strong foundation for human capital development can be key to boosting earnings, arguing for a balanced approach that builds skills and demand for labor.

Subcultural Sounds - Mark Slobin 1993-04

"Although Subcultural sounds primarily maps out possible responses for ethnomusicology to the current situation of global interaction of conflicting mediascapes, technoscapes, finanscapes, ethnoscapescapes, and ideoscapes, there are numerous lessons to be learned from these essays for musicology, music education and related disciplines . . . productive and inspiring."--Publisher's description.

The Afterlives of the Terror - Ronen Steinberg 2019-09-15

The Afterlives of the Terror explores how those who experienced the mass violence of the French Revolution struggled to come to terms with it. Focusing on the Reign of Terror, Ronen Steinberg challenges the presumption that its aftermath was characterized by silence and

enforced collective amnesia. Instead, he shows that there were painful, complex, and sometimes surprisingly honest debates about how to deal with its legacies. As *The Afterlives of the Terror* shows, revolutionary leaders, victims' families, and ordinary citizens argued about accountability, retribution, redress, and commemoration. Drawing on the concept of transitional justice and the scholarship on the major traumas of the twentieth century, Steinberg explores how the French tried, but ultimately failed, to leave this difficult past behind. He argues that it was the same democratizing, radicalizing dynamic that led to the violence of the Terror, which also gave rise to an unprecedented interrogation of how society is affected by events of enormous brutality. In this sense, the modern question of what to do with difficult pasts is one of the unanticipated consequences of the eighteenth century's age of democratic revolutions.

[In Search of Middle Indonesia](#) - 2014-01-16

The middle classes of Indonesia's provincial towns are not particularly rich yet nationally influential. This book examines them ethnographically. Rather than a market-friendly, liberal middle class, it finds a conservative petty bourgeoisie just out of poverty and skilled at politics. Please note that Sylvia Tidey's article (pp. 89-110) will only be available in the print edition of this book (9789004263000).

A People's History of the World - Chris Harman 2017-05-02

The best-selling comprehensive history of the world, from the perspective of struggling peoples throughout the ages—now with new material and a foreword by Howard Zinn From the earliest human societies to the Holy Roman Empire, from the Middle Ages to the

Enlightenment, from the Industrial Revolution to the end of the twentieth century, Chris Harman provides a brilliant and comprehensive history of the human race. Eschewing the standard accounts of “Great Men,” of dates and kings, Harman offers a groundbreaking counter-history, a breathtaking sweep across the centuries in the tradition of “history from below.” In a fiery narrative, he shows how ordinary men and women were involved in creating and changing society and how conflict between classes was often at the core of these developments. While many scholars see the victory of capitalism as now safely secured, Harman explains the rise and fall of societies and civilizations throughout the ages and demonstrates that history moves ever onward in every age. This magisterial study is essential reading for anyone interested in how society has changed and developed and the possibilities for further radical progress. “I have had many people ask me if there is a book which does for world history what my book *A People's History of the United States* does for this country. I always responded that I know of only one book that accomplishes this extremely difficult task, and that is Chris Harman's *A People's History of the World*.” —Howard Zinn

Reshaping cultural policies: advancing creativity for development - UNESCO 2017-12-11

"This Report demonstrates that innovative cultural policies implemented at regional and local levels have a positive impact on the whole of cultural governance. It highlights the strategic frameworks best adapted to the digital environment, the emergence of exchange platforms and the dynamism of artistic incubators in the global South. It also points to the persistent inequalities and underrepresentation of women in the culture sector, trade barriers on cultural goods and services from the global South and the vulnerability of artists at risk. By providing yet unpublished statistics and data in these areas, this Report is essential for developing and implementing public policies that are adapted to the evolving needs of the culture sector"--Foreword.

WHO Framework Convention on Tobacco Control - World Health Organization 2013

This book contains the guidelines adopted by the Conference of the Parties. These seven guidelines cover a wide range of provisions of the WHO Framework Convention on Tobacco Control, such as: the protection of public health policies with respect to tobacco control from commercial and other vested interests of the tobacco industry; protection from exposure to tobacco smoke; packaging and labelling of tobacco products; and tobacco advertising, promotion and sponsorship; and demand reduction measures concerning tobacco dependence and cessation. These guidelines are intended to help Parties to meet their obligations under the respective provisions of the Convention. They reflect the consolidated views of Parties on different aspects of implementation, their experiences and achievements, and the challenges faced. The guidelines also aim to reflect and promote best practices and standards that governments would benefit from in the treaty-implementation process.
