Ten Lies Many People Believe About Money - Mike Murdock

Daredevil Epic Collection Stan Lee 2018-02-14

Collects Daredevil (1964) #22-41, Annual (1967) #1, Fantastic Four (1961) #73 and material from Not Brand Echh (1967) #4. Stan Lee and Gene Colan unleash an identity crisis as Matt Murdock juggles his triple identity as Daredevil and his own "twin brother" Mike Murdock. You might need your slide rule to track the trigonometry of Marvel's Man Without Fear's mixed-up life. And as if that weren't complex enough, Daredevil experiences a body swap with Doctor Doom in one of comics' first crossovers! Other highlights include guest appearances by Spider-Man, Thor and Ka-Zar; the introduction of fan-favorite villain Leap-Frog; and the debut of the Emissaries of Evil. It's a series of action-packed extravaganzas so hazardous that all our cast won't all make it out alive!

The Mother's Topical Bible - David C. Cook 1984

There are 93 subjects and 1764 verses--all in the readable, contemporary New International Version--to make The Mother's Topical Bible an excellent devotional tool.

The Hustler's Guide to God - Frank L Williams 2019-08-08

To write a book is to get naked; that is, to be transparent and vulnerable. To begin, let me apologize to the writing technicians, I struggle with convention, because at heart, I'm an artist. At times, I may raise an eyebrow or two, with my pronoun choices and seeming capitalization

miscues. When you see that, look out, because I am likely attempting to communicate a nuanced meaning, or, I may just be partial to a form, stylistically, as we creatives sometimes do. My mentor, Dr. Mike Murdock, challenged me to "document my persuasion". So this writing is the first official evidence of my obedience to his mission. If I die tonight, the ideas contained herein can guide my children for a lifetime. Hopefully, many others will glean the heart of YHWH from my humble contribution to the spectrum of faith. At the end of the day, we must all believe in something, for that is what it means to be human. My submission here is that we should trust "Love" above all. Yahshua is Love. My intent here is not to offend anyone who hasn't accepted Yahshua as savior. My goal is simply to share some of the thoughts governing my decision to make Him, Yahshua, Lord of my life. This work is designed to be a crash course on loving, which means it's not comprehensive. But compact, so you'll probably want to read it a few times to capture the full message. In your hands is the results of over eighteen years of intense love observations. If you are willing to acquiesce to Love's lure, you will share this book with everyone you meet. You won't be able to help yourself! © My quest is to see you on the love train. Shalom, FLW - the teacher

The Christ Conspiracy - Acharya S. 2012-09-04

In this highly controversial and explosive book, archaeologist, historian, mythologist and linguist Acharya S. marshals an enormous amount of

startling evidence to demonstrate that Christianity and the story of Jesus Christ were created by members of various secret societies, mystery schools and religions in order to unify the Roman Empire under one state religion. In developing such a fabrication, this multinational cabal drew upon a multitude of myths and rituals that existed long before the Christian era, and reworked them for centuries into the religion passed down to us today. Contrary to popular belief, there was no single man who was at the genesis of Christianity; Jesus was many characters rolled into one. These characters personified the ubiquitous solar myth, and their exploits were well known, as reflected by such popular deities as Mithras, Heracles/Hercules, Dionysos and many others throughout the Roman Empire and beyond. The story of Jesus as portrayed in the Gospels is revealed to be nearly identical in detail to that of the earlier savior-gods Krishna and Horus, who for millennia preceding Christianity held great favor with the people. The Christ Conspiracy shows the Jesus character as not unique or original, not "divine revelation." Christianity reinterprets the same extremely ancient body of knowledge that revolved around the celestial bodies and natural forces. The result of this myth making has been "The Greatest Conspiracy Ever Sold."

Their God/s - Michael Jean Nystrom-Schut 2015-11-19

In the mind of each person on the planet, a set of notions and ideas of God or gods reside. Some of these systems are basic and simple. Others are highly complex and complicated. Some borrow their God/god notions from authority, or from others they know. Others are much more original - eclectically piecing together many separate parts from multiple sources. No two people in the world experience and translate God/gods in the same way. And this is what makes things so interesting! As I have encountered this wonderful life, I have also bumped up against countless people who were in the position to explain exactly who God was and was not. They were quite sure of themselves, and anxious to impart this wisdom to me. But because I had a mind and heart of my own, this put me on the outside looking in, for much of my life. We all come to a place where we realize we must make our minds up as to what we will and will not do, how we will think and who we will be. As I have encountered "them" and their God/gods, I have found my own way through this foggy maze, and discovered a modicum of peace and reconciliation in the process. This is the massive task of all of us, as well as why I needed to lay it out to you, in this lengthy, 2-part book.
