Yasi Rasa Ta Vinod Kumar Shukla 2017-01-10

In this story of three cousins, Vinod Kumar Shukla has introduced the meagre material culture of Chhatisgarh villages illuminated by Yasi, Rasa and Ta's sense of wonder about their parents' existence and the world at large. It is a children's book because the narrative is simple. It is a poet's book because each object - chappal, ghada, katori, phugga - seems more than itself, full of primal sounds and dipped in the mystery of 'being'. The exquisite beauty of the text reminds one of Saint-Exupery's Little Prince. It can become a source of wonder for both children and adults around the world. A dream of small-scale harmony against a cosmic backdrop.

Tamas - Bhīshma Sāhanī 2001

Translated by the author 'Tamas drove the point home that ordinary people want to live in peace' The Guardian Set in a small-town frontier province in 1947, just before Partition, Tamas tells the story of a sweeper named Nathu who is bribed and deceived by a local Muslim politician to kill a pig, ostensibly for a veterinarian. The following morning, the carcass is discovered on the steps of the mosque and the town, already tension-ridden, erupts. Enraged Muslims massacre scores of Hindus and Sikhs, who, in turn, kill every Muslim they can find. Finally, the area's British administrators call out the army to prevent further violence. The killings stop but nothing can erase the awful memories from the minds of the survivors, nor will the various communities ever trust one another again. The events described in Tamas are based on true accounts of the riots of 1947 that Sahni was a

witness to in Rawalpindi, and this new and sensitive translation by the author himself resurrects chilling memories of the consequences of communalism which are of immense relevance even today.

WORSHIP Essentials For Puj a Meera Sashital 2013-09-04

If anyone offers me with devotion a leaf, a flower, a fruit, and water, I receive that, offered in devotion by the persons whose soul is disciplined. Lord Krishna in the Bhagavad Gita. The various religions of world have different rituals and objects used in worship. Offerings to the Divine vary according to region, tradition or availability. But only one stream of thought runs through them all like a pure, flowing river. The predominant idea behind all offerings and prayers and puja (rituals of worship), is the surrender of oneself to the All Powerful, Absolute and Almighty and to seek His blessings, protection and forgiveness in our passage through life. Many of our traditions and rituals of worship have been lost over time- victims to the drift of cultures. Today, amidst the rush of modern living, our ways of the worship have become practice-by-rrote, without the individual understanding the actual meaning of either the object used or the ritual and ultimately, the form of worship itself. With the loss of this rich legacy of deeper meaning, puja is bereft of that special communion with God, which all humans desire. This accessible and beautifully presented book, re- acquaints us with the meaning and purpose behind the objects we use in our puja, whether at home or in the temple. It gently informs and adds meaning and value to that most private of all human practices-worship.

The Man Who Was Kipling - Ruskin Bond 2017-09-10

A tall, stooping, elderly gentleman sat down beside me. I gave him a quick glance, noting his swarthy features, heavy moustache and horn-rimmed spectacles. There was something familiar and disturbing about his face and I couldn't resist looking at him again. I noticed that he was smiling at me.' The Man Who Was Kipling is a collection of stories which should be on the must-read list of every reader. We are introduced to a man in a museum in London who claims to be the ghost of Rudyard Kipling. Then there is a schoolboy's encounter with a mysterious woman, while waiting for their trains to arrive. We have an inspector pitting his wits against a murder mystery and a writer who always takes the same route into the city to catch a glimpse of a balcony belonging to a past love. And then there is the timeless classic 'Sita and the River' that will tug at your heartstrings. Through this collection, Ruskin Bond has us enthralled, yet again, with his effortless storytelling of these tales and more.

Kamayani - Jai Shankar Prasad 2021-08

Jaishankar Prasad's epic poem Kamayani (1936) is a feast for intellectuals. It operates at three different levels: the gross or mythological, the emotional and the spiritual. Prasad infused the vision of a rishi, a sage, into this work. The reader experiences poetic currents of human emotions - anxiety, hope, desire, love, shyness, sorrow, conflict - and finally emerges at an elevated level of consciousness.

Kabir Says - David Masterman 2020-06-05

Kabir was a 15th century Indian spiritual master who left a legacy of extraordinary poems which continue to capture the imagination of a diverse audience today. The poems downplay the importance of ritual and austerity, and teach that God is not confined to centers of worship or places of pilgrimage but found everywhere in creation. Most importantly, God is within us and this is where we must meet him. Kabir elevates us into the realm of the spirit - a world of beauty, majesty, even romance, where the relationship between lovers is a recurring metaphor for our

relationship to the divine. For the last century, Rabindranath Tagore's classic translation, "Songs of Kabir," has been the standard, but over the years it has suffered the ravages of time. In "Kabir Says," David Masterman has reworked Tagore's translation and breathed new life into it for the 21st century reader. But this edition goes beyond merely updating language and style; it considerably enhances the poetic form and flow of the English translation, and a new introduction and appendix have also been added to add depth to the reader's understanding.

Ladies Coupe - Anita Nair 2005-04-07

The story of a woman's search for strength and independence Meet Akhilandeshwari, Akhila for short: forty-five and single, an income tax clerk and a woman who has never been allowed to live her own life—always the daughter, the sister, the aunt, the provider. Until the day she gets herself a one-way ticket to the seaside town of Kanyakumari, gloriously alone for the first time in her life and determined to break free of all that her conservative Tamil brahmin life has bound her to. In the intimate atmosphere of the ladies coupe which she shares with five other women, Akhila gets to know her fellow travellers: Janaki, pampered wife and confused mother; Margaret Shanti, a chemistry teacher married to the poetry of elements and an insensitive tyrant too self-absorbed to recognize her needs; Prabha Devi, the perfect daughter and wife, transformed for life by a glimpse of a swimming pool; fourteen-year-old Sheela, with her ability to perceive what others cannot; and Marikolanthu, whose innocence was destroyed by one night of lust. As she listens to the women's stories, Akhila is drawn into the most private moments of their lives, seeking in them a solution to the question that has been with her

all her life: Can a woman stay single and be happy, or does a woman need a man to feel complete? Note: This book is in the Hindi language and has been made available for the Kindle, Kindle Fire HD, Kindle Paperwhite, iPhone and iPad, and for iOS, Windows Phone and Android devices.

Truck de India! Rajat Ubhaykar 2019-10-22
"The share auto I squeeze into next seems unusually vulnerable after a night in the truck - too compact, too low down. Perhaps, these are the usual side effects of prolonged riding with the king of the road, I think to myself. But it is only when I fill in 'truck' as my mode of transportation in the hotel ledger at Udaipur does the utter ludicrousness of my endeavour truly hit home" Think truck drivers, and movie scenes of them drunkenly crushing inconvenient people to their gravelly deaths come to mind. But what are their lives on the road actually like? In *Truck De India!*, journalist Rajat Ubhaykar embarks on a 10,000 km-long, 100% unplanned trip, hitchhiking with truckers all across India. On the way, he makes unexpected friendships; listens to highway ghost stories; discovers the near-fatal consequences of overloading trucks; documents the fascinating tradition of truck art in Punjab; travels alongside nomadic shepherds in Kashmir; encounters endemic corruption repeatedly; survives NH39, the insurgent-ridden highway through Nagaland and Manipur; and is unfailingly greeted by the unconditional kindness of perfect strangers. Imbued with humour, empathy, and a keen sense of history, *Truck De India!* is a travelogue like no other you've read. It is the story of India, and Indians, on the road.

Master storyteller Ruskin Bond shows how this love may persist to death and beyond. The agents of the supernatural may be gentle like the fairy folk in 'On Fairy Hill', or malevolent like the well-dressed diners of 'The Prize'; humorous like the very proper witch, Miss Bellows, in 'The Black Cat', or tragic like the haunting Gulabi in 'Wilson's Bridge'. Bond aficionados will meet familiar faces in other stories and be thrilled by the gripping mystery, 'Who Killed the Rani?' Pediatric Gender Assignment - Stephen A. Zderic 2003-01-31

This book represents the proceedings from a conference that took place in Dallas in the spring of 1999 which was entitled "Pediatric Gender Assignment - A Critical Reappraisal". Some participants rightfully argued that the conference really focused on the issue of pediatric gender assignment, and that reassignment was not applied in most cases. Their comments were reflected in the title of this monograph. This multidisciplinary meeting was sponsored by a conference grant from the National Institutes of Health, and a broad inquiry into this complex topic took place from many points of view. Basic scientists offered insight into mechanisms of sexual differentiation of the gonads, physical phenotype and imprinting of the central nervous system. Endocrinologists reviewed their experience in

diagnosis and management, surgeons described traditional as well as innovative approaches, and there was strong representation from the ethical and behavioral sciences. In putting together such a panel, it was essential that we identify a cast of speakers who could address their viewpoints with strong convictions, and yet not let their passions render the meeting counterproductive. We were not disappointed. While many differing points of view were firmly expressed by the panelists and audience, all viewpoints were accorded the respect they deserved. The concept behind the meeting and this book really originated in 1997 shortly after Diamond and Sigmundson published their long term follow up study of the John/Joan case.

Ancient India - Ramesh Chandra Majumdar 1977

This is a comprehensive, intelligible and interesting portrait of Ancient Indian History and Civilization from a national historical point of view. The work is divided into three broad divisions of the natural course of cultural development in Ancient India: (1) From the prehistoric age to 600 B.C., (2) From 600 B.C. to 300 A.D., (3) From 300 A.D. to 1200 A.D. The work describes the political, economic, religious and cultural conditions of the country, the expansionist activities, the colonisation schemes of her rulers in the Far East. Political theories and administrative organizations are also discussed but more stress has been laid on the religious, literary and cultural aspects of Ancient India. The book is of a more advanced type. It would meet the needs not only of general readers but also of earnest students who require a thorough grasp of the essential facts and features before taking up specialized study in any branch of the subject. It would also fulfil requirements of the candidates for competitive examinations in which Ancient Indian History and culture is a prescribed subject.

A Burning - Megha Majumdar 2020-06-02
A TODAY SHOW #ReadWithJenna BOOK CLUB PICK! A New York Times Notable Book For readers of Tommy Orange, Yaa Gyasi, and Jhumpa Lahiri, an electrifying debut novel about three unforgettable characters who seek to rise—to the middle class, to political power, to fame in the movies—and find their lives entangled in the wake of a catastrophe in

contemporary India. In this National Book Award Longlist honoree and “gripping thriller with compassionate social commentary” (USA Today), Jivan is a Muslim girl from the slums, determined to move up in life, who is accused of executing a terrorist attack on a train because of a careless comment on Facebook. PT Sir is an opportunistic gym teacher who hitches his aspirations to a right-wing political party, and finds that his own ascent becomes linked to Jivan's fall. Lovely—an irresistible outcast whose exuberant voice and dreams of glory fill the novel with warmth and hope and humor—has the alibi that can set Jivan free, but it will cost her everything she holds dear. Taut, symphonic, propulsive, and riveting from its opening lines, *A Burning* has the force of an epic while being so masterfully compressed it can be read in a single sitting. Majumdar writes with dazzling assurance at a breakneck pace on complex themes that read here as the components of a thriller: class, fate, corruption, justice, and what it feels like to face profound obstacles and yet nurture big dreams in a country spinning toward extremism. An extraordinary debut.

The Slaves- Frederick Douglass 2016-12-16
"The Slaves" is nothing but Frederick Douglass's groundbreaking autobiography and his first book "Narrative of the Life of Frederick Douglass, An American Slave, written by Himself". We have renamed the title here as "The Slaves" to keep the title short as well as to establish that Frederick Douglass is no longer a name of a particular slave born in nineteenth-century America, but a name that represents slaves of the entire world and of all time. Even though, we do not wish anyone to be born into slavery anymore like Frederick was, we have taken him as a symbol of all the slaves as a wish that all who are still in slavery may have the spirit of Frederick Douglass and fight their ways to the freedom and work to free other slaves to make the slavery history. The life of Frederick, is in one way or another, is the lives of all other slaves. Hence, we have named this version of his book "The Slaves".
