A Journey to Hope 2015-11-30

(Harold Flammer). This major sacred work is musically inspired by traditional spirituals and tells of the ministry, passion and resurrection of Jesus through familiar repurposed tunes, narration and scriptures. Two endings are provided, one for Holy Week and one with a jubilant Easter finale, making this a versatile and inspiring work for a variety of Spring programming. From the rhythmic vitality of "Ride On, King Jesus" to the languishing strains of "They Crucified My Lord," from the stately dignity of "Give Me Jesus" to the festive joy of "Great Day," this work delivers both ministry and artistry. Whether presented with Brant Adams' inspired orchestrations, or with piano alone, you will find *A Journey to Hope* a unique and effective cantata experience. Songs include: Prelude; The Call to Faith; The Call to Follow; Peace for the Journey; Ride On, King Jesus; Come to the Welcome Table; Gethsemane; Jesus Walked to Calvary; The Crucified My Lord; Great Day! The Lord Is Risen!

So You Want to Sing Jazz - Jan Shapiro 2015-12-17

Since the 1930s and '40s, jazz has stood tall in American popular music, drawing into its embrace not only great horn players, percussionists, guitarists, bassists, and pianists, but also some of the greatest singers in

America's musical history. Jazz has laid the groundwork for important innovations in modern singing, opening up entirely new ways of delivering songs through what would eventually become jazz standards—songs that formed the basis of the American Songbook. In *So You Want to Sing Jazz*, singer and professor of voice Jan Shapiro gives a guided tour through the art and science of the jazz vocal style. Throughout, Shapiro hones in on what makes jazz singing distinctive, suggesting along the way how other types of singers can make use of jazz. She looks at such key matters in jazz singing as the role of improvisation, the place of specific singers who influenced and even defined vocal jazz as we know it today, and the unique way in which jazz incorporates vibrato, conversational delivery, rhythmic phrasing, and melodic embellishment and improvisation. The book includes guest-authored chapters by singing voice researchers Dr. Scott McCoy and Dr. Wendy LeBorgne. In *So You Want to Sing Jazz*, singers and voice teachers finally have the go-to resource they need for singing vocal jazz. The *So You Want to Sing* series is produced in partnership with the National Association of Teachers of Singing. Like all books in the series, *So You Want to Sing Jazz* features online supplemental material on the NATS website. Please visit www.nats.org to access style-specific exercises, audio and video files, and additional resources.

A Composer in Africa - Stephanus Muller 2006-01-01

Grové was arguably the first composer to incorporate Black African elements into the fabric of his music, venturing far beyond mere *couleur locale* to forge a creative synthesis of the indigenous and the "Western". His vast oeuvre encompasses every genre, from opera and ballet to chamber music, orchestral works and song. But he is also a fine essayist, and his short fiction has received praise from André P. Brink. This is the first study of its kind to be devoted to a South African composer.

The Story of Daniel the Prophet - Stephen Nelson Haskell 1993-09

The Book of Daniel is a prophecy given by God to Daniel 600 years before Christ that reaches clear down to the end of earth's history. It is especially applicable to our day, pointing out the immediate future. In *The Story of Daniel the Prophet*, a few of the interesting facts in regard to God's dealings with His people have been gathered into a simple narrative. This book is the result of much prayerful study. It is sent forth with an earnest prayer, that in the hands of the parents it may be the means of making the study of the Bible in the family a blessing to young

and old; and that the teacher in the schoolroom may see precious rays of light flashing from its pages, pointing both teacher and pupil to the Great Divine Teacher. We trust that while its simplicity will attract many who might not be inclined to read a deep argumentative treatise, the most studious will find food for thought, and thus become better acquainted with the character of our Heavenly Father. Those who wish to enter into more comprehensive study, will find that the marginal references open up many veins of precious ore in the deep mines of God's Word. Throughout the entire book the special providence of God over those who are faithful to Him is brought out in clear contrast to the fate of those who ignore His guiding hand. The truth is the same, whether in the history of nations or individuals. As The Story of Daniel the Prophet goes forth on its mission of love for the Great Master, may it prove a blessing to all classes, young and old, rich and poor, learned and unlearned.
