jazz, country, folk, rap, reggae, techno, musicals, and world music, the Encyclopedia also offers thousands of additional entries covering popular music genres, trends, styles, record labels, venues, and music festivals. Key dates, biographies, and further reading are provided for artists covered, along with complete discographies that include record labels, release dates, and a 5-star album rating system.

Diasporic Chineseness After the Rise of China - Kam Louie 2013-11-26

As China rose to its position of global superpower, Chinese groups in the West watched with anticipation and trepidation. In this volume, international scholars examine how artists, writers, filmmakers, and intellectuals from the Chinese diaspora represented this new China to global audiences. The chapters, often personal in nature, focus on the nexus between the political and economic rise of China and the cultural products this period produced, where new ideas of nation, identity, and diaspora were

forged.

The Tattoo Project - Deborah Davidson
2016-12-15

Disrupting commonly held notions about who gets tattooed and why, The Tattoo Project describes, illustrates, and celebrates the social significances of commemorative tattoos. Written by scholars from various disciplines, as well as by community members and practitioners, this edited collection considers the meanings people make from their experiences of love, loss, trauma, resilience, and change, and why they choose to inscribe those meanings on their bodies. This methods-based text also examines the process of building a community-contributed digital archive of tattoo photos and stories, the result of which inspired the contributions to this book. Writing at the intersections between the public and the private, the authors consider the production and mobilization of knowledge across communities, disciplines, and space. Featuring beautiful tattoo photography, personal

narratives from project participants, and original poetry by Priscila Uppal, The Tattoo Project is a novel read that bridges the gap between academic and popular audiences. This timely collection is a valuable resource for courses across the social sciences and humanities and for anyone interested in tattoos and their significance.

Forest and Stream - 1891

Litpop: Writing and Popular Music - Rachel Carroll 2016-05-13

Bringing together exciting new interdisciplinary work from emerging and established scholars in the UK and beyond, Litpop addresses the question: how has writing past and present been influenced by popular music, and vice versa? Contributions explore how various forms of writing have had a crucial role to play in making popular music what it is, and how popular music

informs 'literary' writing in diverse ways. The collection features musicologists, literary critics, experts in cultural studies, and creative writers, organised in three themed sections. 'Making Litpop' explores how hybrids of writing and popular music have been created by musicians and authors. 'Thinking Litpop' considers what critical or intellectual frameworks help us to understand these hybrid cultural forms. Finally, 'Consuming Litpop' examines how writers deal with music's influence, how musicians engage with literary texts, and how audiences of music and writing understand their own role in making 'Litpop' happen. Discussing a range of genres and periods of writing and popular music, this unique collection identifies, theorizes, and problematises connections between different forms of expression, making a vital contribution to popular musicology, and literary and cultural studies.

The Thomas Kell Spy Series, Books 1-3 Charles Cumming 2017-12-12

From the internationally acclaimed, New York

Times bestselling author of *The Trinity Six* and *Typhoon*, the *Thomas Kell* series is a compelling, revealing tale of deceit and betrayal, conspiracy and redemption. Read the first three books in the series, now available in one ebook. *A Foreign Country* On the vacation of a lifetime in Egypt, an elderly French couple are brutally murdered. Days later, on the streets of Paris, a young French accountant is kidnapped. When Amelie Levene, who in six weeks is due to take over as the first female Chief of MI6, disappears without a trace while in the south of France, it is the gravest crisis MI6 has faced in more than a decade. Desperate not only to find her, but to keep the press from learning that she has gone missing, Britain's top intelligence agents turn to one of their own: disgraced former MI6 officer Thomas Kell. Tossed out of the Service only months before, Kell is given one final chance to redeem himself and find Amelia Levene at any cost. *A Colder War* A top-ranking Iranian military official, an investigative journalist, and

an Iranian nuclear scientist are targeted in seemingly unrelated attacks, but they have one crucial link: Each of the three had been recently recruited by Western intelligence, before being removed or killed. When Paul Wallinger, MI6's most senior agent in Turkey, dies in a puzzling plane crash, Tom Kell discovers what Wallinger had already begun to suspect—that there's a mole somewhere in the Western intelligence, a traitor who has been systematically sabotaging scores of joint intelligence operations in the Middle East. A Divided Spy Tom Kell is offered an unexpected chance at revenge. Taking the law into his own hands, he embarks on a mission to recruit a top Russian spy who is in possession of a terrifying secret. As Kell tracks his man from Moscow to London, he finds himself in a high stakes game of cat and mouse in which it becomes increasingly difficult to know who is playing whom. As the mission reaches boiling point, the threat of a catastrophic terrorist attack looms over Britain, and Kell is faced with

an impossible choice. Loyalty to MI6—or to his own conscience?

Chinese Masculinities in a Globalizing World - Kam Louie 2014-11-20

This book explores how the traditional ideal of Chinese manhood – the "wen" (cultural attainment) and "wu" (martial prowess) dyad – has been transformed by the increasing integration of China in the international scene. It discusses how increased travel and contact between China and the West are having a profound impact; showing how increased interchange with Western men, for whom "wu" is a more significant ideal, has shifted the balance in the classic Chinese dichotomy; and how the huge emphasis on wealth creation in contemporary China has changed the notion of "wen" itself to include business management skills and monetary power. The book also considers the implications of Chinese "soft power" outside China for the reconfigurations in masculinity ideals in the global setting. The

rising significance of Chinese culture enables Chinese cultural norms, including ideals of manhood, to be increasingly integrated in the international sphere and to become hybridised. The book also examines the impact of the Japanese and Korean waves on popular conceptions of desirable manhood in China. Overall, it demonstrates that social constructions of Chinese masculinity have changed more fundamentally and become more global in the last three decades than any other time in the last three thousand years.

The Promise - Lisa Clifford 2007-11-10

'I know this is my final leaving because it's so different from my many other leavings. This time, I actually want Paolo to find someone else- perhaps a lovely Florentine girl who he can marry, someone who will make him happy by giving him children and a family of his own. He deserves it after waiting for more than a decade for me to make up my mind...' Lisa Clifford was sixteen when she arrived in Florence for the first

time, keen to experience life beyond her Australian convent-school and work out what she wanted to do with her future. Falling in love with a local called Paolo was not part of the plan... The Promise is the story of Lisa's love affair with Paolo, and of her love for Florence and the Tuscan mountains-the landscapes, the people and the food. But far from settling into a contented life in Italy, Lisa soon realised that being an independent and ambitious Australian girl made it difficult to fit in with the age-old traditions of an Italian family. She was torn between her desire to stay with Paolo, and her need to return home-to her family, to the relaxed Australian way of a life, and to a career. Should she stay, or should she go? Written with humour and passion, The Promise is about loss and heartache and growing up. Above all, it is a story that proves love does find a way-and that some promises are made to be broken.

Unfaithful Music & Disappearing Ink Deluxe

- Elvis Costello 2015-10-13

The deluxe eBook edition of *Unfaithful Music & Disappearing Ink* features two hundred additional photos and images, including more from Costello's original lyrics notebooks and a selection of his family's most intriguing documents and vintage photographs. Pages from his father's scrapbooks from the early '50s Merseyside jazz scene are contrasted with a ledger of setlists and meager fees from the author's early musical partnership in Rusty on the Liverpool club scene and other mementoes from Costello's musical apprenticeship. There are numerous candid shots of the artist and his collaborators, both on stage and behind the scenes, along with a touching collection of signatures, mostly dedicated to the young Declan MacManus in his autograph book from the 1960s. Over an hour of

Downloaded from besquare.me on by guest

excerpts from the audio edition are also featured, including several wonderful anecdotes that were ultimately omitted from the book. These additions serve to enrich the story of an incredible life in music, phenomenally well told. Born Declan Patrick MacManus, Elvis Costello was raised in London and Liverpool, grandson of a trumpet player on the White Star Line and son of a jazz musician who became a successful radio dance-band vocalist. Costello went into the family business and before he was twenty-four took the popular music world by storm. *Unfaithful Music & Disappearing Ink*, written entirely by Costello, offers his unique view of his unlikely and sometimes comical rise to international success, with diversions through the previously undocumented emotional foundations of some of his best-known songs and the hits of tomorrow. It features many stories and observations about his renowned cowriters and co-conspirators, though Costello also pauses along the way for considerations of the less

appealing side of fame. The memoir provides readers with a master's catalogue of a lifetime of great music. Costello reveals the process behind writing and recording legendary albums like *My Aim Is True*, *This Year's Model*, *Armed Forces*, *Almost Blue*, *Imperial Bedroom*, and *King of America*. He tells the detailed stories, experiences, and emotions behind such beloved songs as "Alison," "Accidents Will Happen," "Watching the Detectives," "Oliver's Army," "Welcome to the Working Week," "Radio Radio," "Shipbuilding," and "Veronica," the last of which is one of a number of songs revealed to connect to the lives of the previous generations of his family. Costello recounts his collaborations with George Jones, Chet Baker, and T Bone Burnett, and writes about Allen Toussaint's inspiring return to work after the disasters following Hurricane Katrina. He describes writing songs with Paul McCartney, the Brodsky Quartet, Burt Bacharach, and The Roots during moments of intense personal crisis and profound sorrow. He

shares curious experiences in the company of The Clash, Tony Bennett, The Specials, Van Morrison, and Aretha Franklin; writing songs for Solomon Burke and Johnny Cash; and touring with Bob Dylan; along with his appreciation of the records of Frank Sinatra, David Bowie, David Ackles, and almost everything on the Tamla Motown label. The idiosyncratic memoir of a singular man, *Unfaithful Music & Disappearing Ink* is destined to be a classic.

[The Da Capo Companion To 20th-century Popular Music](#) - Phil Hardy 1995-08-21

Describes and assesses the styles, composers, and musicians of contemporary music

A theme-by-theme index to rock recordings is accompanied by a listing of the best albums, and information about rock history

Aled Jones - My Story - Aled Jones 2013-10-17
Aled Jones was a choirboy with a remarkable voice, whose prodigious talent propelled him to international stardom. Before he was sixteen, he had already sold more than six million records and had become a fixture on television and radio. He has worked alongside such greats as

Leonard Bernstein, Andrew Lloyd Webber, Sir Neville Marriner, Howard Blake, and Mike Oldfield. Some of the high points of his early career include performances at the Hollywood Bowl and the wedding of Bob Geldof and Paula Yates, as well as singing privately for the Prince and Princess of Wales. Best known as a boy soprano for his hit "Walking in the Air," Aled tells the full story of this phenomenal record and the effect it had on his life. Always refreshingly honest and self-effacing, Aled reveals how he faced up to life after his voice had broken and how he carved out a new career for himself on stage, record, television, and radio. His story begins with his idyllic childhood on the Welsh island of Anglesey and his years as a chorister at Bangor Cathedral, during which his family provided wonderful support and encouragement as he rose to fame. He tells of his studies at the Royal Academy of Music and the Bristol Old Vic Theatre School and delves behind the scene of some of Britain's best-known institutions, such as

"Songs of Praise," BBC Wales and Classic FM. Aled reveals the truth about the man behind the music in this frank, heartwarming and funny account of his life.

The Oxford Handbook of Sound and Imagination - Mark Grimshaw-Aagaard 2019
Whether social, cultural, or individual, the act of imagination always derives from a pre-existing context. For example, we can conjure an alien's scream from previously heard wildlife recordings or mentally rehearse a piece of music while waiting for a train. This process is no less true for the role of imagination in sonic events and artifacts. Many existing works on sonic imagination tend to discuss musical imagination through terms like compositional creativity or performance technique. In this two-volume Handbook, contributors address this tendency head-on, correcting the current bias towards visual imagination to instead highlight the many forms of sonic and musical imagination. Topics covered include auditory imagery and the

neurology of sonic imagination; aural hallucination and illusion; use of metaphor in the recording studio; the projection of acoustic imagination in architectural design; and the design of sound artifacts for cinema and computer games.

The Great Rock Discography - Martin Charles Strong 1998

Martin Strong's best-selling and highly acclaimed monster reference book is now in its fourth edition. Encyclopaedic in scope, the book contains incomparable details on all the great figures in the development of the rock genre.

Playlist - Luca Sofri 2010-10-04

L'operazione della playlist gigante di Luca Sofri è così esagerata, parziale, idiosincratca e viscerale da risultare stupenda. — Beppe Severgnini, Corriere della Sera Tutta la musica della vostra vita dentro un solo apparecchio: che è anche quello che la suona. Ce l'avessero detto vent'anni fa, ci saremmo risparmiati quelle montagne di cassette (macché: gli avremmo riso

in faccia, fi eri delle nostre cassette). L'idea di questo libro non ha bisogno di molte spiegazioni. È una guida in un nuovo mondo di canzoni. Anzi, in un vecchio mondo di canzoni, un tempo aperto alle visite a pagamento solo in determinati orari, e con certe sale chiuse al pubblico, e che ora è aperto a tutti, con biglietto ridotto, 24 ore su 24. Sofri racconta la musica di cui è fatta la vita e lo fa in quasi tremila brani, che è un piacere avere accanto a sé. Di ognuno ci dà un particolare, un retroscena, una curiosità, in modo che non siano solo una lettura galleggiante nel nulla. La scelta è molto personale, è ovvio. Come diceva Frank Zappa: "Scrivere di musica è come ballare di architettura". La musica fa leva su sensazioni personali, umori di un momento, ricordi. Il criterio che vorrebbe riunire tutte le canzoni è che siano belle: senza puzza sotto il naso, e sapendo che, come dicevamo prima che arrivasse Nek, due buone canzoni nella vita le scrivono tutti e a volte arrivano da dove meno te l'aspetti. Playlist è un manuale di fondamentali,

ma anche una lista di suggerimenti e di invito alla condivisione di singole gioie, singole canzoni, magari sfuggite. Alla fine, tutti noi volevamo solo fare il deejay.

Billboard 1977-03-05

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Complicated Shadows: The Life And Music

Of Elvis Costello - Graham Thomson

2013-03-07

Complicated Shadows paints a detailed and accurate portrait of an intensely private and complex individual. It draws on nearly 50 exclusive interviews with schoolmates, pre-fame friends, early band members, journalists as well as members of The Attractions, producers, collaborators and musicians from all stages of

his life and career. Thomson also unearths many previously unknown details about Costello's early years and his personal life, as well as examining his entire musical output using the recollections of those who were there at the time, the majority of whom have never talked on the subject before.

The International Who's Who in Popular Music 2002 - Andy Gregory 2002

The International Who's Who in Popular Music 2002 offers comprehensive biographical information covering the leading names on all aspects of popular music. It brings together the prominent names in pop music as well as the many emerging personalities in the industry, providing full biographical details on pop, rock, folk, jazz, dance, world and country artists. Over 5,000 biographical entries include major career details, concerts, recordings and compositions, honors and contact addresses. Wherever possible, information is obtained directly from the entrants to ensure accuracy and reliability.

Appendices include details of record companies, management companies, agents and promoters. The reference also details publishers, festivals and events and other organizations involved with music.

Performance and Popular Music cDr Ian Inglis
2013-01-28

Since the emergence of rock'n'roll in the early 1950s, there have been a number of live musical performances that were not only memorable in themselves, but became hugely influential in the way they shaped the subsequent trajectory and development of popular music. Each, in its own way, introduced new styles, confronted existing practices, shifted accepted definitions, and provided templates for others to follow.

Performance and Popular Music explores these processes by focusing on some of the specific occasions when such transformations occurred. An international array of scholars reveal that it is through the (often disruptive) dynamics of performance - and the interaction between

performer and audience - that patterns of musical change and innovation can best be recognised. Through multi-disciplinary analyses which consider the history, place and time of each event, the performances are located within their social and professional contexts, and their immediate and long-term musical consequences considered. From the Beatles and Bob Dylan to Michael Jackson and Madonna, from Woodstock and Monterey to Altamont and Live Aid, this book provides an indispensable assessment of the importance of live performance in the practice of popular music, and an essential guide to some of the key moments in its history.

100 Most Beautiful Songs Ever for Fingerpicking Guitar (Songbook) - Hal

Leonard Corp. 2014-03-01

(Guitar Solo). One hundred timeless songs from a wide variety of musical genres are featured in this collection of solo guitar arrangements in standard notation and tab. Includes: Angel * Bless the Broken Road * Chances Are * Don't

Know Why * Faithfully * Hallelujah * I Will Always Love You * Killing Me Softly with His Song * Memory * Stardust * Tears in Heaven * Woman * You Raise Me Up * and many more.

International Who's Who in Popular Music 2009 - Routledge 2009-03

A comprehensive guide to the people and organizations involved in the world of popular music.

See You Again Sheet Music - Wiz Khalifa 2015-05-01

100 Ultimate Smooth Jazz Riffs for Bass - Andrew D. Gordon 2022-04-22

With the continued worldwide success of the book series Ultra Smooth Jazz Grooves that I co-authored with sax player Frank Villafranca based on compositions that we wrote for our band The Super Groovers, I have now authored this series of Smooth Jazz books for the following instruments: Piano/Keyboards, Guitar/Bass, Flute, Clarinet, Violin, Tenor and Alto Saxes, Trumpet and Trombone. Smooth Jazz covers a wide variety of different styles and I have combined elements of Jazz, Rock, Pop, Blues, Latin, Gospel, Funk and R&B, Classical, Folk, New Age styles into the examples in the book. Smooth Jazz" is a genre of music that is predominately instrumental, usually very melodic in nature and in most cases features some jazz improvisation. and is usually performed at a medium tempo and tends to feature piano /keyboards, saxophone, trumpet, and guitar as the most common lead instruments

Downloaded from besquare.net on by guest

playing the melody. Most Smooth Jazz is well produced and has memorable melodies over a backdrop of multiple tracks of rhythm instruments, keyboards, guitar, strings, synth pads, drums and percussion. Each riff has been recorded with the solo melodic instrument along with a rhythm backing track of guitar,

keyboards/synths, bass, drums/percussion followed by just the backing tracks for you to practice with. Also included are backing tracks playing the chord progression through 10 times giving you extended time to practice your improvisational skills using the riffs in the book and developing them into your own style.
