## **THE EXCITING TRUTH ABOUT THE END-TIMES** - B.

Vincent Shelton 2014-10-29  
The prophets of old warned that certain “key” end-time prophecies wouldn’t be revealed until “the time of the end.” For centuries, scholars have curiously wandered through a valley of endless supposition, hoping to stumble upon a proper understanding of “end-time” events. Hence, much of our teaching about the

“latter days” is not strongly supported by scripture! Well, finally, the “the time of the end” has come! Today, we can scripturally prove the answers to questions like: • Will the Rapture of the Church occur before, during, or after “The Great Tribulation Period?” • Will the “Beast” really be a man? • Will the “Door of Salvation” still be open when the tribulation period ends? • Who or what are the “two-

hundred million killer horsemen” in John’s vision? • Is our interpretation of end-time prophecy “emotionally obscured?” The scripturally sound answers to these questions will likely surprise you!

### **Knighthood of Christian Warriors** - Donald Bell

2009-12

THIS BOOK ADDRESSES VITAL QUESTIONS CONCERNING ENDTIME EVENTS DEPICTED IN THE BOOK OF REVELATION AND THE CALLING OF WARRIOR-SPIRITED CHRISTIANS OF THIS GENERATION. We are right on the verge of devastating events that will create great fear and chaos throughout the world and especially in our comfort-seeking nation. These are end-time events that are quite mystifying but extremely critical for this generation of Christianity to understand. The mission of this book is to provide a clearer understanding of these times by looking at biblical prophecy through our 21st century eyes.

It is intended to feed the warrior spirit within that Christian remnant who are aware of the tremendous challenges that lie before us and are seeking guidance as to what we are about to confront, and how to "be ready." Hopefully, this book will encourage many Christians who are discerning that troubling times are about to descend upon the United States, as well as the entire world, to begin preparing now. Those who have seriously prepared will be among the Christian leaders in the Army of God who will stand strong in the glorious power of our Lord in the midst of these catastrophic times. This in-depth study of the Book of Revelation is truly a serious field guide to help prepare Christian warriors for the great tribulations which will precede the coming of the Lord Jesus Christ to restore His kingdom on the earth. Don Bell is currently a partner in a CPA firm in the Pacific Northwest. Additionally, he served in the Marine Corps for twenty years

including two tours on the front-lines of Vietnam. He retired as a major at age 38, but was also enlisted for six of those years. Don also attended seminary where he received a Masters in Divinity and sometime later, a Doctor of Ministry specializing in Strategic Leadership.

**Are We Living in the Time of the End?** - United Church of God 2010-09-16  
What does Bible prophecy tell us about the time of the end? Are we living in the end time? When will be the end of the world? For thousands of years people have been fascinated with predictions of the end of

the world. If we look into the inspired writings of the biblical prophets and apostles, we find many prophecies that refer to the time of the end. Should we take them seriously? Are world conditions such that these prophecies could be fulfilled in our day? Jesus Christ Himself talked of a future time so horrendous that no human lives would be spared "unless those days were shortened" (Matthew 24:22). Did He have our time in mind? Many biblical warnings leave us in no doubt that increasingly cataclysmic events will occur before God's direct intervention in human affairs. These terrifying prophecies will see their fulfillment at some future time. The crucial question is when. This eye-opening Bible study aid booklet, *Are We Living in the Time of the End?*, examines exactly what Jesus, His apostles and the biblical prophets really said about the intriguing days they referred to as the time of the end. You need this vital information! Chapters in this ebook: -- Are We Living in the Time of the

End? -- What Is the Time of the End? -- A World in Perpetual Crisis -- Noah and Our Time: A Sobering Parallel -- The End of the Age -- The Time of the End: The End of What? -- Biblical Terms for the Coming End of Man's Age -- Jesus Christ's Olivet Prophecy: Where Are We Now? -- Did Jesus Christ Foretell Devastating Storms? -- 'This Generation Will Not Pass' -- The End Time in the Book of Revelation -- The Population Explosion and Prophecy -- God's Framework for End-Time Prophecy -- Preparing for the End Time -- What Can You Do? Inside this Bible Study Aid ebook: "But we should remember that Jesus made it clear that no one could know the exact time of His return: "... Of that day and hour no one knows, not even the angels of heaven, but My Father only" (Matthew 24:36)." "Some think the subject of the end time in the Bible is mainly confined to the New Testament. But beginning in Genesis, the first book of the Bible, the Scriptures look beyond our present evil age to the time of

the establishing of God's Kingdom. Old Testament scriptures have much to say about events that take place during the end of this age and the following "world to come." "When Scripture mentions "the time of the end" or "the end of the age," it is referring to the coming end of the present evil age. This age—in reality the age of Satan—will draw to an end, replaced by the age of God's rule over and guidance of all of humanity." "Revelation is a book written to reveal the future, and Jesus Christ is the One who does the revealing...Here is the theme of Revelation—the time of the end of the age and the return of Jesus Christ to establish God's Kingdom on earth." "How should we view prophecy? Can it provide spiritual benefits? The apostle Peter mentioned that prophecy should serve to strengthen our hope and faith in the future (2 Peter 1:19)."

first steps in understanding the Bible. God then requires that believers diligently study His Word with open hearts and minds as they seek His truth. This book is intended as a study aid in understanding Bible prophecy. Questions addressed include: How will victory over world terrorism lead to something even more horrifying? What can we deduce about the personality and cultural background of Antichrist? What part does the ancient Wailing Wall in Jerusalem play in prophecy? Why do so many people believe in a seven-year "Tribulation" when the Bible teaches that the first half of this period is a time of peace? How will religious freedom lead to the outlawing of true Christianity? Why will God allow His people to suffer at the hands of Antichrist? Why do so many people believe in the imminent return of Christ when the Bible clearly indicates that certain events must happen first? Why will most of the earth's population look to Satan as the world's hope of salvation and see Jesus

Christ as the super villain of the universe?

### **Understanding the End**

**Times** - Rich Chasse

2022-09-02

People are fascinated and sometimes terrified by the subject of the End Times and the book of Revelation. The topic can be disturbing. For some people it can even be scary. There's a lot of misinformation out there.

There are many teachers playing on the insecurities of people with End Times updates that stir up curiosity or fear, taking advantage of many as a result. To understand how to approach the study of End Times events, we need to ask an important question: Are current events pointing to a soon return of Jesus? How we answer this question will influence how we view the rest of prophecy. It's important to understand what goes into answering this question correctly. When you turn on the news and watch events unfold, do you sense the tension? When you flip through your social media or the internet and look at all the things that are happening, does it cause you heartburn—or maybe heartache? Would you say we are in a unique time in world history? So, how do you answer the question? We'll answer that and more in *Understanding the End Times: Are Current Events Pointing to a Soon Return of Jesus? Revelation* - Donna Best

### **The End Times and Beyond -**

L. Doug Harberson 2018-09-24

I was asked recently why I decided to write this book when there are numerous "famous" authors on the subject? The question took me by surprise, but as I pondered my reasons, my response was two-fold: - I wanted to write a book that the general public (lay persons) could read with a high degree of comprehension, using word structure that is common in everyday language. - I wanted the book to lend itself to being used as the material for a detailed Bible study on the end-times. I am currently working on a journal to complement the book. As the reader works through the chapters of this book, he/she will discover: - how Daniel's

prophecies predict the seven years of Tribulation. These prophecies serve as the backbone of this book; - why Christ chose the seven churches in chapters 2 and 3; - details about the rapture . . . when it will occur, who is involved""Don't be left behind; - details of the Judgment Seat of Christ; - details of the Four Horsemen of the Apocalypse; - description of the Seven Seals, Seven Trumpets, and Seven Bowls""when they occur, their devastation and purpose; - the Antichrist""discussed in detail; - details about the great revival during the first months of Tribulation; - who the two witnesses are and their purpose during the first half of Tribulation; - details regarding the Marriage Supper of the Lamb; - fascinating details of the Glorious Appearing and Armageddon; - surprising revelations about Satan; - details of the Judgment of the Sheep and Goats and the Great White Throne Judgment; - fascinating details about the Millennial Reign of Christ; - how many Books of Life exist.

Are there more than one? - a full discussion of the New Heaven and New Earth; - the author's "time line" of events that happened during the seven-year Tribulation Period and beyond.

*The Book of Signs* Dr. David Jeremiah 2019-03-05

From one of the world's most beloved Bible teachers comes a timely, compelling, and comprehensive biblical interpretation of Bible prophecy, the end times, and the apocalypse viewed through the lens of current world events. Many Christians struggle to understand the Book of Revelation. "The end times." "The apocalypse." "The day of judgment." These terms are both fascinating and frightening - but what do they really mean? Drawing from decades of study, Dr. Jeremiah explains every key sign of the approaching apocalypse and what it means for you, including international, cultural, heavenly, tribulation, and end signs. With his engaging writing style and clear analysis of how current

world events were foretold in the Bible, *The Book of Signs* is an encouraging guide to the Book of Revelation. In *The Book of Signs*, Dr. David Jeremiah offers answers to questions including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? An epic and authoritative guide to biblical prophecy, *The Book of Signs* is a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future with a renewed sense of hope and purpose.

**Revelations** - Elaine Pagels 2012-03-06

A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of *Beyond Belief*. Through the

bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: The Book of Revelation, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns The Book of Revelation to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets

Revelation as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a weapon against heresy and infidels of all kinds-Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, Revelations explores how often those in power throughout history have sought to force "God's enemies" to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text.

[The Rapture: a Pre- or Post-Tribulation Event?](#) - Colleen

Wandmacher 2017-03-17

God tells us not to be deceived about the timing of our being caught up to meet Jesus in the air, an event Christians refer to as the rapture. He would not have said that unless there was going to be an avalanche of false teaching with regard to the timing of the rapture in the sequence of end-time events. Diligently studying pertinent scriptures in Gods Word is the only way one can be free of deception and be spiritually prepared for the times that may befall us. This book helps the reader to deeply study the Word of God to see the truth. Chapter after chapter leads to the same conclusion the rapture will be a post-tribulation event.

**The Return of the King** - Jeff Klutz 2009-03-04

The Return of The King (ROTK) is a detailed timeline of end-time events as prophesied in the Bible. Unlike some works of this nature, ROTK is written to a non-technical audience, providing full definitions of all theological terms used in the book. It is written by a minister of over 20 years who is

accustomed to breaking complicated theological content down for its simplest digestion. ROTK is written from a premillennial perspective, which understands scripture to be literal in nature, and prophecy to be interpreted via normal and customary interpretational methods rather than being relegated to symbolic in its nature. ROTK is also written in conjunction with the ROTK Teacher's and Student's editions which can be obtained for teaching the biblical study of eschatology (end time events) in a classroom setting. For more information and excerpts from this work, visit the author's blog at

*A House Divided - 7 Events Before Rapture & the Coming of Christ* Michael Johnson 2004-11

Just as Jesus Christ promised, a book that simplifies and clarifies the End Times prophecies, is finally here. A House Divided chronicles, in easy-to-understand terms, the ENTIRE End Times scenario,

including SEVEN easy-to-remember End Events. After years of scouring numerous passages and gathering all the prophecies scattered throughout the Old and New Testaments of The Bible, the author has been able to piece together the prophecies to form a single, coherent picture of the End Times. During the process of gathering together the prophecies, the Author also discovered a profound prophecy concerning the emergence of a book in the End Times that outlines seven events. In The Revelation, Chapter 10, John witnesses a powerful Angel descending from Heaven who holds open a book while he utters seven thunders. Although John heard the thunders and was about to write them down, he was told to conceal them. The author of A House Divided feels that he has uncovered what those "seven thunders" are. By themselves, the seven End Events only scratch the surface of all the new prophetic interpretations that are presented in this book. There

are at least twenty COMPLETELY NEW interpretations of prophecy, never before presented, that are detailed in the book. Many of the author's interpretations are as bold in its assertions as The Revelation is mysterious. Jews also, will find this work especially intriguing. In rather blunt terms, the author exalts Jews while diminishing the importance of many religious, social and political organizations of our day, including organized Christian hierarchy and the Catholic Church. The book uses a minimum of scriptural quotes and explains, in everyday language and terms, what Christians must know to prepare themselves for a terrible Christian holocaust in the future. And the book has been formatted to appeal to the "less-educated" Christian. Formerly, most prophecy authors have ignored the larger portion of Christians who are not "schooled" in ancient text, translations and scholarly jargon. A House Divided dispenses with the

scholarly chitchat that has inhibited understanding in past prophecy works. It omits diplomacy and gets straight to the point. Without a doubt, *A House Divided* is as profound in fresh and new End Times understanding, in this day, as *The Revelation* was in the day of John. Do not miss this opportunity to know, understand and REMEMBER what has eluded all of us to this day: the final revealing of the mystery of God and the WHOLE End Times Truth.

**Understanding End Times Prophecy** - Paul N. Benware 2006

Bible prophecy continues to fascinate, nevermore than in troubled times of war and natural disasters. But why study Bible prophecy? What does it mean if a person is premillennial or amillennial, believes in the Rapture, or knows who or what the Beast of Revelation is? Benware's framework for understanding Bible prophecy is based on the four biblical covenants: Abrahamic, Palestinian, Davidic, and New. This book is

a reference for seminary and college students, and those curious about the various views of end times prophetic events and biblical proof behind them.

**Dispensational Truth, Or God's Plan and Purpose in the Ages** - Clarence Larkin

The Reverend Clarence Larkin was one of the most widely influential pop theologians of the early twentieth century: his works are the source of many of the "prophecies" and "truths" end-times Christians hold to even today. This stupendous 1918 book-perhaps

his greatest work-is the result of more than 30 years' worth of, the author informs us, "careful and patient study of the Prophetic Scriptures." Fully illustrated by charts describing God's plan for humanity, Dispensational Truth covers: Pre-Millennialism the Second Coming of Christ the present evil world the Satanic trinity the world's seven great crises prophetic chronology the threefold nature of man the Book of Revelation five fingers pointing to Christ the False Prophet and much more. American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. Understand the connection between the Old Testament and the end times, what to expect during the last days, and how to stand firm in Christ in the face of opposition. Rabbi

K. A. Schneider decodes the Book of Revelation, showing how the end-time events prophesied in the New Testament book correspond with the teachings of the Torah and the Hebrew prophets. You will discover how the Passover foreshadows the great tribulation, and what the Hebrew prophets reveal about the anti-Messiah, Armageddon, hell, the return of the Messiah, the millennial kingdom, heaven, and much more. As the world grows darker and darker, many people have a sense of impending doom. This book will teach you what to expect during the last days and how to stand firm in Christ even in the face of opposition.

Understanding End Times Prophecy - Paul N. Benware  
2006-05-01

Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle.

Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture.

**The Great Tribulation!** -

Richard Guthrie 2014-12-12

The end times contain many exciting events we are all

familiar with and think we fully understand. The appearance and domination of the Antichrist throughout the world. The rise and global domination of the "Revised Roman Empire," resulting in a One World Government. The Mark of the Beast that makes trade impossible anywhere on the Earth. The universal devastation wrecked by the Four Horsemen of the Apocalypse. The appearance of the spiritual harlot of Mystery Babylon, and the end time false religion. However, consider the following: What if the Antichrist will not become the universal or worldwide leader? What if the Mark of the Beast is regional, rather than global? What if there is no "Revised Roman Empire"? What if the Four Horsemen of the Apocalypse have already been loosed? What if Mystery Babylon could never be the Roman Catholic Church? Who did Jesus identify as the Mystery Babylon of Revelation? What if the Twelfth Imam, the Islamic Messiah, is slain in the rebuilt Jewish Temple? Why is

it impossible to know the identity of the Antichrist until certain events unfold? Why are the dates of the Rapture and that of the Second Coming both "unknowable"? Who is left to enter into the Millennial Kingdom if there's a Post-Tribulational Rapture? Why are the identities of the two end-time prophets "unknowable"? What country is poised to play a major role within these end-time events? In a detailed and thorough analysis of Scripture, *The Great Tribulation!* explores these and many more questions related to the end-time events in a step-by-step approach. Using a literal interpretation of Scripture, this eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic and straightforward for the novice."

[End Time Delusions](#) - Steve Wohlberg 2004

Will Christians vanish in a rapture? Will seven years of apocalyptic terror overtake those left behind? Will one future Mr. Diabolical -- the antichrist -- rise to control the

world? Will he enter a rebuilt Jewish temple, claiming to be God? Will Earth's nations attack Israel at Armageddon? Best-selling books like *Left Behind* and popular apocalyptic movies predict such things. Are they correct? No area of Christianity has been subject to more misguided interpretation than prophecy. Millions of Christians sense we are nearing Jesus Christ's return. Yet when it comes to what the majority thinks will happen during Earth's last days, and what the Bible actually says will occur, the difference is seismic. With clarity and biblical accuracy, *End Time Delusions* exposes massive errors now flooding through media and in much of today's sensational prophecy writing. This book closely examines tightly meshed yet speculative theories about the rapture, seven-year tribulation, antichrist, and the modern Jewish state. This book is no novelty. Buttressed with solid teachings from many of Christianity's most illustrious scholars, it lets the Bible speak

for itself about the past, present, and future.

*Revelation* 1999-01-01

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.
